Tory Conklin, 2012 The stories in this book are from soldiers who once served in Vietnam and who have contacted me via the world of spirit Their stories are filled with the dreams of young men who grew into adults all too quickly in a land not their own They speak of the bond between soldiers the brotherhood that stands the test of time and distance the fear they lived with each day how they wrote letters that would be sent to their families if they were killed and the simple things they came to take for granted Some speak of their love of Vietnam and its people And many of them convey their last few hours on the earthly plane Jeri Tory Conklin a gifted intuitive archaeologist and investigative author again lifts the veil between the visible and invisible world this time to give us an inside perspective on veteran experiences during the Vietnam War An eye opening inspirational book Patricia Johnston professor of anthropology owner grief coach at Purple Lotus Coaching <http://purplelotuscoaching.com> Seeking answers to Why is there no peace comes to us all when we send a loved one or venture into the path of war Living without closure bids us to seek out those with The Gift of sight into the world of spirit I have found closure within these pages Your eyes will be opened if you have lost a loved one to death on a battlefield Pamela Cannataro military dependent and Vietnam veteran's widow **Blood Border** Steven Mead, 2015-03-10 Officer Steven Patterson is on the mission of his life He leads his highly trained Special Assignments Unit of the Phoenix Police Department up against the most feared radical Islamist terrorist group known to the West He and his partner David Rourke discover a terrorist plot against the United States With the help of Officer Steven Patterson's contacts they race against time and politics to stop the deadly terrorist attack Along the way they discover the terrorist plot is worse than they ever imagined worse than 9 11 Follow Officer Steven Patterson as he puts the pieces of a criminal investigation together an investigation that involves a dangerous and toxic relationship between deadly Mexican Drug Cartels and radical Islamic Middle Eastern terrorist organizations Join him on a journey of heroism courage and faith a journey to save the innocent and to do whatever it takes to defeat the enemy and protect his beloved country the United States even if it means crossing the lines of the law and morality *Nachtmusik* W.H.
