American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice

Resistance and the Sermon in American Literature Matthew Smalley, 2024-05-30 With seemingly obsessive regularity American authors from the mid nineteenth century to the present evoke the sermon at culturally loaded moments in their works deploying the form to underscore the cultural work they imagine their novels or poetry to perform Examining this longstanding tradition of literary preaching this book draws on literary applications of design theory to provide a nuanced account of American literature's complex anxious and persistent engagement with the Protestant sermon Analyzing literary preaching as a transhistorical form that simultaneously attracts and repels authors Smalley demonstrates how major US writers Ralph Waldo Emerson Walt Whitman Nathaniel Hawthorne Rebecca Harding Davis William Faulkner Zora Neale Hurston and Toni Morrison have subverted the sermon's predominantly religious content in order to reimagine profound moments of reform in a political cultural and aesthetic mode This study elucidates new lines of literary kinship offers fresh readings of familiar works and establishes literary preaching as an undertheorized but significant tradition in American literature

any institutional or personal library *Fields Watered with Blood* Margaret Walker, 2014 Representing an international gathering of scholars *Fields Watered with Blood* constitutes the first critical assessment of the full scope of Margaret Walker's literary career As they discuss Walker's work including the landmark poetry collection *For My People* and the novel *Jubilee* the contributors reveal the complex interplay of concerns and themes in Walker's writing folklore and prophecy place and space history and politics gender and race In addition the contributors remark on how Walker's emphases on spirituality and on dignity in her daily life make themselves felt in her writings and show how Walker's accomplishments as a scholar teacher activist mother and family elder influenced what and how she wrote A brief biography an interview with literary critic Claudia Tate a chronology of major events in Walker's life and a selected bibliography round out this collection which will do much to further our understanding of the writer whom poet Nikki Giovanni once called the most famous person nobody knows *The Holy Profane* Teresa L. Reed, 2003 **Apocalyptic Sentimentalism** Kevin Pelletier, 2015-01-15 In contrast to the prevailing scholarly consensus that understands sentimentality to be grounded on a logic of love and sympathy *Apocalyptic Sentimentalism* demonstrates that in order for sentimentality to work as an antislavery engine it needed to be linked to its seeming opposite fear especially the fear of God's wrath Most antislavery reformers recognized that calls for love and sympathy or the representation of suffering slaves would not lead an audience to feel right or to actively oppose slavery The threat of God's apocalyptic vengeance and the terror that this threat inspired functioned within the tradition of abolitionist sentimentality as a necessary goad for sympathy and love Fear then was at the center of nineteenth century sentimental strategies for inciting antislavery reform bolstering love when love faltered and operating as a powerful mechanism for establishing interracial sympathy Depictions of God's apocalyptic vengeance constituted the most efficient strategy for antislavery writers to generate a sense of terror in their audience Focusing on a range of important antislavery figures including David Walker Nat Turner Maria Stewart Harriet Beecher Stowe and John Brown *Apocalyptic Sentimentalism* illustrates how antislavery discourse worked to redefine violence and vengeance as the ultimate expression rather than denial of love and sympathy At the same time these warnings of apocalyptic retribution enabled antislavery writers to express albeit indirectly fantasies of brutal violence against slaveholders What began as a sentimental strategy quickly became an incendiary gesture with antislavery reformers envisioning the complete annihilation of slaveholders and defenders of slavery John Edgar Wideman and Modernity Michel Feith, 2024-01-12 The career of writer John Edgar Wideman has been the sort of success story on which America prides itself Coming from an inner city African American neighborhood he studied at the Universities of Pennsylvania and Oxford published his first novel at age twenty six won two PEN Faulkner Awards as well as a MacArthur genius grant and has held several top teaching posts But profound tragedy has also marked his life both his brother and son received life sentences for murder and a nephew was killed at home after a bar fight His life thus illustrates how the strictures of race temper American notions of freedom and opportunity Wideman's

engagement with race and identity has been nuanced and complex taking the form of what Michel Feith sees as a critical dialogue with modernity a moment in history which gave birth not only to the Enlightenment but also to American slavery and the conundrum of race Feith argues that the key work in the Wideman oeuvre is *The Cattle Killing* 1996 his only historical novel whose threads include the 1793 yellow fever epidemic in Philadelphia the 1856 57 Cattle Killing prophecy which wreaked havoc among the Xhosa tribe of South Africa and the contemporary situation of black ghettos in the United States Unfolding within the early days of the American Republic the novel offers a window through which all of Wideman's works and their central concerns ghettoization imprisonment familial relationships emancipation and the diasporic sense of history can be understood With clarity and theoretical sophistication Feith offers provocative new readings of Wideman's texts from the Homewood books based on his youth in Pittsburgh to his haunting memoir *Brothers and Keepers* In the postmodern era Feith suggests critics of modernity are not in short supply but few have the depth rigor and thoughtfulness of John Edgar Wideman

James Baldwin's Go Tell it on the Mountain Carol E. Henderson, 2006 The publication of James Baldwin's *Go Tell It on the Mountain* ushered in a new age of the urban telling of a tale twice told yet rarely expressed in such vivid portraits *Go Tell It* unveils the struggle of man with his God and that of man with himself Baldwin's intense scrutiny of the spiritual and communal customs that serve as moral centers of the black community directs attention to the striking incongruities of religious fundamentalism and oppression This book examines these multiple impulses challenging the widely held convention that politics and religion do not mix
