September 11 Consequences For Canada

Barry Wright, Eric Tucker, Susan Binnie

September 11 Consequences For Canada:

The 9/11 Effect Kent Roach, 2011-08-15 This book critically and comparatively examines the responses of the United Nations and a range of countries to the terror attacks on September 11 2001 It assesses the convergence between the responses of Western democracies including the United States the United Kingdom Australia and Canada with countries with more experience with terrorism including Egypt Syria Israel Singapore and Indonesia A number of common themes the use of criminal law and immigration law the regulation of speech associated with terrorism the review of the state's whole of government counter terrorism activities and the development of national security policies are discussed The book provides a critical take on how the United Nations promoted terrorism financing laws and listing processes and the regulation of speech associated with terrorism but failed to agree on a definition of terrorism or the importance of respecting human rights while combating terrorism

September 11' Kent Roach, 2003 The author examines the consequences of September 11 in Canada including an assessment of anti terrorism measures such as the Anti terrorism Act the Smart Border agreement Canadian participation in the war in Afghanistan changes to refugee policy the 2001 Security Budget and the proposed Public Safety Act He also looks at opposition the Anti terrorism Act warns that exceptions to legal principles made to fight terrorism may spread to attempts to combat other crimes and suggests that Canadian law may not provide adequate protection against invasions of privacy or discriminatory profiling of people as potential terrorists Other topics covered include the challenge September 11 presents for Canadian sovereignty on key components of foreign military and immigration policy the possibility that Canadian Forces participated in violations of international law in Afghanistan the threat of nuclear and biological terrorism and aviation safety

Canada and September 11 George Melnyk, Karim-Aly S. Kassam, Lynne Perras, 2002 The events of September 11 2001 left 3 000 Americans dead and resulted in the War on Terror which Canada joined After the initial shock and disbelief over what had happened personal and public responses ranged from deep sympathy for the victims to an acknowledgement that the U S had finally tasted the kind of horror that many other countries in the world have experienced A debate ensued in Canada about the kind of response the country should undertake about the explanations for the events and the implications new security and surveillance measures would have for established freedoms and the values of civil society

Immigration Policy and the Terrorist Threat in Canada and the United States Alexander Moens, Martin Collacott, 2008 In June 2007 the Fraser Institute held a conference in Toronto Ontario titled Immigration Policy Border Controls and the Terrorist Threat In Canada and the United States The chapters in this volume which arose from this conference raise fundamental questions about weaknesses in Canada's current immigration policies and procedures The contributors to this volume identify serious threats and weaknesses in the immigration asylum and border regimes from both Canadian and American perspectives The authors are not opposed to effectively managed immigration or allowing genuine refugees who pose no security threat to enter the country through a well vetted system All believe that the vast majority of

immigrants pose no danger but are simply seeking to improve their freedom and prosperity Nevertheless given the stakes raised by terrorist attacks the entry of even a small number of potentially dangerous individuals should warrant major attention and policy review

BOOK JACKET Canadian State Trials, Volume IV Barry Wright, Eric Tucker, Susan Binnie, 2015-11-26 The fourth volume in the Canadian State Trials series examines the legal issues surrounding perceived security threats and the repression of dissent from the outset of World War One through the Great Depression War prompted the development of new government powers and raised questions about citizenship and Canadian identity while the ensuing interwar years brought serious economic challenges and unprecedented tensions between labour and capital The chapters in this edited collection written by leading scholars in numerous fields examine the treatment of enemy aliens conscription and courts martial sedition prosecutions during the war and after the Winnipeg General Strike and the application of Criminal Code and Immigration Act laws to Communist Party leaders On to Ottawa Trekkers and minority groups These historical events shed light on contemporary dilemmas What are the limits of dissent in war emergencies and economic crisis What limits should be placed on government responses to real and perceived challenges to its authority Liberal Democracies and the Torture of Their Citizens Cynthia Banham, 2017-02-09 This book analyses and compares how the USA's liberal allies responded to the use of torture against their citizens after 9/11 Did they resist tolerate or support the Bush Administration's policies concerning the mistreatment of detainees when their own citizens were implicated and what were the reasons for their actions Australia the UK and Canada are liberal democracies sharing similar political cultures values and alliances with America yet they behaved differently when their citizens caught up in the War on Terror were tortured How states responded to citizens human rights claims and predicaments was shaped in part by demands for accountability placed on the executive government by domestic actors This book argues that civil society actors in particular were influenced by nuanced differences in their national political and legal contexts that enabled or constrained human rights activism It maps the conditions under which individuals and groups were more or less likely to become engaged when fellow citizens were tortured focusing on national rights culture the domestic legal and political human rights framework and political opportunities

The Handbook of Ethnic Media in Canada Daniel Ahadi, Sherry S. Yu, Ahmed Al-Rawi, 2023-12-15 Ethnic minority groups in Canada have set up their own communication infrastructure that has evolved over time from the analog to the digital age and continues to remain relevant across generations Offering a reassessment of contemporary media outlets The Handbook of Ethnic Media in Canada asks how ethnic media have changed why they continue to be relevant and what impact this media sector has on ethnocultural communities as well as broader society Building on past studies that highlight particular functions of ethnic media publishing information that is vital to settlement and civic engagement and providing an alternative to mainstream media among others this volume generates insights on new dynamics of the ethnic media sector that are prevalent in the digital age Contributors re-examine theoretical and methodological approaches to ethnic media

research explore the practices of ethnic media along cultural linguistic and religious lines and interrogate the policies that affect ethnic media production and consumption At its core the question of how Canadians engage with ethnic media is a question about what this media sector means for the sociocultural economic and political integration of Canadians both majority and minority and Canada s race relations The Handbook of Ethnic Media in Canada provides a rich resource for anyone concerned about the role media plays in the complex relationship between ethnicity race belonging and marginality

Reading between the Borderlines Gillian Roberts,2018-12-30 Is Superman Canadian Who decides and what is at stake in such a question How is the Underground Railroad commemorated differently in Canada and the United States and can those differences be bridged How can we acknowledge properly the Canadian labour behind Hollywood filmmaking and what would that do to our sense of national cinema Reading between the Borderlines grapples with these questions and others surrounding the production and consumption of literary cinematic musical visual and print culture across the Canada US border Discussing a range of popular as well as highbrow cultural forms this collection investigates patterns of cross border cultural exchange that become visible within a variety of genres regardless of their place in any arbitrarily devised cultural hierarchy The essays also consider the many interests served compromised or negated by the operations of the transnational economy the movement of culture s raw material across nation state borders in literal and conceptual terms and the configuration of a material citizenship attributed to or negotiated around border crossing cultural objects Challenging the oversimplification of cultural products labelled either Canadian or American Reading between the Borderlines contends with the particularities and complications of North American cultural exchange both historically and in the present **British and Canadian Perspectives on International Law** Christopher P.M. Waters,2006-09-29 British and Canadian Perspectives on International Law examines the impact of public international law on the United Kingdom s and Canada s domestic legal systems It also analyses the contributions of British and Canadian practice to the development of international norms Topics addressed include international criminal law international humanitarian law human rights and human security asylum trade jurisdiction reception law and media portrayals of international law Whereas international law scholarship usually takes a global regional or national approach this book s chapters are written by leading scholars and practitioners from both countries and provide unique comparative views While there remains much in common between the two states understandings of international law recent developments have shown significant points of departure Media Literacy for Citizenship Kirsten Kozolanka,Paul Orlowski,2018-08-22 Offering a critical perspective Media Literacy for Citizenship emphasizes the ability to analyze media messages as a fundamental component of engaged citizenship The ten chapters of this text are divided into two sections the first six chapters explore the landscape of the media today and each of the final four chapters examines how the media presents specific issues all of which are of vital importance to civil society Each chapter forms a mini lesson and encompasses three core elements an essay on a subject area important to critical media

literacy a list of case examples that can be used for assignments and a list of key terms common to all chapters and cases The diverse topics of study and the rich pedagogy make this book a perfect resource for courses in communications journalism media studies and education

Systemic Islamophobia in Canada Anver M. Emon, 2023-04-28 Systemic Islamophobia in Canada presents critical perspectives on systemic Islamophobia in Canadian politics law and society and maps areas for future research and inquiry The authors consist of both scholars and professionals who encounter in the ordinary course of their work the sometimes banal sometimes surprising operation of systemic Islamophobia Centring the lived realities of Muslims primarily in Canada but internationally as well the contributors identify the limits of democratic accountability in the operation of our shared institutions of government Intended as a guide the volume identifies important points of consideration that have systemic implications for whether how and under what conditions Islamophobia is enabled and perpetuated and in some cases even rendered respectable policy or bureaucratic practice in Canada Ultimately Systemic Islamophobia in Canada identifies a range of systemically Islamophobic sites in Canada to guide citizens and policymakers in fulfilling the promise of an inclusive democratic Canada

Routledge Handbook of Law and Terrorism Genevieve Lennon, Clive Walker, 2015-07-16 In the years since 9 11 counter terrorism law and policy has proliferated across the world This handbook comprehensively surveys how the law has been deployed in all aspects of counter terrorism It provides an authoritative and critical analysis of counter terrorism laws in domestic jurisdictions taking a comparative approach to a range of jurisdictions especially the UK the US Australia Canada and Europe The contributions to the book are written by experts in the field of terrorism law and policy allowing for discussion of a wide range of regulatory responses and strategies of governance The book is divided into four parts reflective of established counter terrorism strategic approaches and covers key themes such as Policing and special powers including surveillance Criminal offences and court processes Prevention of radicalisation and manifestations of extremism Protective preparative security The penology of terrorism In addressing counter terrorism laws across a broad range of topics and jurisdictions the handbook will be of great interest and use to researchers students and practitioners in criminal law counter terrorism and security studies

General Defences in Criminal Law Alan Reed, Michael Bohlander, 2016-04-15 The law relating to general defences is one of the most important areas in the criminal law yet the current state of the law in the United Kingdom reveals significant problems in the adoption of a consistent approach to their doctrinal and theoretical underpinnings as exemplified by a number of recent developments in legislation and case law A coherent and joined up approach is still missing This volume provides an analysis of the main contentious areas in British law and proposes ways forward for reform The collection includes contributions from leading experts across various jurisdictions Part I examines the law in the United Kingdom with specialist contributions on Irish and Scottish law Part II consists of contributions by authors from a number of foreign jurisdictions all written to a common research grid for maximum comparability which provide a wider background of how other legal systems treat problems

relating to general defences in the context of the criminal law and which may serve as points of reference for domestic law reform

An Exceptional Law Dennis G. Molinaro, 2017-05-08 During periods of intense conflict either at home or abroad governments enact emergency powers in order to exercise greater control over the society that they govern The expectation though is that once the conflict is over these emergency powers will be lifted An Exceptional Law showcases how the emergency law used to repress labour activism during the First World War became normalized with the creation of Section 98 of the Criminal Code following the Winnipeg General Strike Dennis G Molinaro argues that the institutionalization of emergency law became intricately tied to constructing a national identity Following a mass deportation campaign in the 1930s Section 98 was repealed in 1936 and contributed to the formation of Canada's first civil rights movement Portions of it were used during the October Crisis and recently in the Anti Terrorism Act of 2015 Building on the theoretical framework of Agamben Molinaro advances our understanding of security as ideology and reveals the intricate and codependent relationship between state formation the construction of liberal society and exclusionary practices

The Oxford Handbook of Law and Politics Keith E. Whittington, R. Daniel Kelemen, Gregory A. Caldeira, 2010-06-11 The study of law and politics is one of the foundation stones of the discipline of political science and it has been one of the most productive areas of cross fertilization between the various subfields of political science and between political science and other cognate disciplines This Handbook provides a comprehensive survey of the field of law and politics in all its diversity ranging from such traditional subjects as theories of jurisprudence constitutionalism judicial politics and law and society to such re emerging subjects as comparative judicial politics international law and democratization The Oxford Handbook of Law and Politics gathers together leading scholars in the field to assess key literatures shaping the discipline today and to help set the direction of research in the decade ahead

"The War on Terror" and the Growth of Executive Power?" John E. Owens, Riccardo Pelizzo, 2010-06-21 This book examines whether the strong emphasis now placed on terrorism and the global war on terror in national politics has led to significant accretions of executive power at the expense of the legislature and features case studies on Australia Indonesia Israel Italy Russia and the UK

Just Watch Us Christabelle Sethna, Steve Hewitt, 2018-03-21 From the late 1960s to the mid 1980s in the midst of the Cold War and second wave feminism the RCMP security service prompted by fears of left wing and communist subversion monitored and infiltrated the women's liberation movement in Canada and Quebec Just Watch Us investigates why and how this movement was targeted weighing carefully the presumed threat its left wing ties presented to the Canadian government against the defiant challenge its campaign for gender equality posed to Canadian society Based on a close reading of thousands of pages of RCMP documents declassified under Canada's Access to Information Act and the corresponding Privacy Act Just Watch Us demonstrates that the security service's longstanding anti Communist focus distorted its threat assessment of feminist organizing Combining gender analysis and critical approaches to state surveillance Christabelle Sethna and Steve Hewitt consider the machinations of the

RCMP including its bureaucratic evolution intelligence gathering operations and impact as well as the evolution of the women's liberation movement from its broad transnational influences to its elusive quest for unity among women across lines of ideology and identity Significantly the authors also grapple with the historiographical methodological and ethical difficulties of working with declassified security documents and sensitive information A sharp eyed inquiry into spy policies and tactics in Cold War Canada Just Watch Us speaks to the serious political implications of state surveillance for social justice activism in liberal democracies

Participation in Crime Alan Reed, Michael Bohlander, 2016-05-13 Following on from the earlier edited collection Loss of Control and Diminished Responsibility this book is the first volume in the Substantive Issues in Criminal Law series It serves as a leading point of reference in the area relating to participation in crime and identifies the need for a consistent approach to the doctrinal and theoretical underpinnings of complicity liability With a section on the UK analysing points of current interest the book also has a large comparative section dealing with foreign jurisdictions and examines on the basis of a unified research grid how different legal systems treat core issues of participation in the context of criminal law This book is a valuable reference resource for those in the criminal justice community in the UK and abroad and for academics the judiciary and policy makers

Global Anti-Terrorism Law and Policy Victor V. Ramraj, 2012-01-12 This international work provides information on and analysis of anti terrorism law and policy by top experts in the field

Border Games Peter Andreas, 2022-10-15 In this third edition of Border Games Peter Andreas charts the rise and transformation in policing the flow of drugs and migrants across the US Mexico border Recent border crackdowns and wall building campaigns he argues are not unprecedented Rather they are the outcome of an escalatory dynamic already in motion but now played out on a far bigger stage with higher stakes and in new security and political contexts Focusing on the power of symbolic politics and policy feedback effects Andreas traces the logic behind such buildup Border policing is an attractive political mechanism for handling the often unintended consequences of past policy choices signaling a commitment to territorial integrity and projecting an image of territorial authority Yet its negative aftermath is not only frequently glossed over it also fuels further escalation With new chapters on the border policies of the Obama Trump and Biden administrations Border Games continues to help readers grasp how the busiest border in the world is also one of the most fortified and why it plays such a complicated and contentious role in both domestic politics and US Mexico relations

Yeah, reviewing a book **September 11 Consequences For Canada** could grow your near associates listings. This is just one of the solutions for you to be successful. As understood, ability does not recommend that you have astonishing points.

Comprehending as capably as covenant even more than other will present each success. next-door to, the notice as well as insight of this September 11 Consequences For Canada can be taken as without difficulty as picked to act.
