The Power of Praying

Together Oliver W. Price, Foreword by John F Walvoord Veteran pastor Oliver W Price shares principles that will help believers rediscover the power of praying together in the presence of Christ Always Enough L. K. Craft,2006-06-20 As a child Sue Martin struggles to understand why her mother keeps her at a distance Always eavesdropping she hears her mother constantly referring to her as poor ol Sue This contributes to her low self esteem and leaves her feeling abnormal The story begins in the 1960 s and spans the most formative years of her life Possessing an intensity about everything Sue intellectually and emotionally matures at a young age Gary Waltham a student of art seeks to show her the beauty of the world Everything about him is a contrast to the turmoil and unrest inside her Very mature for their age they grow in love However one night while Sue is alone at a party her curiosity about alcohol leads to reckless drinking As her inhibitions diminish her repressed sexual desires quickly unfold This is the beginning of Sue s secret life of sexual exploration Slowly the reckless disregard for herself erodes her stability Seeking to sort life out at college Sue is stunned by the coldness and indifference of Dr Sarah McBride the Dean of Women Challenged by her demeanor Sue relentlessly breaks through her facade and discovers an amazing story of Sarah s character and strength to out live her sentence of death Unbeknownst to either of them their lives have a parallel reality and connection Sarah McBride now in her sixties is forced to look back at the great love story of her life meanwhile Sue is forced to cope with a devastating tragedy that reveals overwhelming evidence of a love beyond her comprehension **A Heritage of Faith** Juanita Nobles,2010-03-01 A Heritage of Faith shows the legacy of faith handed down through families Many incidents in the lives of the author and her family are told as she and her husband served Southern Baptist churches preaching and working to bring people to a saving relationship with Jesus The book shows how God can come into a person s life and change an entire family It shows how God used a man to go to churches that were dying and help them to begin to love and grow again It also outlines many of the methods he used as he pastored twelve Baptist churches in Missouri Texas and Florida to accomplish that purpose Many of the people they met are showcased in these sometimes hilarious sometimes poignant stories Christian families are not immune to worldly influences as is shown in the chapter that tells how the author and her husband learned that one of their sons is gay Neither are Christian families immune to great sorrow as is shown in the chapter about one of their daughters who experienced infertility

for many years A Heritage of Faith has stories of many hilarious things that happened in the author s family and in their churches as well as some serious decisions made by people they met along the way The author shows how a world wise man and a naive girl put their lives together and have served churches for fifty five years *Songs About Jenny* Thomas Darlington,2023-01-26 What if soulmates are real If so wouldn t God want them to find each other early in life Jason fell in love with Jenny the first time he saw her and in time she returned his love They knew from the very start they were soulmates They fell in love during high school while they were still innocent and they never moved on to other relationships They married at nineteen and shared a long life staying together through thick and thin Is their story too perfect too cliché to be believable Does it lack the pain tension drama and other elements expected of an epic romance Perhaps their story can serve as an example to the world showing others the value of innocence the beauty of commitment and the necessity of forgiveness Perhaps their story can bear witness to the power of pure young love nurtured throughout a lifetime As you turn the pages of this fictional soulmate memoir you will find answers to all these questions Your belief in soulmates will be rekindled And you too will fantasize about your innocent young love that was your profound true love that is or your awesome eternal love that may be Colorado School of Mines Magazine ,1917 *The Colorado School of Mines Magazine* ,1917

Reflections James O. Jeffers,2003-06-29 The book chronicles James Jeffers life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast **Journey Of Revenge** David Z. Price,2010-05-07 We must be very careful of how we raise our children If the wrong message is sent to the child the end result can be tragic Children are very impressionable and are born with the desire to please their parents It is a parent s responsibility to raise the child into adulthood in a proper manner There are no good templates to follow or precise instructions for the creation of a well rounded child That would be far too simple Parents must remember that a perfect child does not exist They also must remember that a child needs to be a child Each child is very different and each child requires special attention that can only be given by loving parents If but one parent or future parent reads this book and realizes the potential effect of their actions on a child and changes their parenting approach then I have done my job This novel reflects the effect of an overbearing abusive parent on a child The child Zeke possesses the ability to fully remember everything since he was three years old Zeke is both physically and mentally abused by a controlling mother Marie who is relentless in her quest to prove to the boy that he is evil and worthless Zeke grows up through childhood to believe that he is really the monster that his mother makes him out to be Zeke is driven to seclusion early in life by Marie He only feels safe when he is alone where nobody can see or touch him He is safe only in a world where he is the one in control and he makes the

decisions Zeke's father James is a workaholic and is seldom around to realize the abuse that goes on during his absence Marie uses James to administer punishment to the boy for infractions that are blown out of proportion by her anger toward the child The reality is that Marie never wanted the child and she blames James for the existence of the boy The truth is that James fears being at home with Marie as much as Zeke does The control and abuse doesn't stop with Zeke it also filters down to James The story follows Zeke through school where he is constantly in trouble with other children and school officials His punishment for his behavior is severe and his anger toward the world increases as each day passes In each case where he is wronged he must retaliate Zeke fully understands right from wrong but he can't control his anger and hatred He won't even try why should he His only friend in life Tony suffers a tragic death at a very young age and Zeke blames himself for not being able to save him He feels that if he had only listened to Tony that he could have saved him That guilt follows Zeke for the rest of his life He has his first romantic interlude at an early age with a young female neighbor His trust and ability to care about females is further damaged by the actions of this young lady Marie has laid the groundwork for Zeke to possess the power to hate when he is rejected He will not be controlled by anyone He will be the one who controls each situation Only Zeke's feelings matter anymore Zeke begins to suffer from reoccurring nightmares that haunt him almost daily He can't escape them and they continue to burn their way into his mind A faceless demon with a blood dripping dagger chases him relentlessly in his nightmares The nightmare intensifies over the years until one day he sees the face of the demon clearly During the story Zeke's life crosses the path of an undesirable vagrant named Whitey He proves to be an individual that needs to be dealt with Whitey is just another person who tries to control and abuse Zeke Zeke's quest to get even with Whitey takes him to a place in his mind that he will travel numerous times in the future Many chose to cross Zeke during his life and he comes up with unique ways to deal with these individuals Zeke believes that those who wrong him deserve to be punished and no punishment is too great for those who betray him Zeke escapes his life at home through the help of James only to find that life aw

Climbing Up Peter K. Massa, 2013-10-25 About the time Germany invaded Poland in 1939 there were some less important events taking place in the world From birth through the present one life that of the author is meaningful to others The years before the United States entered World War II That foundation was the beginning of my life on earth through the earliest good and bad the peaceful and prosperous and into adulthood time the author tells you of one life Climbing Up that will bring laughter fear love and even disdain to the reader

Travel Like a Millionaire Without Being One Sigrid Carter, 2018-11-21 Sigrid Carter's life story is worthy of becoming a movie This was true before she even turned thirty As an adventurous girl in her twenties she and three girlfriends from Germany trekked from Colorado to the Pacific coast of Panama where the group of friends took a canoe into the ocean got lost and found themselves surrounded by sharks just as bad weather set in Somehow they survived The tide carried them to the shores of Columbia where they spent time living with Indians Further into their exciting adventure they assisted biologists researching the Amazon rain forests

The chief of that US expedition later became Sigrid's husband. A Peruvian filmmaker did in fact turn the ordeal into a television movie, but before the girls had the chance to see the movie they were already in Chile, busy continuing the lives most of us can only imagine.
