## **Senior Management Teams In Primary Schools:**

*Senior Management Teams in Primary Schools* Lynda Huckman, Michael Wallace, 2005-08-17 Recent years have seen dramatic developments in the way schools are structured and much greater emphasis placed on managing your school effectively Every education professional knows how demanding these new methods can be but they can also reinforce a sense of purpose and control Senior Management Teams in Primary Schools looks at how positive teamwork can be achieved within your school and illustrates the benefits it brings Most teachers involved in managing their school will recognise the situations detailed in the case studies contained in the book the forceful head the overworked middle managers the meetings that try to wade through the mountains of administration that face the modern teacher You will find practical advice clear guidelines case studies from schools that are involved in the process of good practice This book will organise you in your approach and ensure that you reap the benefits of teamwork while avoiding the pitfalls *Primary School Leadership in Context* Geoff Southworth, 2004 In this important new book Geoff Southworth a leading researcher in headship specifically addresses how school size impacts on the role of the headteacher *School Turnaround in Secondary Schools* Coby V. Meyers, Marlene J. Darwin, 2019-12-01 In the continuing quest to turnaround the lowest performing schools rapid and sustainable reform or school turnaround seems most elusive for secondary schools Secondary schools are rife with challenges due to their wide ranging mission and organizational complexity With the continued emphasis on college and career readiness and the vast learning possibilities enhanced by technology our third book in this series Contemporary Perspectives on School Turnaround and Reform focuses on rapid school turnaround and reform in secondary schools In this edited volume researchers and scholars consider the doubly perplexing challenge of school turnaround or the rapid improvement of the lowest performing secondary schools Although there is some evidence that school turnaround policy can impact student achievement scores research across international contexts seldom identifies schools that substantially changed student learning trajectories and sustained them Separately many societies have found improving secondary schools a relatively intractable problem for multiple reasons including school size and complexity the micropolitics of teaching and leading within them and cumulative widening student achievement gaps In combination there are almost no examples of low performing secondary schools turning around The chapters in this book begin to offer some hope about how policymakers practitioners and researchers might begin to reconceptualize how they engage in and undertake the work of rapidly improving low performing secondary schools The authors provide theoretical and conceptual advancements offer lessons learned from both successful and unsuccessful initiatives and address practical issues with potentially accessible ways forward **Leading and Managing Continuing Professional Development** Peter Earley, Sara Bubb, 2004-03-22 This book gives an up to date picture of a rapidly changing field enhances understanding of continuing professional development and its potential to bring about change and development to improve the quality of teaching and learning in schools Leading & Managing Continuing

Professional Development Sara Bubb, Peter Earley, 2007-09-25 Praise for the first edition Peter Earley and Sara Bubb bring together in a very accessible way theoretical and practical aspects of CPD and suggest how leadership and management can be applied in this vital area of staff development This book will help co ordinators and school leaders to develop their most important resource the people who work with the children Richard Stainton Education Journal The most obvious target user for the book is the not rare person suddenly hoist with the staff development responsibility petard but thoughtfully used most staffrooms will include several people who could benefit from thinking about its contents and putting some of the ideas into practice British Journal Educational Technology This book is a welcome and practical guide to the wealth of publications on Continuing Professional Development M akes an excellent contribution to the current and widening debate on the nature of Continuing Professional Development For School Leadership Teams it is an essential resource and reference for the managing of professional development and learning It also serves as an excellent practical guide and CPD coordinators reading this book will find themselves questioning and as a result developing their own practice The book is written in accessible language using believable case studies to illustrate the wealth of research that has been carried out The deeply embedded notion among some teachers that professional development consists of the one day course is challenged and the reader is left in no doubt as to the range of opportunities that exist and need for them to be harnessed in order to ensure school improvement The book is will surely act as a catalyst for the review and development of CPD in schools Stephen Merrill Edge Hill College of Higher Education British Journal In Service Education A practical guide to all aspects of professional development which ought to be in the possession of every professional development coordinator in every primary and secondary school in the land and their colleagues in leadership teams Tim Brighouse TES Friday Magazine This new edition of a best selling book provides an up to date overview of Continuing Professional Development CPD combined with a guide to best practice Changes include expanded sections on the professional development of support staff and the wider school workforce particularly important in the light of workforce remodelling and the evaluation of CPD more on making sure that professional development has an impact and provides good value for money the common core of skills and knowledge for the children s workforce the new standards for qualified teacher status induction threshold excellent teachers and advanced skills teachers as well as those for higher level teaching assistants Drawing on the latest research the contents include a clear explanation of CPD and latest developments practical tips on how to lead and manage CPD for a range of staff in schools identifying training needs designing and implementing programmes and evaluating their impact detailed guidance on CPD for staff at different stages of their careers Written in a clear readable style it covers the latest standards and offers examples of current good practice It is an essential professional reference for all those responsible for leading and managing professional learning in schools headteachers deputies CPD and staff development coordinators and Local Authorities LAs It will also prove invaluable to training providers and universities
