Proehl,D. D. Kugler,Mark Lamos,Michael Lupu,2008 *Toward a Dramaturgical Sensibility* begins with a moment in Shakespeare's *Antony and Cleopatra* in which Cleopatra says to Antony Not know me yet With these four words Cleopatra poses a simple but fundamental human problem What can we know She and Antony have known each other for years at times

gloriously emotionally mentally and in the archaic sense of the word physically but still the challenge of knowing hangs in the air Cleopatra's question reminds us that knowledge is not simple that it is as likely to create yearning as satisfaction that it is not confined to any one part of the self that it is far from intellect alone It reminds us as do most great plays that life is part wonder part terror What we can know This study aimed at students teachers and theater artists suggests that the attempt to know the dramaturgy of a play is little different from the attempt to know another person for whom we care BOOK JACKET
