Bowers, 2018-08-15 Nevada's politics are in large measure the result of its turbulent history and harsh environment Michael W Bowers concise volume explains the dynamics of the political formation process which is strikingly unique among the fifty states Even today Nevada is unlike the other states in its politics and culture it's economically right yet libertarian the home of widespread gaming and a 24/7 lifestyle has a high percentage of federally owned lands and has one of the highest rates of urbanism in the U S yet is often governed by rural legislators This comprehensive and insightful explanation discusses how Nevada's history has shaped its political culture and how its government operates today The Sagebrush State serves as a highly readable and accessible text for the study of Nevada's political history and constitution which is a graduation requirement at the state's colleges and universities The fifth edition is updated through 2017 and includes the full text of the state constitution with extensive annotations of all amendments to the original 1864 document **All the Water the Law Allows** Christian S. Harrison, 2021-08-12 As the population of the

greater Las Vegas area grows and the climate warms the threat of a water shortage looms over southern Nevada But as Christian S Harrison demonstrates in *All the Water the Law Allows* the threat of shortage arises not from the local environment but from the American legal system specifically the Law of the River that governs water allocation from the Colorado River In this political and legal history of the Las Vegas water supply Harrison focuses on the creation and actions of the Southern Nevada Water Authority SNWA to tell a story with profound implications and important lessons for water politics and natural resource policy in the twenty first century In the state with the smallest allocation of the Colorado s water supply Las Vegas faces the twin challenges of aridity and federal law to obtain water for its ever expanding population *All the Water the Law Allows* describes how the impending threat of shortage in the 1980s compelled the five metropolitan water agencies of greater Las Vegas to unify into a single entity Harrison relates the circumstances of the SNWA s evolution and reveals how the unification of local county and state interests allowed the compact to address regional water policy with greater force and focus than any of its peers in the Colorado River Basin Most notably the SNWA has mapped conservation plans that have drastically reduced local water consumption and in the interstate realm it has been at the center of groundbreaking water sharing agreements Yet these achievements do not challenge the fundamental primacy of the Law of the River If current trends continue and the Basin States are compelled to reassess the river s distribution the SNWA will be a force and a model for the Basin as a whole *The Sagebrush State, 3d Edition* Michael W. Bowers, 2012-05-15 Since its publication in 1996 *The Sagebrush State* has served as the text for the required course on Nevada s history and constitution given at the state s colleges and universities The third edition of this work is updated through 2005 to include information on the elections of 2002 and 2004 and two very controversial sessions of the legislature The full text of the state constitution is provided for reference in an appendix and includes extensive annotations that note and explain amendments and other changes made to the original 1864 document **Reshaping Our National Parks and Their Guardians** Kathy Mengak, 2012 This biography of the seventh director of the National Park Service brings to life one of the most colorful powerful and politically astute people to hold this position George B Hartzog Jr served during an exciting and volatile era in American history Appointed in 1964 by Secretary of the Interior Stewart Udall he benefited from a rare combination of circumstances that favored his vision which was congenial with both President Lyndon Johnson s Great Society and Udall s robust environmentalism Hartzog led the largest expansion of the National Park System in history and developed social programs that gave the Service new complexion During his nine year tenure the system grew by seventy two units totaling 27 million acres including not just national parks but historical and archaeological monuments and sites recreation areas seashores riverways memorials and cultural units celebrating minority experiences in America In addition Hartzog sought to make national parks relevant and responsive to the nation s changing needs Senator Howard Cannon of Nevada Michael Verneti, 2015-11-15 Howard Cannon 1912 2002 represented Nevada in the U S Senate from 1958 until 1982 and acquired a

Nevada Politics & Government Don W. Driggs, 1996-01-01 Nevada s highly individualistic political culture has produced a conservative political philosophy in an open society Economic developments resulting from mining and gambling reinforced and heightened the individualistic ethic that many early

settlers brought to the frontier state This ethic is also evident in the opposition of most Nevadans to big government big labor and big business Belief in limited government partially explains the apparent anomaly of the electorate s backing a pro choice position on abortion while opposing the Equal Rights Amendment The book discusses the important roles played by Nevada s present U S senators in two of the state s ongoing controversies with the federal government the longstanding water rights dispute between Native Americans backed by the federal government and Nevada s ranchers and the decade long fight against the establishment of the nation s first permanent nuclear waste depository at Yucca Mountain Don W Driggs is Professor of Political Science Emeritus at the University of Nevada Reno He is the author of The Constitution of the State of Nevada A Commentary Leonard E Goodall is a professor of management and public administration at the University of Nevada Las Vegas He is the author of numerous works including State Politics and Higher Education

Saints, Sinners, and Sovereign Citizens John L. Smith, 2021-03-18 Listed as one of the Reno News Review s New Books from Nevada Authors December 29 2021 The grazing rights battle between Nevada rancher Cliven Bundy and the federal government resulting in a tense armed standoff between Bundy s supporters and federal law enforcement officers garnered international media attention in 2014 Saints Sinners and Sovereign Citizens places the Bundy conflict into the larger context of the Sagebrush Rebellion and the long struggle over the use of federal public lands in the American West Author John L Smith skillfully captures the drama of the Bundy legal tangle amid the current political climate Although no shots were fired during the standoff itself just weeks later self proclaimed Bundy supporters murdered two Las Vegas police officers and a civilian In Eastern Oregon other Bundy supporters occupied the federal offices of the Malheur National Wildlife Refuge and one of them died in a hail of bullets While examining the complex history of federal public land policies Smith exposes both sides of this story He shows that there are passionate true believers on opposite sides of the insurrection along with government agents and politicians in Washington complicit in efforts to control public lands for their wealthy allies and campaign contributors With the promise of billions of dollars in natural resource profits and vast tracts of environmentally sensitive lands hanging in the balance the West s latest range war is the most important in the nation s

history This masterful expos raises serious questions about the fate of America s public lands and the vehement arguments that are framing the debate from all sides **Nevada** ,1994
