**The Miss America Family** Julianna Baggott, 2002-04-09 *The Miss America Family* In this stunning follow up to the acclaimed *Girl Talk* a fading beauty pageant veteran and her sixteen year old son team up as the delightfully nimble co-chroniclers of one family's soulful mordantly funny remembrance of things past With her irreverent evocation of suburban dissolution Julianna Baggott gives us a fictional world whose emotional complexity and comedic dysfunction closely resemble our own It's 1987 in Greenville Delaware Ezra Stocker is the son of an insomniac ex Miss New Jersey named Pixie and a gay absentee father the stepson of an ex quarterback dentist with a taste for turtle patterned golf pants and the grandson of a superstitious stroke addled woman with a passion for birds and some truly odd notions about fish and the family ancestry He has created for himself a specific goal this summer vacation to make a list of Rules to Live By his own set of guidelines to take him through life A boy whose chief distinguishing traits include webbed toes and a knack for standardized aptitude tests Ezra has no reason to expect that by the end of this particular summer due largely to a doomed romance with a wealthy podiatrist's daughter and a fateful episode with a gun every one of those rules will be tossed out the window It's 1987 in Greenville Delaware but Pixie Stocker is consumed by the past When she was Ezra's age she too sought the secret rules and how to's for negotiating life and attaining her dream of the all American family Pixie had found her answers in the comfortingly black and white strictures of Emily Post and later in the rigid absolutes of the beauty pageant circuit Such certainties have long since vanished replaced by the relentless haunting of her memory and the ceaseless reverberations of a long ago act of brutal violation When Ezra's grandmother disoriented from her stroke reveals to her daughter an explosive and longburied family secret she spurs Pixie toward a series of bizarre and dangerous choices in an endeavor to reclaim her tragic past and for better or worse start anew In the pages of *The Miss America Family* Julianna Baggott creates as unique a voice and as idiosyncratic a sensibility as any novelist has managed in years extending her range and craft with dazzling high wire mixtures of absurdity and pathos hilarity and darkness
