Yeo, 2014-03-01 In *Notebooks English Virtuosi and Early Modern Science* Richard Yeo interprets a relatively unexplored set of primary archival sources the notes and notebooks of some of the leading figures of the Scientific Revolution Notebooks were important to several key members of the Royal Society of London including Robert Boyle John Evelyn Robert Hooke John Locke and others who drew on Renaissance humanist techniques of excerpting from texts to build storehouses of proverbs maxims quotations and other material in personal notebooks or commonplace books Yeo shows that these men appreciated the value of their own notes both as powerful tools for personal recollection and following Francis Bacon as a system of precise record keeping from which they could retrieve large quantities of detailed information for collaboration The virtuosi of the seventeenth century were also able to reach beyond Bacon and the humanists drawing inspiration from the ancient Hippocratic medical tradition and its emphasis on the gradual accumulation of information over time By reflecting on the interaction of memory notebooks and other records Yeo argues the English virtuosi shaped an ethos of long term empirical scientific inquiry **Journals** Allen Ginsberg, 2007-12-01 In the 1950s and early 1960s Allen Ginsberg and his

Тарнопольський О. Б., General English Creating Calm Classrooms Andrew Kulemeka, 2019-07-12 Creating Calm Classrooms presents easy to follow and guaranteed to succeed strategies teacher behaviors and class management practices that the author successfully deployed to create oases of peace and tranquility in his classrooms in more than twenty years of teaching in urban schools The methods contained in this book can enable any teacher regardless of lack of experience to create calm classroom environments in which teaching and learning flourish without the strenuous stresses of students misbehavior Unlike most books on classroom management Creating Calm Classrooms is not espousing a narrow academic theory on classroom management arrived at through a narrowly focused study carried over a year or two This book is a rich distillation of knowledge gathered examined and refined in more than two decades of teaching The teacher behaviors management practices and students reactions described here yielded classrooms for the author where he was always able to teach and the students were also always ready to learn It is not an exaggeration that this is the kind of knowledge that every

teacher in the USA should have before he or she steps into a classroom to teach **Agents of Integration** Rebecca S. Nowacek, 2011-11-02 The question of how students transfer knowledge is an important one as it addresses the larger issue of the educational experience In *Agents of Integration: Understanding Transfer as a Rhetorical Act* Rebecca S Nowacek explores through a series of case studies the issue of transfer by asking what in an educational setting engages students to become agents of integration individuals actively working to perceive as well as to convey effectively to others the connections they make While many studies of transfer are longitudinal with data collected over several years Nowacek's is synchronous a rich cross section of the writing and classroom discussions produced by a team taught learning community three professors and eighteen students enrolled in a one semester general education interdisciplinary humanities seminar that consisted of three linked courses in history literature and religious studies With extensive field notes carefully selected student and teacher self reports in the form of interviews and focus groups and thorough examinations of recorded classroom discussions student papers with professor comments and student notebooks Nowacek presents a nuanced and engaging analysis that outlines how transfer is not simply a cognitive act but a rhetorical one that involves both seeing connections and presenting them to the instructors who are institutionally positioned to recognize and value them Considering the challenges facing instructors teaching for transfer and the transfer of writing related knowledge Nowacek develops and outlines a new theoretical framework and methodological model of transfer and illustrates the practical implications through case studies and other classroom examples She proposes transfer is best understood as an act of recontextualization and she builds on this premise throughout the book by drawing from previous work in cognitive psychology activity theory and rhetorical genre theory as well as her own analyses of student work This focused examination complements existing longitudinal studies and will help readers better understand not only the opportunities and challenges confronting students as they work to become agents of integration but also the challenges facing instructors as they seek to support that student work *Aesthetic and Performative Dimensions of Alevi Cultural Heritage* Martin Greve, Ulas Özdemir, Raoul Motika, 2020-04-30 In diesem Band werden die ästhetischen und performativen Dimensionen des alevitischen Kulturerbes in Vergangenheit und Gegenwart in einem interdisziplinären Rahmen untersucht Die Beiträge analysieren traditionelle wie gegenwärtige Entwicklungen im alevitischen Kulturleben lokale wie transnationale Praktiken und berücksichtigen dabei Textquellen moderne Adaptionen wie auch Materialität Die Herangehensweisen der in unterschiedlichen Fachbereichen tätigen AutorInnen darunter Robert Langer Nicolas Elias Sinibaldo De Rosa Jérôme Cler Judith Haug und Janina Karolewski belegen die Komplexität der soziohistorischen und sozio kulturellen Dynamiken Der vorliegende Band soll Zugang gewähren zu einer komplexen Thematik die zweifellos weitere Forschungen und Analysen verdient **A Study of Biology Notebook Work in New York State** Don Otto Baird, 1929 **Beginning Microsoft Office 2010** Guy Hart-Davis, 2011-01-11 This book is a practical step by step guide to getting started with Microsoft Office 2010 You'll learn how to create and edit essential office files documents spreadsheets
