Wilson,Maria Colavito,Djoymi Baker,2014-03-21 Soon after film came into existence the term epic was used to describe productions that were lengthy spectacular live with action and often filmed in exotic locales with large casts and staggering budgets The effort and extravagance needed to mount an epic film paid off handsomely at the box office for the genre became an immediate favorite with audiences Epic films survived the tribulations of two world wars and the Depression and have retained the basic characteristics of size and glamour for more than a hundred years Length was and still is one of the traits of the epic though monolithic three to four hour spectacles like *Gone with the Wind* 1939 and *Lawrence of Arabia* 1962 have been replaced today by such franchises as the Harry Potter films and the Lord of the Rings trilogy Although the form has evolved during many decades of existence its central elements have been retained refined and modernized to suit the tastes of every new generation The Encyclopedia of Epic Films identifies describes and analyzes those films that meet the criteria of the epic sweeping drama panoramic landscapes lengthy adventure sequences and in many cases casts of thousands This volume looks at the wide variety of epics produced over the last century from the silent spectacles of D W Griffith and biblical melodramas of Cecil B DeMille to the historical dramas of David Lean and rollercoaster thrillers of Steven Spielberg Each entry contains Major personnel behind the camera including directors and screenwriters Cast and character listingsPlot summaryAnalysisAcademy Award wins and nominationsDVD and Blu ray availabilityResources for further study This volume also includes appendixes of foreign epics superhero spectaculars and epics produced for television along with a list of all the directors in the book Despite a lack of overall critical recognition and respect as a genre the epic remains a favorite of audiences and this book pays homage to a form of mass entertainment that continues to fill movie theaters The Encyclopedia of Epic Films will be of interest to academics and scholars as well as any fan of films made on a grand scale

Compounding in Modern Greek Angela Ralli, 2012-10-29 One of the core challenges in linguistics is elucidating compounds their formation as well as the reasons their structure varies between languages This book on Modern Greek rises to the challenge with a meticulous treatment of its diverse intricate compounds a study as grounded in theory as it is rich in data Enhancing our knowledge of compounding and word formation in general its exceptional scope is a worthy model for linguists particularly morphologists and offers insights for students of syntax phonology dialectology and typology among others The author examines first tier themes such as the order and relations of constituents headedness exocentricity and theta role saturation She shows how Modern Greek compounding relates to derivation and inflection and charts the boundaries between compounds and phrases Exploring dialectically variant compounds and identifying historical changes the analysis extends to similarly formed compounds in wholly unrelated languages **Cuban Identity and the Angolan**

Experience C. Peters, 2012-09-17 Exploring the cultural politics of Cuba s epic military engagement in the Angolan civil war this book narrates the transformation of Cuban national identity from Latin African to Caribbean through the experience of internationalism in Angola **Darkening the Italian Screen** Eugenio Ercolani, 2019-08-16 The birth and rise of popular Italian cinema since the early 1950s can be attributed purely to necessity The vast number of genres sub genres currents and crossovers and the way they have overlapped died out or replaced each other has been an attempt in postwar years to contain the invasion of U S product while satisfying the demands the American industry had created in Italy The author explores one of the most multi faceted and contradictory industries cinema has ever known through the careers of those most closely associated with it His recorded interviews were conducted with directors and actors both well known and upcoming

The Ancient Mediterranean Sea in Modern Visual and Performing Arts Rosario Rovira Guardiola, 2017-12-14 When thinking about the Mediterranean Fernand Braudel s haunting words resound like an echo of the sea and its millenary history From Prehistory until today the Mediterranean has been setting witness and protagonist of mythical adventures of encounters with the Other of battles and the rise and fall of cultures and empires of the destinies of humans Braudel s appeal for a long dur e history of the Mediterranean challenged traditional views that often present it as a sea fragmented and divided through periods This volume proposes a journey into the bright and dark sides of the ancient Mediterranean through the kaleidoscopic gaze of artists who from the Renaissance to the 21st century have been inspired by its myths and history The view of those who imagined and recreated the past of the sea has largely contributed to the shaping of modern cultures which are inexorably rooted and embedded in Mediterranean traditions The contributions look at modern visual reinterpretations of ancient myths fiction and history and pay particular attention to the theme of sea travel and travellers which since Homer s Odyssey has become the epitome of the discovery of new worlds of cultural exchanges and a metaphor of personal developments and metamorphoses **One Day in December** Nancy Stout, 2013-04-01 Celia S nchez is the missing actor of the Cuban Revolution Although not as well known in the English speaking world as Fidel Castro and Che

Guevara Sánchez played a pivotal role in launching the revolution and administering the revolutionary state. She joined the clandestine 26th of July Movement and went on to choose the landing site of the Granma and fight with the rebels in the Sierra Maestra. She collected the documents that would form the official archives of the revolution and after its victory launched numerous projects that enriched the lives of many Cubans from parks to literacy programs to helping develop the Cohiba cigar brand. All the while she maintained a close relationship with Fidel Castro that lasted until her death in 1980. The product of ten years of original research, this biography draws on interviews with Sánchez's friends, family, and comrades in the rebel army along with countless letters and documents. Biographer Nancy Stout was initially barred from the official archives but in a remarkable twist was granted access by Fidel Castro himself, impressed as he was with Stout's project and aware that Sánchez deserved a worthy biography. This is the extraordinary story of an extraordinary woman who exemplified the very best values of the Cuban Revolution: selfless dedication to the people, courage in the face of grave danger, and the desire to transform society.

New Approaches to Ancient Material Culture in the Greek & Roman World Catherine Cooper, 2020-11-16

New Approaches to Ancient Material Culture in the Greek Roman World is about Classical Archaeology at its broadest and is important reading to all Classicists. As part of a recent movement to highlight the rich diversity of the subject, it overcomes traditional disciplinary boundaries to show the variety of current approaches to the study of Classical Antiquity from the Late Bronze Age to the Late Antique period. The multi-disciplinary papers deal with archaeology and art history, museum objects and fieldwork data, ancient texts and material culture, archaeological theory and historiography, and technical and literary analysis. The international contributors discuss a selection of methodologies currently used to study ancient material and illustrate their relevance through case studies which span the Greek and Roman world.
