Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law

Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

Mark Abraham Kuruvilla, 2012-02-24 Mark A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that

enables the preacher to utilize all the narrative units of Mark to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text The Gospel of Mark is therefore divided into twenty five narrative units with the theological focus of each clearly delineated The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the book progressively developing the theological trajectory of Mark s theme of discipleship and enabling the expositor to discover valid application for sermons While the primary goal of the commentary is to take the preacher from text to theology it also aids in the advance from theology to sermon by providing tips for preaching and two possible sermon outlines for each of the twenty five units of the Gospel The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Mark s Gospel with an emphasis on application     **Sermon Outlines for Funerals** C.
