European Magic and Witchcraft Martha Rampton, 2018-05-15 Magic witches and demons have drawn interest and fear throughout human history In this comprehensive primary source reader Martha Rampton traces the history of our fascination with magic and witchcraft from the first through to the seventeenth century In over 80 readings presented chronologically Rampton demonstrates how understandings of and reactions toward magic changed and developed over time and how these ideas were influenced by various factors such as religion science and law The wide ranging texts emphasize social history and include early Merovingian law codes the Picatrix Lombard's Sentences The Golden Legend and A Midsummer Night's Dream By presenting a full spectrum of source types including hagiography law codes literature and handbooks this

collection provides readers with a broad view of how magic was understood through the medieval and early modern eras Rampton's introduction to the volume is a passionate appeal to students to use tolerance imagination and empathy when travelling back in time The introductions to individual readings are deliberately minimal providing just enough context so that students can hear medieval voices for themselves Disney, Pixar, and the Hidden Messages of Children's Films M. Keith Booker, 2009-11-25 This work is a wide ranging survey of American children's film that provides detailed analysis of the political implications of these films as well as a discussion of how movies intended for children have come to be so persistently charged with meaning Disney Pixar and the Hidden Messages of Children's Films provides wide ranging scrutiny of one of the most lucrative American entertainment genres Beyond entertaining children and parents and ringing up merchandise sales are these films attempting to shape the political views of young viewers M Keith Booker examines this question with a close reading of dozens of films from Disney Pixar Dreamworks and other studios debunking some out there claims The Ant Bully communist propaganda while seriously considering the political content of each film Disney Pixar and the Hidden Messages of Children's Films recaps the entire history of movies for young viewers from Snow White and the Seven Dwarfs to this year's Up then focuses on the extraordinary output of children's films in the last two decades What Booker finds is that by and large their lessons are decidedly comfortably mainstream and any political subtext more often than not is inadvertent Booker also offers some advice to parents for helping children read films in a more sophisticated way

Youth's Companion ,1882 Loser Youth: Magic Doctor's Adventure Biao MianYangGuang, 2020-08-20 His father had mysteriously disappeared His family s path had declined overnight Even his family s hospital had fallen into the hands of others In fact he even owed a large amount of debts For the sake of his life he had tried his best to open a shop but he didn t expect that there would be a lot of hidden secrets In order to drive him away they had actually sent someone to cause trouble Fortunately he had obtained an alien angel and became a world shocking genius doctor Since then his life had undergone a tremendous change The young miss of the Wealthy Class the beautiful female hero the beautiful doctor and the cold blooded killer had all gathered by his side He wanted to see how the impoverished young master was going to conquer the city with his superb medical skills PS A super novel doctor language the pocket sized cute sister doctor system It can cure illnesses act cute act spoiled and make people unable to let go of it Wisdom justified of her children. A sermon [on Matt. xi. 19], etc Ionathan PARSONS (and MAC GREGORE (David)),1742 Youth Ministry in a Technological Age Peggy Kendall; Claire Smith; Tim Ke, 2011-07-08 The many and continual advances in technology can be both exciting and daunting exciting because of the multitude of opportunities at our grasp yet daunting when faced with the prospect of keeping up with and or affording them This holds true in youth ministry where as youth workers we serve a population that seems to be innately in tune with technology and what it offers We re all technological users but much of our adult expertise pales before the intuitive use of our students What do we do Youth Ministry in a Technological Age seeks to offer a window into

understanding and using technology in youth ministry that is grounded theologically In this book researchers and people involved in youth ministry share insights and make recommendations concerning how we approach and use technology in youth ministry always recognizing our need to be faithful to the gospel of Jesus Christ Claire Smith Writing Pie Corbett,1997-07 This is a bank of ideas designed to help teachers to develop the writing of primary school pupils It is concerned mainly with the compositional aspects of writing rather than spelling handwriting and punctuation and consists of five main sections dealing with writing stories and poems writing for information writing from reading writing from personal experience and redrafting and proof reading Representing Black Girl Magic with Contemporary Picture Books
Raphael E. Rogers,2025-02-26 Representing Black Girl Magic with Contemporary Picture Books explores how contemporary culturally relevant and responsive picture books can provide educators with a chance to teach about race and racism in the classroom A wave of recently published picture books by Black women authors have pushed back against negative beliefs countered negative stereotypes and celebrated the joy and magic of Black girls and their families Featuring the voices and perspectives of over two dozen Black women writers in this book Raphael Rogers examines how and why these publications are changing the picture book and the educational landscape With sections on classroom connections and discussion questions in every chapter this book is ideal for courses on teaching children's literature and diversity in children's literature

Supporting Children with EAL in the Early Years Judith Harries, 2020-12-16 This book aims to equip early years practitioners with the resources and skills required to create a stimulating learning environment and to fully include EAL children into their settings It provides practical ways to show children and their families that their language and culture are valued and respected so that they can feel secure and accepted There are 49 activities included that focus on different areas of the Expressive Arts and Design goal and help practitioners to develop children's language and communication skills as they play Trafficking with Demons Martha Rampton, 2022-01-15 Trafficking with Demons explores how magic was perceived practiced and prohibited in western Europe during the first millennium CE Through the overlapping frameworks of religion ritual and gender Martha Rampton connects early Christian reckonings with pagan magic to later doctrines and dogmas Challenging established views on the role of women in ritual magic during this period Rampton provides a new narrative of the ways in which magic was embedded within the foundational assumptions of western European society informing how people understood the cosmos divinity and their own Christian faith As Rampton shows throughout the first Christian millennium magic was thought to play a natural role within the functioning of the universe and existed within a rational cosmos hierarchically arranged according to a great chain of being Trafficking with the demons of the lower air was the essense of magic Interactions with those demons occurred both in highly formalistic ritual settings and on a routine and casual basis Rampton tracks the competition between pagan magic and Christian belief from the first century CE when it was fiercest through the early Middle Ages as atavistic forms of magic mutated and found sanctuary in the daily habits of the

converted peoples and new paganisms entered Europe with their own forms of magic By the year 1000 she concludes many forms of magic had been tamed and were by the reckoning of the elite essentially ineffective as were the women who practiced it and the rituals that attended it The Multigenerational Church Crisis Bryan Chapell, 2025-05-06 Harness the strengths of every generation to create a church that endures open the lines of communication appreciate the experiences that shaped each generation in your church unite in one mission to impact your community and the world It may seem hard for younger Christians to believe that people over 50 were raised during an era when 90 percent of Americans identified as Christian These older believers were once part of a majority group that understood the mission of the church was to take control of our culture to halt its evils At the same time Christians under 50 have lived their entire lives perceiving themselves as a minority that needs to make credible their faith to a secular pluralistic culture. These distinct experiences and perceptions have a profound impact on the priorities different generations have for church ministry It s no wonder that younger and older believers don't always see eye to eye But imagine what could be accomplished in the name of Christ if we could better understand each other and turn that understanding into shared purpose and aligned priorities Backed by thorough research this eminently practical and hopeful book from pastor and scholar Bryan Chapell shows you how to open the lines of communication appreciate the experiences that shaped each generation in your church and unite in one mission to impact your community and the world Theories of Counseling Samuel T. Gladding, 2021-07-13 In this concise yet comprehensive book author Samuel T Gladding provides an overview of 15 major counseling theories Accessible and reader friendly this book is perfect for counselors and therapists looking to review or learn the essentials of major theories of counseling and psychotherapy The Official Year-book of the Church of England Church of England, 1885 for All God's Children Reverend Tony L Moore, 2021-07-02 The book you hold in your hands a collection of spiritual object lessons is a labor of love that spans some thirty five years of ministry Sometimes dubbed children's sermons years of experience have taught me that simplified truth has both universal appeal and application Modeled roughly after the teaching parables of Jesus this two and a half years worth of messages illustrate essential principles of the Christian faith in simplest terms Capitalizing on a childlike curiosity and imagination each lesson uses some common household item to interpret an important biblical truth in a fresh creative and memorable way Recognizing the limited attention span of our youngest worshipers each message can be presented effectively in three to five minutes but may be easily expanded if more interaction is desired Intended to aid the pastor with too many irons in the fire to consistently prepare creative and engaging talks for young minds these lessons also are so detailed that they could just as easily be presented by a layperson In fact should the children's leader be less than comfortable with public speaking the messages are so complete that they could even be read effectively with minimal advance rehearsal But don t let the promised simplicity mislead you the truths presented are profound And while sometimes presented with wit and humor worshipful respect and reverence are always maintained and

the integrity of God s Word fiercely preserved But rest assured Art Linkletter was right kids do say the darnedest things So may the Lord bless this resource to the enhancement of your ministry and give you as much fun and satisfaction as it has me
