*Send this Message to My Church* Terence Kelshaw, 1984      **The Seven Cities of the Apocalypse and Greco-Asian Culture** Roland H. Worth, 2019-05-07 The companion to *The Seven Cities of the Apocalypse and Roman Culture* this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome's general impact upon the region traced in the *Roman Culture* volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE      **The Seven Cities of the Apocalypse and Roman Culture** Roland H. Worth, 2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H Worth in the introduction to this fascinating information packed work It is an in depth study of the history culture society economics and environment of early Christians living in Roman Asia Drawing on a multitude of resources from diverse disciplines Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia He describes life in Roman Asia what it was like to live in that province how the imperial cult grew and prospered there as well as the nature of official governmental persecution in the first century A second book *The Seven Cities of the Apocalypse and Greco Asian Culture* will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written      "*The Message To The Seven Churches Of Asia Minor*" Roy Wade, Sr., D.Min., 2022-04-18 These seven sermons came into print as a result of a series of sermons that the author preached at the Mount Zion Baptist Church These sermons are appropriate for the 21st Century Church In a century where it seems as though the message of the local church has been watered down these sermons point the local church back to the days of the First Century Church in which the message was from the mouth of God      **Abrahamic Religions** ,      [The Ministry of the Word, Vol. 25, No. 03: Vital Factors for the Recovery of the Church Life](#) Various Authors, This issue of *The Ministry of the Word* contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on April 16 18 2021 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is Vital Factors for the Recovery of the

Boyer,2022-02-09 Once one nation under God America today is desperately sick And the Church seems to have no answers How can a nation so churched be so untouched by the Gospel Why has the Glory departed leaving a nation racked by political hatred drug addiction and shattered families God

Caesar and Idols asks these questions and calls the Church to seek God's Word for answers Too many Christians no longer make political choices on the basis of eternal truth but instead make them on the basis of purely financial considerations It's time for the Church to break its addiction to humanistic government schooling and instead bring them up in the nurture and admonition of the Lord This book challenges the Church to reject cheap grace and the easy temptation to be tolerant of society's rebellion We must again honor the authority of God's Word and embrace the life altering power available when we reject our cultural idols and proclaim the whole counsel of God without compromise Armed with careful scriptural exegesis and supported by the words of great Christians from church history God Caesar and Idols encourages the American Church to again contend for the faith in today's culture whatever the cost

covers the experience of the early Christian Church While the Bible s book of Acts covers a period of only a little more than three decades it is filled with important lessons for the church in every age God clearly indicates that the Christian today shall experience the presence of the same Spirit who came with power at Pentecost and fanned the gospel message into a flame The acts of the Holy Spirit through Peter and Paul John and James and others can be repeated in the modern disciple The abruptness with which the book of Acts closes is not accidental it deliberately suggests that the thrilling narrative is unfinished that the acts of God through the Spirit are to have their sequel throughout the Christian dispensation each successive generation adding a chapter full of beauty and power to the one that preceded it
