Gillespie, Glen R. Hawkins, Michael B. Kelly, Preston E. Pierce, 2001-08-01 The central role which the noncommissioned officer NCO plays in shaping the U S Army in peace and war has long been recognized During times of peace NCOs train discipline and develop those entrusted to their leadership In wartime the NCO assumes even greater responsibility for the soldiers he leads in battle Throughout our nation's history talented dedicated NCOs have served bravely effectively and with quiet professionalism They have carried out their demanding missions with minimal fanfare The Army and the nation are eternally in their debt The creation of the Office of the Sergeant Major of the Army in 1966 officially acknowledged two trends the expanding nature of the NCO's duties and responsibilities and the increasing importance of NCO professionalism The superb noncommissioned officers selected for service as the Sergeant Major of the Army SMA did not simply appear overnight They were selected from among a corps of professional soldiers who had extraordinary records of service and unlimited potential for growth This firsthand account of our changing Army and of NCOs adapting as we transitioned from a conscript force to the all volunteer

Army underscores the ability and dedication to duty that have been the hallmarks of their careers At the pinnacle of his profession each SMA also influenced the development of the Office of the Sergeant Major of the Army Their stories collectively reflect the course of the U S Army from World War II through the challenges of today Their careers exemplify the enhanced quality education and professionalism of the NCO corps

Top Sergeant William G. Bainbridge, Dan Cragg, 1996-06 In a military career spanning more than three decades Bill Bainbridge saw service in three wars fought in two of them and was captured in one He received ten Good Conduct Medals two awards of the Combat Infantry Badge three Army Commendation Medals and the Distinguished Service Medal among others But the greatest moment in his career came when he was selected to be Sergeant Major of the U S Army its highest NCO position an office he was the first to hold for four years But Bainbridge s most important job in his illustrious career was tending to the welfare of his soldiers Top Sergeant is all about doing what a good sergeant does best attending to the needs of his men and what it takes to be a great noncommissioned officer in an army that officers are proud to command but NCOs really run
