**Jesus** Rob Reimer,2023-09-26 The world is a broken place marred by evil and evil s influence impacts us all It is often difficult for people to grasp what God is like in a world such as ours Jesus shows us the heart of God in a world of heartache He is the most beautiful compelling tender person who has lived Jesus is the radiance of God s glory He shines forth what God is like He is a beacon of light that cuts through the darkness of evil and radiates the goodness of God He is the exact representation of God the Father If you want to know what God is like look to Jesus Don t look through the lens of evil or the lenses of either the church or religion Look to Jesus That is why He came The world is not an exact representation of God The church is not an exact representation of God Jesus is He came to freshly present what the Father is like to those of us who are spiritually impaired by a world of suffering The Tenderness of Jesus in many ways is my most personal book to date I invite you to listen in as I write to my four young adult children about the tenderness of Jesus Christ Come sit with us around the dinner table May this fresh glimpse of Jesus heal your broken heart and reignite your spiritual fervor Sanctification by Faith Elizabeth Stuefen,2004-12 This bible study is perfect for individuals or groups It is a timeless subject in the format of practical experiential theology for growing and struggling Christians The main focus is identification truths crucified with Christ dead to self and alive in resurrection power in the form of lessons on how these become a reality in a believer s life through faith There are ample Scripture verses to support conclusions with an emphasis on brokenness as the prerequisite to experience the fullness of grace Most believers try to hide their weakness instead of embracing it as the source of abiding in Christ as their strength The book chronicles the author s own wilderness experience and her resulting freedom Overcoming the clinical depression that gripped her involved learning to deal with cumulative stress but more importantly claiming the principles set forth in this study regarding the battle of the flesh against the Spirit Grit to Stay Grace to Go Sue Eenigenburg,Eva Burkholder,2023-05-30 Don t Leave Too Soon Don t Stay Too Long Staying isn t always good and leaving isn t always bad Both require grit and grace Cross cultural ministry presents us with many difficulties like transitions

loneliness messy relationships and the desire to escape The lies we believe tempt us to leave our work too soon But nothing tests our resolve to stay like seeing others go Grit to Stay Grace to Go normalizes the challenges of ministry through honest and humorous stories from the authors own lives as well as testimonies from many other workers The point is to help cross cultural workers not just to stay but to stay well by countering lies with truth This workbook provides thoughtful reflection questions practical action steps and suggested prayers It encourages stayers to process their grief guilt and relief when saying goodbye to goers In this way they can move forward with forgiveness and humility and truly bless the departing ones Those considering leaving will find poignant questions and spiritual practices to help them make an intentional not reactive decision Are you considering leaving the field Or do you know someone who is Work through this book by yourself or with others You will gain wisdom to help workers develop grit and grace to stay or go
