Much to her surprise Olivia Langley falls into bed with Bri Killington on the last day of vacation in Costa Rica This unexpected turn of events changes Olivia's busy and mundane life into one that is demanding but exciting Finding time in her crazy work hours for her two daughters and her mother and Bri proves to be almost impossible But her passionate encounters with Bri are the bright spot in Olivia's otherwise stressed out existence However life keeps throwing coincidences at Olivia including a new perspective on an old friend **Serendipity in Anthropological Research** Haim

Hazan,2016-04-15 Challenging the idea that fieldwork is the only way to gather data and that standard methods are the sole route to fruitful analysis Serendipity in Anthropological Research explores the role of fortune and happenstance in anthropology It conceives of anthropological research as a lifelong nomadic journey of discovery in which the world yields an infinite number of unexplored issues and innumerable ways of studying them each study producing its own questions and demanding its own methodologies Drawing together the latest research from a team of senior scholars from around the world to reflect on the experience of research Serendipity in Anthropological Research presents rich new case studies from Europe and the Middle East to examine both new and old questions in novel and enriching ways An engaging examination of

methodology and anthropological fieldwork this book will appeal to all those concerned with writing ethnography New York Magazine ,1981-11-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Serendipity of Hope Simon Lee,Ian S. Markham,2023-07-07 Institutions are very precious If any idea is going to persist into the future then it needs an institution to keep it going Each of us comes to understand often only gradually over the decades how some influences from our earlier life have affected us Some will have been inspiring Some will have given us direct models of how to behave or how not to behave Indeed it is often the case that the deeper an influence turns out to have been in the long run the less likely it is that we noticed it at the time it was happening For this reason it has become necessary to find the time to reflect on and express gratitude for the institutions that helped form who we are and the work that we do This collection of essays explores the impact of one institution on twenty five participants twenty five years after we worked together The Institution was Liverpool Hope University College and is now Liverpool Hope University By telling and reflecting on our stories we aim to encourage others to think about their own experiences and ultimately our earnest hope is that a greater awareness of this aspect of university life will help to transform our collective understanding of the nature of universities in particular and of communities institutions or societies in general But there was something special about belonging to a community called Hope **Serendipity** Kris Bryant,2022-09-13 Music runs through Annie Foster s veins A jingle writer by day and hostess of Coffee Chords an open mic night at her best friend s coffee shack by night Annie is doing exactly what she loves Hitting the big time was never her dream She has enough followers online to know her music matters If it s the right combination of success and happiness why does she feel empty inside Bristol Baines is top of the pop charts internet famous and so lonely she could cry She was tossed into the business at fourteen and any other kind of life wasn t in the cards Living the dream with everything at her fingertips really means a life of disguises secrecy and failed relationships Success has been a big disappointment and she s ready for a fresh start even if that means walking away from fame Serendipity brings Annie and Bristol together and their undeniable attraction keeps them close but will their different paths drive them apart **Sex, Serendipity, and Salacia Station** Jessie Pinkham,2018-04-07 After months cooped up on a spaceship Kevin Roth is more than ready to get out and interact with people on Salacia Station If that interaction happens to be with a hot guy and involve orgasms even better He isn t expecting more than a hookup because he s on his way back to Earth Mick Santorino the station s head chef doesn t have a problem finding sex But finding a deeper connection is difficult in the outer solar system Mechanical failures keeping Kevin on Salacia Station are a blessing because now Mick gets to spend more time with a great guy Despite the pull they feel Kevin and Mick are convinced nothing more than highly

enjoyable sex can come of their attraction No one meets a future husband 2 7 billion miles from Earth But as the saying goes there s a first time for everything Creative Minds, Charmed Lives Yu Kiang Leong,2010 This book features interviews of 38 eminent mathematicians and mathematical scientists who were invited to participate in the programs of the Institute for Mathematical Sciences National University of Singapore Originally published in its newsletter Imprints from 2003 to 2009 these interviews give a fascinating and insightful glimpse into the passion driving some of the most creative minds in modern research in pure mathematics applied mathematics statistics economics and engineering The reader is drawn into a panorama of the past and present development of some of the ideas that have revolutionized modern science and mathematics This book should be relevant to those who are interested in the history and psychology of ideas It should provide motivation inspiration and guidance to students who aspire to do research and to beginning researchers who are looking for career niches For those who wish to be broadly educated it is informative without delving into excessive technical details and is at the same time thought provoking enough to arouse their curiosity to learn more about the world around them **The Book of Destinies** Chetan Parkyn ,Carola Eastwood,2016-11-15 Have you ever wondered about your life s purpose The next step in the life changing Human Design system The Book of Destinies presents in depth profiles of the 192 Life Themes that encompass humanity Based on the place date and time of your birth your Life Theme reveals a remarkably detailed portrait of your true nature allowing you the peace of knowing who you really are so you can live your life with clarity and fulfillment Instead of struggling to achieve unsuitable goals you can align yourself with a deeper plan for your relationships career and decision making Many passages include a list of noted people who share that Life Theme The culmination of the authors twenty years of research practice meditation and readings The Book of Destinies is for anyone who has ever stopped to wonder What is my life purpose and how do I realize it **New York Magazine** ,1995-12-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Fun Formula** Joel Comm,2018-06-05 Find more success in work and in life than you ever dreamed possible by pursuing fun The demands of work and the breakneck pace of technological change wear heavily on all of us whether we are employees at a large company solo workers in the gig economy or entrepreneurs launching a new venture The hustle and grind lifestyle that we ve been told is essential to success actually leads to physical ailments emotional burnout and a darkness in the soul But Joel Comm has found a better way In The Fun Formula Comm reveals that the best path to success in work and in life is to focus on our passions curiosity and the things that bring us great pleasure Doing this leads not only to more dramatic results in whatever we do but also to a more fulfilling life Using entertaining stories and illuminating anecdotes from Comm s own life and those

of others famous and not The Fun Formula lays out a plan for making the subtle changes to our thinking and routines that will enable us to design the life we truly desire one of significance and joy
