*Truth in Serial Form* Malika Maskarinec, 2023-04-27 This volume has its starting point in the veritable explosion of serialized formats in all of forms representation from painting to printing beginning in the mid nineteenth century and the well known fascination with series in biology mathematics music art or literature The new media culture of the late nineteenth century very much shaped by these serialized formats sees itself confronted with questions of truthfulness in new and profound ways just as perhaps the accelerated rhythm anonymity and broadened accessibility of new media today have created new possibilities for the dissemination of misinformation and conversely give us cause to interrogate anew our notions of truthfulness By examining both the formal operations of both aesthetic and scientific objects in a series form and the historical context of their publication or presentation the contributions in this volume examine the often strained but yet immensely productive relationship between the way in which a series negotiates questions of truthfulness both by reference to the rules established in its series form or by means of its serial format This volume provides ten detailed cases of the series form from the history of science and journalism and the history of painting photography and literature as well     *The Languages and Linguistics of Mexico and Northern Central America* Søren Wichmann, 2024-12-16 The handbook provides a thorough survey of the languages pertaining to the Mesoamerican culture region including a wealth of new research on synchronic structures and historical linguistics of lesser known languages also including sign languages The volume moreover features overviews of recent research on topics such as language acquisition and the expression of spatial orientation across languages of the region     Confessions of a Serial Online Dater Talia Leigh, 2016-08-29 Ever been on a truly horrible first date where you find yourself with someone totally unsuited to you and all you want to do is get up and run Maybe your date dresses like a 1970s disco dancer or licks your dinnerware Talia s been there over and over This is the hilarious and often cringe worthy retelling of Talia Leigh s experiences with online dating She speaks candidly of her misadventures with a black out drunk performing life saving first aid on a dog and her all too often encounters with marshmallows Interspersed with advice and lessons learned Talia earnestly navigates her way through the world of online dating suggesting that modern romance is not always what it s cracked up to be But it can definitely make a great story
