Sergeant Major Dan Daly Stephen W. Scott, 2009-04 Dan Daly joined the Marine Corps in 1899 to fight in the Spanish American War Unfortunately for him the war ended before he saw any action Little did he know at the time that his exploits and adventures while in the Corps would be remembered for generations to come Dan traveled around the globe He fought in several wars and participated in countless invasions saving American lives and prosperity During his time in the Corps Daly fought in the Philippine American War the Boxer Rebellion the Banana Wars including Cuba Mexico Haiti and the Dominican Republic before going to World War One Along the way he was one of only two Marines to earn the Medal of Honor twice for two separate actions and he would be recommended for the medal on at least two other occasions He truly is the most outstanding marine of all time Women at War Rosemarie Skaine, 2015-11-16 The Persian Gulf War changed the face of combat It brought women s military roles into the spotlight in large part via the mass media and showed that many women performed combat roles similar to those of men during the conflict The war was thus an impetus for changes in laws that had prevented women from serving in combat assignments In past centuries because it was not culturally acceptable for women to serve in combat surprising numbers joined secretly under assumed male names After defining exactly what is meant by war and combat this work presents historical and present day views of the involvement of women in the military The impact of regulations on women in combat is analyzed as is the role of the American public in the controversy Female combat is put into context with sociological theory also discussed are readiness cohesion ability sexuality equal opportunity and family issues Sergeants Major of the Marine Corps Source Wikipedia, 2013-09 Please note that the content of this

out in 1950 the Marine Corps was ordered to deploy an air ground brigade in less than ten days even though no such brigade existed at the time Assembled from the woefully understrength 1st Marine Division and 1st Marine Air Wing units the Brigade shipped out only six days after activation sailed directly to Korea was in combat within ninety six hours of landing and despite these enormous handicaps and numerically superior enemy forces won every one of its engagements and helped secure the Pusan Perimeter Despite its remarkable achievements the Brigade s history has largely been lost amid accounts of the sweeping operations that followed Its real history has been replaced by myths that attribute its success to tough training great conditioning unit cohesion and combat experienced officers None of which were true T X Hammes now reveals the real story of the Brigade s success prominently citing the Corps crucial ability to maintain its ethos culture and combat effectiveness during the period between World War II and Korea when its very existence was being challenged By studying the Corps from 1945 to 1950 Hammes shows that it was indeed the culture of the Corps a culture based on remembering its storied history and learning to face modern challenges that was responsible for the Brigade s success The Corps remembered the human factors that made it so successful in past wars notably the ethos of never leaving another marine behind At the same time the Corps demonstrated commendable flexibility in adapting its doctrine and operations to evolutions in modern warfare In particular the Corps overcame the air ground schism that marked the end of World War II to excel at close air support Despite massive budget and manpower cuts the Corps continued to experiment and learn even as it clung to its historical lodestones This approach was validated during the Brigade s trial by fire More than a mere battle history Forgotten Warriors gets to the heart of marine culture to show fighting forces have to both remember and learn As today s armed forces face similar challenges this book confirms that culture as much as technology prepares America s fighting men and women to answer their country s call
