

SENTO AT SIXTH AND MAIN GAIL DUBROW WITH DONNA GRAVES

Sento At Sixth And Main

Donald A. Ritchie

Sento At Sixth And Main:

Sento at Sixth and Main Gail Lee Dubrow, Donna Graves, 2002 The Hashidate Yu a Japanese style public bathhouse or sento gave Japanese immigrants and their families a chance to relax and socialize at the corner of Sixth and South Main Streets in Seattle the heart of the area known as Nihonmachi or Japantown There used to be hundreds of bathhouses in Japanese American communities across the United States but the Hashidate Yu carefully preserved in recent years is one of only two of these historic sento that have survived The details found there are poignant reminders of daily life in Japanese America prior to internment during World War II 3 Sento at Sixth and Main combines in depth research on historic places personal memories and striking vintage photographs to showcase once familiar parts of Japanese American life bathhouses community halls farms lumber camps temples schools hospitals midwiferies and bowling alleys This exploration of a previously undocumented architectural heritage weaves the loose thread of Japanese American history back into the fabric of public memory Focusing on ten places significant in Japanese American heritage located in Seattle Auburn and Sellick in Washington and Sebastopol San Jose and Los Angeles in California 3 Sento at Sixth and Main also calls attention to the many landmarks awaiting further study and protection Gail Dubrow is an associate professor in the College of Architecture and Urban Planning at the University of Washington and director of the Preservation Planning and Design Program She is co editor of 3 Restoring Women's History through Historic Preservation Donna Graves is a writer and cultural planner in Berkeley California

Sento at Sixth and Main Gail Lee Dubrow, Donna Graves, 2002 *Nikkei in the Pacific Northwest* Louis Fiset, Gail M. Nomura, 2011-10-01 Challenging the notion that Nikkei individuals before and during World War II were helpless pawns manipulated by forces beyond their control the diverse essays in this rich collection focus on the theme of resistance within Japanese American and Japanese Canadian communities to twentieth century political cultural and legal discrimination They illustrate how Nikkei groups were mobilized to fight discrimination through assertive legal challenges community participation skillful print publicity and political and economic organization Comprised of all new and original research this is the first anthology to highlight the contributions and histories of Nikkei within the entire Pacific Northwest including British Columbia

Cartographies of Violence Mona Oikawa, 2012-09-10 In 1942 the federal government expelled more than 22 000 Japanese Canadians from their homes in British Columbia From 1942 to 1949 they were dispossessed sent to incarceration sites and dispersed across Canada Over 4 000 were deported to Japan Cartographies of Violence analyses the effects of these processes for some Japanese Canadian women Using critical race feminist anti colonial and cultural geographic theory Mona Oikawa deconstructs prevalent images stereotypes and language used to describe the Internment in ways that masks its inherent violence Through interviews with women survivors and their daughters Oikawa analyses recurring themes of racism and resistance as well as the struggle to communicate what happened Disturbing and provocative Cartographies of Violence explores women's memories in order to map the effects of forced displacements incarcerations and

the separations of family friends and communities

Charting the Emerging Field of Japanese Diaspora Archaeology

Douglas E. Ross, Koji Lau-Ozawa, 2023-04-29 This book examines the Japanese diaspora from the historical archaeology perspective drawing from archaeological data archival research and often oral history and explores current trends in archaeological scholarship while also looking at new methodological and theoretical directions The chapters include research on pre War rural labor camps or villages in the US as well as research on western Canada British Columbia Peru and the Pacific Islands Hawai i and Tinian incorporating work on understudied urban and cemetery sites One of the main themes explored in the book is patterns of cultural persistence and change whether couched in terms of maintenance of tradition Americanization or the formation of dual identities Other themes emerging from these chapters include consumption agency stylistic analysis community lifecycles social networks diaspora and transnationalism gender and sexuality Also included are discussions of trauma racialization displacement labor heritage and community engagement Some are presented as fully formed interpretive frameworks with substantial supporting data while others are works in progress or tentative attempts to push the boundaries of our field into innovative new territory This book is of interest to students and researchers in historical archaeology anthropology sociology of migration diaspora studies and historiography Previously published in International Journal of Historical Archaeology Volume 25 issue 3 September 2021

The Bathroom Alison K. Hoagland, 2018-08-24

This book gives a complete history of the American bathroom and describes how the smallest yet most complex room in the American house is at the nexus of personal behavior and public investment The Bathroom A Social History of Cleanliness and the Body is the first scholarly treatment of the American bathroom as a space in the house through nearly two centuries After a brief nod to precedents set by other countries and to elements of the bathroom that may be placed in different parts of the house this book traces the development of the bathroom in the American house since the Civil War when the bathroom began to take shape The bathroom is considered in light of many socially relevant themes such as cleanliness sanitation technology and consumerism Taken as a whole the book bridges the gap between the public and private infrastructure of the bathroom and reveals the ways in which the space transforms its occupants into consumers Its language is jargon free making it ideal for students general readers and researchers

Altered Lives,

Enduring Community Stephen S. Fugita, Marilyn Fernandez, 2011-10-01

Altered Lives Enduring Community examines the long term effects on Japanese Americans of their World War II experiences forced removal from their Pacific Coast homes incarceration in desolate government camps and ultimate resettlement As part of Seattle s Densho Japanese American Legacy Project the authors collected interviews and survey data from Japanese Americans now living in King County

Washington who were imprisoned during World War II Their clear eyed often poignant account presents the contemporary post redress perspectives of former incarcerated on their experiences and the consequences for their life course Using descriptive material that personalizes and contextualizes the data the authors show how prewar socioeconomic networks and the specific characteristics of the incarceration experience affected Japanese American readjustment in the postwar era Topics explored include the effects of incarceration and resettlement on social relationships and community structure educational and occupational trajectories marriage and childbearing and military service and draft resistance The consequences of initial resettlement location and religious orientation are also examined *Asian Reflections on the American Landscape* Brian D. Joyner,2005 *Oral History and Public Memories* Paula Hamilton,Linda Shopes,2009-08-21 Understanding how individual perspectives on history build collective memory **The Atomic Bomb and American Society** Rosemary B. Mariner,G. Kurt Piehler,2009 Drawing on the latest research on the atomic bomb and its history the contributors to this provocative collection of eighteen essays set out to answer two key questions First how did the atomic bomb a product of unprecedented technological innovation rapid industrial scale manufacturing and unparalleled military deployment shape U S foreign policy the communities of workers who produced it and society as a whole And second how has American society s perception that the the bomb is a means of military deterrence in the Cold War era evolve under the influence of mass media scientists public intellectuals and even the entertainment industry In answering these questions The Atomic Bomb and American Society sheds light on the collaboration of science and the military in creating the bomb the role of women working at Los Alamos the transformation of nuclear physicists into public intellectuals as the reality of the bomb came into widespread consciousness the revolutionary change in military strategy following the invention of the bomb and the development of Cold War ideology the image of the bomb that was conveyed in the popular media and the connection of the bomb to the commemoration of World War II As it illuminates the cultural social political environmental and historical effects of the creation of the atomic bomb this volume contributes to our understanding of how democratic institutions can coexist with a technology that affects everyone even if only a few are empowered to manage it Rosemary B Mariner is formerly Joint Chiefs of Staff Chair and Professor of Military Studies for the National War College She is currently a lecturer in history at the University of Tennessee Knoxville G Kurt Piehler is associate professor of history and former director of the Center for the Study of War and Society at the University of Tennessee Knoxville which hosted the conference that formed the basis of this volume He is the author of Remembering War the American Way and World War II in the American Soldiers Lives Series as well as the coeditor with John Whiteclay Chambers II of Major Problems in American Military History

Restoring Women's History Through Historic Preservation Gail Lee Dubrow,Jennifer B. Goodman,2003-01-28 This essay collection draws upon work presented at three national conferences on women and historic preservation held at Bryn Mawr College in 1994 Arizona State University in 1997 and at Mount Vernon College in 2000 **Shaping Seattle**

Architecture Jeffrey Karl Ochsner, 2016-06-01 The first edition of *Shaping Seattle Architecture* published in 1994 introduced readers to Seattle's architects by showcasing the work of those who were instrumental in creating the region's built environment. Twenty years later the second edition updates and expands the original with new information and illustrations that provide an even richer exploration of Seattle architecture. The book begins with a revised introduction that brings the story of Seattle architecture into the twenty-first century and situates developments in Seattle building design within local and global contexts. The book's fifty-four essays present richly illustrated profiles that describe the architects' careers, provide an overview of their major works, and explore their significance. *Shaping Seattle Architecture* celebrates a wide range of people who helped form the region's built environment. It provides updated information about many of the architects and firms profiled in the first edition. Four individuals newly included in this second edition are Edwin J. Ivey, a leading residential designer; Fred Bassetti, an important contributor to Northwest regional modernism; L. Jane Hastings, one of the region's foremost women in architecture; and Richard Haag, founder of the landscape architecture program at the University of Washington and designer of Gas Works Park and the Bloedel Reserve. The book also includes essays on the buildings of the Coast Salish people who inhabited Puget Sound prior to Euro-American settlement; the role that architects played in speculative housing developments before and after World War II; and the vernacular architecture built by nonprofessionals that makes up a portion of the fabric of the city. *Shaping Seattle Architecture* concludes with a substantial reference section updated to reflect the last twenty years of research and publications. A locations appendix offers a geographic guide to surviving works. The research section directs interested readers to further resources, and the appendix *Additional Significant Seattle Architects* provides thumbnail sketches of nearly 250 important figures not included in the main text. **An**

Archaeology of Asian Transnationalism Douglas E. Ross, 2013-10-22 In the early twentieth century an industrial salmon cannery thrived along the Fraser River in British Columbia. Chinese factory workers lived in an adjoining bunkhouse, and Japanese fishermen lived with their families in a nearby camp. Today the complex is nearly gone, and the site overgrown with vegetation, but artifacts from these immigrant communities linger just beneath the surface. In this groundbreaking comparative archaeological study of Asian immigrants in North America, Douglas Ross excavates the Ewen Cannery to explore how its immigrant workers formed a new cultural identity in the face of dramatic displacement. Ross demonstrates how some homeland practices persisted while others changed in response to new contextual factors reflecting the complexity of migrant experiences. Instead of treating ethnicity as a bounded, stable category, Ross shows that ethnic identity is shaped and transformed as cultural traditions from home and host societies come together in the context of local choices, structural constraints, and consumer society. Unthinking Collaboration A. Carly Buxton, 2022-03-31 *Unthinking Collaboration* uncovers the little-known history of Japanese Americans who weathered the years of World War II on Japanese soil. Severed from the country of their birth when the attack on Pearl Harbor abruptly halted all passenger traffic on the Pacific, these

Nisei faced the years of total war as members of the Japanese populace yet as the target of anti American propaganda and suspicion Whereas their white American counterparts were sequestered by Japanese authorities placed on house arrest or sent home on exchange ships during the war American Nisei in Japan were left to contribute to the war effort alongside their Japanese neighbors as soldiers cryptographers interpreters and in farming and manufacturing When the dust of air raid bombings cleared many such Nisei transitioned into roles in service of the Allied occupation and its goals of democratization and demilitarization As censors translators interpreters and administrative staff they played integral roles in facilitating American Japanese interaction as well as in shaping policies and public opinion in the postwar era Weaving archival data with oral histories personal narratives material culture and fiction *Unthinking Collaboration* emphasizes the heterogeneity of Japanese immigrant experiences and sheds light on broader issues of identity race and performance of individuals growing up in a bicultural or multicultural context By distancing collaboration from its default elision with moral judgment and by incorporating contemporary findings from psychology and behavioral science about the power of the subconscious mind to influence human behavior author A Carly Buxton offers an alternative approach to history one that posits historical subjects as deeply embedded in the realities of their physical and discursive environment *Walking beside Nisei* as they navigate their everyday lives in transwar Japan readers unthink long held assumptions about the actions and decisions of individuals as represented in history The result is an ambitious historical study that speaks to readers who are interested in broader questions of race and trust empire building World War II and its legacy on both the Western and Pacific fronts and to all who consider questions of loyalty treason assimilation and collaboration

Commemoration in America David Gobel, Daves Rossell, 2013-09-03 Commemoration lies at the poetic historiographic and social heart of human community It is how societies define themselves and is central to the institution of the city Addressing the complex ways that monuments in the United States have been imagined created and perceived from the colonial period to the present *Commemoration in America* is a wide ranging volume that focuses on the role of remembrance and memorialization in American urban life The volume's contributors are drawn from a spectrum of disciplines social and urban history urban planning architecture art history preservation and architectural history and take a broad view of commemoration In addition to the making of traditional monuments the essays explore such commemorative acts as building preservation biography portraiture ritual performance street naming and the planting of trees Providing an overview of American memorialization and the impulses behind it *Commemoration in America* emphasizes a universal tendency for individuals and groups to use monuments to define their contemporary social identity and to construct historical narratives The volume shows that while commemorative acts and objects affect the community in fundamental ways their meaning is always multivalent and conflicted attesting to both triumphs and tragedies Constituting a vital part of both individual and national identity commemoration's contradictions strike at the core of American identity and speak to the importance of remembrance in the construction of our diverse

Home Lands Virginia Scharff, Carolyn Brucken, 2010-05-18 The storybook history of the American West is a male dominated narrative of drifters dreamers hucksters and heroes a tale that relegates women assuming they appear at all to the distant background Home Lands How Women Made the West upends this view to remember the West as a place of homes and habitations brought into being by the women who lived there Virginia Scharff and Carolyn Brucken consider history's long span as they explore the ways in which women encountered and transformed three different archetypal Western landscapes the Rio Arriba of northern New Mexico the Front Range of Colorado and the Puget Sound waterscape This beautiful book companion volume to the Autry National Center's pathbreaking exhibit is a brilliant aggregate of women's history the history of the American West and studies in material culture While linking each of these places peoples to one another over hundreds even thousands of years Home Lands vividly reimagines the West as a setting in which home has been created out of differing notions of dwelling and family and differing concepts of property community and history Copub Autry National Center of the American West

The Pacific Region Jan Goggans, Aaron DiFranco, 2004-12-30 Robert Penn Warren once wrote West is where we all plan to go some day and indeed images of the westernmost United States provide a mythic horizon to American cultural landscape While the five states California Oregon Washington Alaska and Hawai'i which touch Pacific waters do share commonalities within the history of westward expansion the peoples who settled the region and the indigenous peoples they encountered have created spheres of culture that defy simple categorization This wide ranging reference volume explores the marvelously eclectic cultures that define the Pacific region From the music and fashion of the Pacific northwest to the film industry and surfing subcultures of southern California from the vast expanses of the Alaskan wilderness to the schisms between native and tourist culture in Hawai'i this unprecedented reference provides a detailed and fascinating look at American regionalism along the Pacific Rim The Greenwood Encyclopedia of American Regional Cultures is the first rigorous reference collection on the many ways in which American identity has been defined by its regions and its people Each of its eight regional volumes presents thoroughly researched narrative chapters on Architecture Art Ecology Ethnicity Fashion Film Folklore Food Language Literature Music Religion and Sports Recreation Each book also includes a volume specific introduction as well as a series foreword by noted regional scholar and former National Endowment for the Humanities Chairman William Ferris who served as consulting editor for this encyclopedia

Becoming Nisei Lisa M. Hoffman, Mary L.

Hanneman,2020-12-31 A vital account of everyday Nisei life and identity formation in an early twentieth century community Tacoma's vibrant Nihonmachi of the 1920s and 30s was home to a significant number of first generation Japanese immigrants and their second generation American children and these families formed tight knit bonds despite their diverse religious prefectural and economic backgrounds As the city's Nisei grew up attending the secular Japanese Language School they absorbed the Meiji era cultural practices and ethics of the previous generation At the same time they positioned themselves in new and dynamic ways including resisting their parents and pursuing lives that diverged from traditional expectations Becoming Nisei based on more than forty interviews shares stories of growing up in Japanese American Tacoma before the incarceration Recording these early twentieth century lives counteracts the structural forgetting and erasure of prewar histories in both Tacoma and many other urban settings after World War II Lisa Hoffman and Mary Hanneman underscore both the agency of Nisei in these processes as well as their negotiations of prevailing social and power relations

Sento At Sixth And Main Introduction

In today's digital age, the availability of Sento At Sixth And Main books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sento At Sixth And Main books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sento At Sixth And Main books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sento At Sixth And Main versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sento At Sixth And Main books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sento At Sixth And Main books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sento At Sixth And Main books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sento At Sixth And Main books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sento At Sixth And Main books and manuals for download and embark on your journey of knowledge?

FAQs About Sento At Sixth And Main Books

What is a Sento At Sixth And Main PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sento At Sixth And Main PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sento At Sixth And Main PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sento At Sixth And Main PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sento At Sixth And Main PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and

editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
