Sending Money Home Hispanic Remittances And Community Development:

Sending Money Home Rodolfo O. De la Garza, Briant Lindsay Lowell, 2002 For international migrants seeking employment in the United States the desire to remit a portion of their earnings to their home countries is a time honored custom The flow of money southward from the United States has evolved from a stream flowing from families through informal networks to a major river with new tributaries fed by transnational migrant organizations channeled through an increasingly formal marketplace and attracting the involvement of home country governments This volume tracks the evolution of the flow of money home offering new data to enhance the picture and understanding of this important economic phenomenon

Migration and Remittances from Mexico Alfredo Cuecuecha, Carla Pederzini, 2012-03-01 Migration and Remittances from Mexico Trends Impacts and New Challenges edited by Alfredo Cuecuecha and Carla Pederzini compiles twelve articles on the migration phenomenon from Mexico and other Latin American countries to the United States The first part of the book provides an overview of three recent surveys all carried out in Mexico The surveys consider international migration flows from Mexico to the United States the characteristics of migrants and some of the causes and effects of migration in Mexico both for national and rural samples The next section of the book analyzes the factors that explain the relationship between internal migration and human development Then the authors look at different issues of migration from Mexico and Latin American countries to the United States The topics include female educational selection in migrants from Mexico to the United States the impact of differences in the U S Mexico labor market outcomes on the migratory flow the working conditions of Mexican migrants to the United States under H2 visas and the breadth and depth of migrants connections from Latin American countries to the United States The fourth and final section of the book studies a variety of aspects related to remittances from United States to Mexico and Latin American countries including whether remittances promote growth in Mexico whether remittances sent to Mexico finance migration of more Mexicans to the United States and whether remittances have positive impacts in the households that receive them The contributors to Migration and Remittances from Mexico are specialized migration researchers trained in a broad variety of fields including economics sociology demography and political science in both Mexico and the United States This range of backgrounds provides an essential multidisciplinary perspective from both sides of the border

Immigrants and Their International Money Flows Susan Pozo, 2007 Presents a typology of migration remittance systems Discusses effects of remittances on economic development in migrant sending countries Points to the multidimensional ties that exist between migrants and the communities from which they originate

Democratic Renewal and the Mutual Aid Legacy of US Mexicans Julie Leininger Pycior,2014-06-05 The legacy of the historic mutual aid organizing by US Mexicans with its emphasis on self help and community solidarity continues to inform Mexican American activism and subtly influence a number of major US social movements In Democratic Renewal and the Mutual Aid Legacy of US Mexicans Julie Leininger Pycior traces the early origins of organizing in the decades following the US Mexican War when Mexicans in the Southwest established mutualista associations for their protection Further she traces the ways in which these efforts have been invoked by contemporary Latino civil rights leaders Pycior notes that the Mexican immigrant associations instrumental in the landmark 2006 immigration reform marches echo mutualista societies at their peak in the 1920s Then Mexican immigrants from San Diego to New York engaged in economic medical cultural educational and legal aid This path breaking study culminates with an examination of Southwest community organizing networks as crucial counterweights to the outsize role of large financial contributions in the democratic political process It also finds ways in which this community organizing echoes the activity of

mutualista groups in the very same neighborhoods a century ago

New Perspectives on Remittances from Mexicans and Central Americans in the United States Germán Zárate-Hoyos,2007

Continental Divides: International Migration in the Americas Katharine M. Donato,Jonathan Hiskey,Jorge Durand,2010-10-15 Since Mexico U S migration represents the largest sustained migratory flow between two nations worldwide much of the theoretical and empirical work on migration has focused on this single case In the last few decades however migration has emerged as a critical issue across all nations in Latin America and the Caribbean with the region seeing its position changed from a net migrant receiving region to one that now stands as one of the foremost sending areas of the world In this latest volume of the ANNALS leading migration scholars seek to redress the imbalance offered when only studying a single case with the first systematic assessment of Latin American migration patterns using ongoing research on the Mexican case as a basis for comparison Each chapter examines specific propositions or findings derived from the Mexican case that have not yet been tested for other Latin American or Caribbean nations Using a common framework of data methods and theories they offer a new perspective on the causes and consequences of migration in the Western Hemisphere

A Mexican State of Mind Melissa Castillo Planas,2020-03-13 A Mexican State of Mind New York City and the New Borderlands of Culture explores the cultural and creative lives of the largely young undocumented Mexican population in

New York City since September 11 2001 Inspired by a dialogue between the landmark works of Paul Gilroy and Gloria Anzald a it develops a new analytic framework the Atlantic Borderlands which bridges Mexican diasporic experiences in New York City and the black diaspora not as a comparison but in recognition that colonialism interracial and interethnic contact through trade migration and slavery are connected via capitalist economies and technological developments This book is based on ten years of fieldwork in New York City with members of a vibrant community of young Mexican migrants who coexist and interact with people from all over the world It focuses on youth culture including hip hop graffiti muralism labor activism arts entrepreneurship and collective making Americanizing Latino Politics, Latinoizing American Politics Rodolfo O. de la Garza, Alan Yang, 2019-11-20 Using the most extensive and currently available survey opinion data this book empirically supports the argument that Latinos have emerged as a convergent panethnic political group beyond the individual national origin identities dating to the time of the 1990 Latino National Political Survey when Mexican Americans Puerto Ricans and Cuban Americans were treated conceptually as politically distinct groups Replete with data and supplemented by an extensive online resource this book offers scholars students and sophisticated general readers evidence and inspiration for understanding the dynamics of Latino politics in the U S today **Latino Politics En Ciencia Poltica** Tony Affigne, Evelyn Hu-DeHart, Marion Orr, 2014-04-25 More than 53 million Latinos now constitute the largest fastest growing and most diverse minority group in the United States and the nation s political future may well be shaped by Latinos continuing political incorporation In the 2012 election Latinos proved to be a critical voting bloc in both Presidential and Congressional races this demographic will only become more important in future American elections Using new evidence from the largest ever scientific survey addressed exclusively to Latino Hispanic respondents Latino Politics en Ciencia Poltica explores political diversity within the Latino community considering how intra community differences influence political behavior and policy preferences The editors and contributors all noted scholars of race and politics examine key issues of Latino politics in the contemporary United States Latino a identities latinidad transnationalism acculturation political community and racial consciousness The book contextualizes today s research within the history of Latino political studies from the field s beginnings to the present explaining how systematic analysis of Latino political behavior has over time become integral to the study of political science Latino Politics en Ciencia Poltica is thus an ideal text for learning both the state of the field today and key dimensions of Latino political attitudes Diasporic Ruptures ,2007-01-01 Diasporic Ruptures Globality Migrancy and Expressions of Identity lies at the intersections of various processes emerging from globalization border crossings transnationalism identity formations Carefully selected and placed in two volumes the essays here represent works of both well seasoned scholars as well as emerging writers academics and intellectuals The volumes critically examine various manifestations of the trend now commonly known as globalization manifestations that many diasporic communities immigrants and people from all walks of life experience They also illuminate recent political social

economic and technological developments that are taking place in a rapidly changing world Volume One offers sophisticated insights into the nature of contemporary formations of diasporic life internationalism and hybrid identities The volume asks bold questions around what it means to live in constantly shifting boundaries of nationality identity and citizenship The type of methodological discursive and experiential awareness promoted by this work helps us understand how millions of people face the challenge of living in a globalizing world it also fosters a consciousness of how globalization itself functions differently in different environments Volume Two see Volume 7 in *Transgressions Cultural Studies and Education* addresses additional and more nuanced questions around culture race sexuality migration displacement and resistance It also explores certain epistemological and methodological fallacies regarding conventional articulations of nation state nationalism and the local global nexus The volume seeks to answer questions such as What are the meanings and connotations of displacement in a rapidly globalizing world What are some dilemmas and challenges around notions of cultural hybridity linguistic diversity and a sense of belonging What is the meaning of home in diaspora and the meaning of diaspora at home Together the volumes raise many topics that will be of immense interest to scholars across disciplines and general readers While celebrating the increasing acknowledgment of difference and diversity in recent times this work reminds us of the ongoing ramifications of dominant structures of inequality relations of power and issues of inclusion and exclusion This work offers different ways of thinking writing and talking about globalization and the processes that emerge from it

Debating Brain Drain Gillian Brock, Michael I. Blake, 2015 Many of the most skilled and educated citizens of developing countries choose to emigrate How may those societies respond to these facts May they ever legitimately prevent the emigration of their citizens Gillian Brock and Michael Blake debate these questions and offer distinct arguments about the morality of emigration

Ethnic/Immigrant Associations and Minorities' Immigrants' Voluntary Participation Lili Wang, 2018-07-17 Migration has changed the social cultural political and economic landscape of many countries Mutual aid organizations ethnic oriented religious organizations hometown associations and various other types of ethnic and immigrant organizations emerged to respond to the particular needs of immigrant communities For countries with a tradition of civic participation integrating immigrants into civic life becomes an important issue This article reviews the literature on ethnic immigrant associations and minorities or immigrants voluntary participation in major developed countries that have experienced a significant increase of immigrants particularly after the 1990s In terms of ethnic immigrant associations the author reviews the historical background of research in this area the size and scope the formation and development the memberships and the financial well being of these associations the roles they play in helping immigrants acculturate into the host countries and the classification of ethnic immigrant associations Particular attention is given to immigrants mutual aid organizations ethnic cultural organizations ethnic oriented religious organizations and hometown associations The author also reviews the literature that examines the factors influencing minorities and immigrants voluntary participation their formal and informal

volunteering as well as immigrant youth's voluntary participation The Economics of Migrants' Remittances in Bangladesh Mohammad Moniruzzaman, 2009 Out of the Shadows, Into the Streets! Sasha Costanza-Chock, 2014-10-24 An exploration of social movement media practices in an increasingly complex media ecology through richly detailed cases of immigrant rights activism For decades social movements have vied for attention from the mainstream mass media newspapers radio and television Today many argue that social media power social movements from the Egyptian revolution to Occupy Wall Street Yet as Sasha Costanza Chock reports community organizers know that social media enhance rather than replace face to face organizing The revolution will be tweeted but tweets alone do not the revolution make In Out of the Shadows Into the Streets Costanza Chock traces a much broader social movement media ecology Through a richly detailed account of daily media practices in the immigrant rights movement the book argues that there is a new paradigm of social movement media making transmedia organizing Despite the current spotlight on digital media Costanza Chock finds social movement media practices tend to be cross platform participatory and linked to action Immigrant rights organizers leverage social media creatively even as they create media ranging from posters and street theater to Spanish language radio print and television Drawing on extensive interviews workshops and media organizing projects Costanza Chock presents case studies of transmedia organizing in the immigrant rights movement over the last decade Chapters focus on the historic mass protests against the anti immigrant Sensenbrenner Bill coverage of police brutality against peaceful activists efforts to widen access to digital media tools and skills for low wage immigrant workers paths to participation in DREAM activism and the implications of professionalism for transmedia organizing These cases show us how savvy transmedia organizers work to strengthen movement identity win political and economic victories and transform public consciousness forever

Immigration and Asylum Matthew J. Gibney, Randall Hansen, 2005-06-21 A comprehensive and timely examination of the history and current status of immigrants and refugees their stories the events that led to their movement and the place of these movements in contemporary history and politics Immigration and Asylum From 1900 to the Present is an accessible and up to date introduction to the key concepts terms personalities and real world issues associated with the surge of immigration from the beginning of the 20th century to the present It focuses on the United States but is also the first encyclopedic work on the subject that reflects a truly global perspective With contributions from the world's foremost authorities on the subject Immigration and Asylum offers nearly 200 entries organized around four themes immigration and asylum the major migrating groups around the world expulsions and other forced population movements and the politics of migration In addition to basic entries the work includes in depth essays on important trends events and current conditions There is no better resource for exploring just how profoundly the voluntary and forced movement of asylum seekers and refugees has transformed the world and what that transformation means to us today **Uneven Roads** Todd Shaw, Louis DeSipio, Dianne Pinderhughes, Toni-Michelle C. Travis, 2018-02-01 Uneven Roads helps you grasp how when and why race

and ethnicity matter in U S politics Using the metaphor of a road with twists turns and dead ends this incisive text takes you on a journey to understanding political racialization and the roots of modern interpretations of race and ethnicity The book s structure and narrative are designed to encourage comparison and reflection You will critically analyze the history and context of U S racial and ethnic politics to build the skills needed to draw your own conclusions In the Second Edition of this groundbreaking text authors Shaw DeSipio Pinderhughes and Travis bring the historical narrative to life by addressing the most contemporary debates and challenges affecting U S racial and ethnic politics You will explore important issues regarding voting rights political representation education and criminal justice policies and the immigrant experience A revised final chapter on intersectionality encourages you to examine how groups go beyond the boundaries of race and ethnicity to come together on matters of class gender and sexuality
