Battlefields in the World and in Christendom Rev. George W. Battle, 2015-04-02 Battlefields in the World and in Christendom is a mesmerizing work incorporating real life events spanning the author's rebellious youth through his journey to adulthood and becoming a teacher counselor and pastor whose belief in Salvation drives his life All of the incidents episodes and events here are true Rev George W Battle grew up in a basement apartment with his father superintendent of the building mother and sister two years his senior By the age of three he demanded to be allowed to go to school and hounded his mother until she convinced the principal to let him attend with the stipulation he would have to spend two years in kindergarten From his very first day George experienced bullying and racism as an Afro American making him strong and able to stand up for himself no matter what the issue We follow his struggles through school the service and into his adult life At times he was the one being unfairly treated At other times the chip on his shoulder seemed quite heavy causing him to become the antagonist which surfaced during his early days of employment and his stint in the service where he seemed to have a problem with authority figures A surprising transition occurs when George goes on to college becoming a teacher a counselor and a pastor The entertaining anecdotes lend growth and fullness to his character and show a dedication and love of family acquired through God's guidance
