Dill of the Nile William Griffin,2011-03-02 Literature about the wise men from the east is wide and varied The first three bearing gold frankincense and myrrh arrived a few years late A fourth after a trek of thirty three years arrived just moments before Jesus died on the cross The fifth the subject of this novel arrived early just moments after Mary of Nazareth conceived At that time the world was thought to be at peace and well it may have been but it was a total and absolute mess It is through this mess and with clouds as uncertain guides that Dill of the Nile slogged from Babylon to Nazareth in hope of finding a celebrity birth Instead he found himself bewildered and exhausted and was about to turn back when he heard a scream and saw a young woman running toward him The novel is about the trip in 50 chapters a perilous passage during which Dill finds himself in desperate situations with disparate characters Along the way there is much satire about things old and new a history of comedy mainly Jewish a conversion from many gods to one God a critique of atheism and atheists a love story between Dill and his wife lasting ten years after her murderous death a region occupied by the Roman Empire and ruled by a client king rare moments of reverence and piety a jaunty text in several languages In the end the novel has everything but elephants and that would include two unusual camels DILL OF THE NILE is a modern novel about ancient events that seem to have occurred last week last month last year Its meant to entertain even though it makes a point or two along the way Caution This is not a childrens book its for adults only Fashion 101 Erika Stalder,2008-05-01 Each year we spend hours shopping and getting dressed but do we ever think about what we re wearing What s the name of the style of your shirt Who invented your favorite jeans cut Who made your baby doll nightie famous There is a story behind every piece of clothing and with Fashion 101 you ll learn those stories and more Where did the miniskirt come from Why has the military had a stronger influence on fashion than Audrey Hepburn How do denim makers work those perfect whiskers into your worn out jeans Filled with tons of intriguing factoids about designers and celebrities and more than 300 illustrations Fashion 101 offers the total scoop on underwear outerwear accessories and everything in between With this crash course you ll learn not only how to put together smarter looks but also how to become a fashion expert in the process Lord Fear Lucas Mann,2016-04-05 Lucas Mann was only thirteen years old when his brother Josh charismatic and ambitious funny and sadistic violent and vulnerable died of a heroin overdose Although his brief life is ultimately unknowable Josh is both a presence and an absence in the author s life that will not remain unclaimed As Josh s story is told in kaleidoscopic shards of memories assembled from interviews with his friends and family as well as from the raw material of his journals a revealing startling portrait unfolds At the same time Mann pulls back to examine his own complicated feelings and motives for recovering memories of his brother

s life searching for a balance between the tension of inevitability and the what ifs that beg to be asked Through his investigation Mann also comes to redefine his own place in a family whose narrative is bisected by the tragic loss Unstinting in its honesty captivating in its form and profound in its conclusions Lord Fear more than confirms the promise of Mann s earlier book Class A with it he is poised to enter the ranks of the best young writers of his generation
