Translated from the Original Latin .. The Fourth Edition Emanuel Swedenborg,1797 *Worship in the Letter to the Hebrews* John Paul Heil,2011-10-17 This book seeks a more comprehensive understanding and appreciation for the Letter to the Hebrews by examining it from the viewpoint of its prominent theme of worship It aims to demonstrate the topic of worship in all of its rich and varied dimensions provides the major concern and thrust that embraces Hebrews from start to finish The author of Hebrews encourages his audience to hold on to the letter he has written to them as the word of the encouragement Heb 13 22 In a very carefully concerted and masterfully artistic way the letter persistently encourages the members of its audience with regard to their worship Indeed Hebrews was intended to be presented orally in a public performance as a liturgical or homiletic letter an act of worship in itself heard by its audience gathered together as a worshipping assembly Hebrews exhorts the members of its audience not only with regard to their liturgical worship in which they engage during their communal gatherings but also with regard to their ethical or moral worship in which they engage by the way they conduct themselves outside of their communal gatherings This close examination of Hebrews through the lens of worship is intended to inform and enrich the worship of

Righteousness Jeffrey J. Niehaus,2023-10-11 The first volume of this three volume work reviews the history of efforts to define biblical righteousness Modern views are engaged and critiqued from the seminal article 1860 by Ludwig Diestel God's righteousness as the agreement of his will and purpose to others in the theological stream known as the New Perspective Scholars discussed include Walther Eichrodt Gerhard von Rad Elizabeth Achtemeier James D G Dunn and N T Wright Other perspectives are also engaged including H H Schmid's definition of righteousness as conformity to the created order Weltordnung John Piper's view that God's righteousness is God's concern for his own glory and the traditional view championed by C L Irons that God's righteousness is his iustitia distributiva The author examines these views all of which have been supported by inductive studies in light of a proposed alternative that righteousness is conformity to God's Being and doing That definition will be explored further in Volumes II OT and III NT Unlike previous studies the present work proceeds deductively and experimentally and thereby seeks to avoid the pitfalls of a dogmatic approach Extra biblical patristic medieval and reformation views of righteousness are also considered as background to the modern study of righteousness

Light in Darkness Alyssa Lyra Pitstick,2007-02-12 He descended into hell Hans Urs von Balthasar one of the most influential theologians of the twentieth century placed this affirmation of the Nicene Creed at the heart of his reflection on the world altering events of Holy Week asserting that this identification of God with the human experience is at the absolute center of the Christian faith Yet is such a descent to suffering really the essence of Catholic belief about the mystery of Holy Saturday Alyssa Lyra Pitstick's Light in Darkness the first comprehensive treatment of Balthasar's theology of Holy Saturday draws on the multiple yet unified resources of authoritative Catholic teaching on Christ's descent to challenge Balthasar's conclusions Pitstick conducts a thorough investigation of Balthasar's position that Christ suffered in his descent into hell and asks whether that is compatible with traditional teaching about Christ Light in Darkness is a thorough argument for the existence and authority of a traditional Catholic doctrine of Christ's descent as manifested in creeds statements of popes and councils Scripture and art from Eastern and Western traditions Pitstick's carefully argued contrarian work is sure to spur debate across the theological spectrum
