Semper Fivietnam:

Semper Fi: Vietnam Edward F. Murphy, 2007-12-18 From their early days in 1965 when the order of the day was to drive the insurgent Viet Cong from the villages around Da Nang to the final dramatic evacuation of Saigon ten years later *Semper Fi Vietnam* relates the whole gutsy glorious saga of the Marines in Vietnam in stark riveting detail Acclimating to their strange new surroundings occupied the Marines first few weeks in South Vietnam Throughout the day peasants dressed in pajama like clothing and sporting conical hats worked the paddies behind the heaving water buffalo If daytime scenes appeared bucolic the arrival of sunset quickly changed that perception Gunfire and explosions erupted at dusk Marines nervously watched bright tracers cut colorful swaths across the night sky From distant bamboo thickets mortar shells flew skyward to crash in the paddies The Marines were learning that the war in South Vietnam was unlike anything for which they had been trained

Semper Fi! Orville Leverne (Lee) Clubb, 2016-03-01 *SEMPER FI* gives a portrait of a young man and his experiences as an enlisted member of the US Marine Corps during the Vietnam War Orville Clubb begins at the beginning with his earliest memories and tells the story right through to his discharge after serving overseas Born into a poor family brought together by World War II the writer grew to maturity as a young Marine As with many young men of this era of similar socioeconomic status joining the military as an enlisted man was an attractive option that offered a new start of life This is the story of an American who came from a humble background who had a great love for his country and who put his life on the line for it The book explains how the Marine Corps transformed his attitude self confidence and personality It gave him the inspiration to become a successful person and PhD a degree that is attained by fewer than three per cent of the American population If you have no military background this book will inspire you if you have a military background it will bring back memories of your own service if you are a Marine *Semper Fi* Alan J Zygowicz Major USMC Special Agent in Charge Hong Kong Office U S Secret Service 1996 1999 *Semper Fi* Orville Leverne Clubb, 2012 *1st Marine Division in Vietnam* Simon Dunstan, *Vietnam's Forgotten Army* Andrew Wiest, 2009-10 War

Dark Sunrise III Vietnam GySgt Louis A. Cavagnaro, 2007-09-13 Dark Sunrise Vietnam removes readers from the easy chair and places them with two Marine Corps Divisions in Vietnam The South Vietnamese cannot defeat the Viet Cong or North Vietnamese in combat Before long the Marine Corps 3rd Division is sent north to the DMZ The 1st Marine Division South to Da Nang and the Mekong Delta The Marines have a bond between them forged in steel and tempered in blood Search and Destroy missions Combat sweeps and Patrols are conducted A continuous problem is surrounding the enemy in combat and suddenly intense silence Combat sweep of the area reveals no enemy dead where did they go The enemy is almost always invisible unless willing to be seen The Ho Chi Minh trail is found with elephants carrying heavy guns or ammunition Also thousands of old men and women moving supplies on their backs or bicycles When the tunnels of Chu Chi are discovered they weave through a trail of deception Bear traps Punji traps snares trip wires tiger pits bombs lures shadows and ambush Help from the Mongtagnard Tribesmen is requested How does this all end The Vietnam War Geoffrey Ward, Kenneth Burns, 2020-03-24 NATIONAL BESTSELLER Based on the celebrated PBS television series the complete text of an engrossing history of America s least understood conflict a significant milestone that will no doubt do much to determine how the war is understood for years to come The Washington Post More than forty years have passed since the end of the Vietnam War but its memory continues to loom large in the national psyche In this intimate history Geoffrey C Ward and Ken Burns have crafted a fresh and insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon Ward and Burns trace the conflict that dogged three American presidents and their advisers But most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of Vietnam as it really was A magisterial tour de force The Vietnam War is an engrossing history of America s least understood conflict Close Air Support And The Battle For Khe Sanh [Illustrated Edition] Lt.-Col Shawn Callahan USMC, 2014-08-15 Includes 7 maps 3 tables and more than 80 photo illustrations In the 77 days from 20 Jan to 18 March of 1968 two divisions of the North Vietnamese Army NVA surrounded a regiment of U S Marines on a mountain plateau in the northwest corner of South Vietnam known as Khe Sanh The episode was no accident it was in fact a carefully orchestrated meeting in which both sides got what they wanted The North Vietnamese succeeded in surrounding the Marines in a situation in many ways similar

to Dien Bien Phu and may have been seeking similar tactical operational and strategic results General William C Westmoreland the commander of the joint U S Military Assistance Command Vietnam COMUSMACV meanwhile sought to lure the NVA into the unpopulated terrain around the 26th Marines in order to wage a battle of annihilation with air power In this respect Khe Sanh has been lauded as a great victory of air power a military instrument of dubious suitability to much of the Vietnam conflict The facts support the assessment that air power was the decisive element at Khe Sanh delivering more than 96 percent of the ordnance used against the NVA Most histories of the battle however do not delve much deeper than this Comprehensive histories like John Prados and Ray Stubbs Valley of Decision Robert Pisor's End of the Line and Eric Hammel's Siege in the Clouds provide excellent accounts of the battle supported by detailed analyses of its strategic and operational background but tend to focus on the ground battle and treat the application of air power in general terms They do not however make significant distinction between the contributions of the two primary air combat elements in this air land battle the 7th Air Force and the 1st Marine Air Wing An analysis of their respective contributions to the campaign reveals that they each made very different contributions that reflected very different approaches to the application of air power

US Marine Corps Tank Crewman 1965-70 Ed Gilbert,2012-04-20 By 1960 following Korea tanks and their crews had proved themselves to be a fundamental part of the Marine Corps combined arms team When the Marines were ordered to Vietnam in 1965 they took their tanks with them This book explores this decision which created a political storm The presence of the tanks became a lightning rod for accusations of an escalation of the war Nevertheless the tanks not only proved their value in the anti guerrilla campaigns but also amid the bitter conventional fighting and extraordinary casualties at Hue City The ability to undertake such radical

change and to prevail demonstrated the versatility courage and tenacity that are the hallmarks of the ordinary Marine
