Sermons On The Saving Work Of Christ:

The Saving Work of Christ St. Gregory Palamas, 2023-10-13 *The Saving Work of Christ* the second volume in the series *Sermons by Saint Gregory Palamas* covers all the major events in God's dispensation in the flesh from the Birth of Christ to the Day of Pentecost *Sermons on the Saving Work of Christ* John Calvin, 2011-09-01 Calvin clarifies the basics of our Christian faith with expositions typically rich practical and direct The translation is literal staying true to Calvin's native expression and retaining the spirit of the great Genevan Reformer As these sermons met the heart hunger of the refugees in Geneva so today they will meet the personal needs of God's people for sound biblical doctrine The key introductory message is from John 1:1-5 on Christ's deity with following expositions on the nativity of Christ Luke 2:1-14 the passion of Christ 8 sermons the resurrection of Christ Matthew 28:1-10 the ascension of Christ 4 sermons the day of Pentecost 4 sermons and the second coming of our Lord 2 Thessalonians 1:6-10 Though Calvin did not follow the Church year in his preaching translator Leroy Nixon arranged these select messages to conveniently follow the Christian calendar providing study teaching and preaching resources for Christmas Lent Easter Ascension and Pentecost Sunday **Sermons on the Saving Work of Christ** Jean Calvin, 1980-12-01 *Uncovering Calvin's God* Forrest H. Buckner, 2020-08-20 Although God loves you is a common summary of the central message of Christian teaching and preaching a close reading of the Bible and attention to the Christian tradition will reveal passages of Scripture and Christian doctrines particularly John Calvin's doctrine of predestination that seem to undermine confidence in God's love for all people For numerous theologians including many within the Reformed tradition the secret decree of Calvin's God to save some and condemn others seems to undercut completely one's assurance of salvation along with one's ability to trust in and worship God However pastor and scholar John Calvin confidently spoke of God as a loving Father throughout his teaching and preaching In *Uncovering Calvin's God* Forrest H Buckner unearths Calvin's teaching about the God of love who reigns sovereign over predestination Drawing upon sources from across Calvin's corpus Buckner examines Calvin's teaching on the knowledge of God and the doctrine of predestination to provide a more robust and cohesive understanding of Calvin's theology which Buckner then confirms through an extensive examination of Calvin's preaching in Geneva He then offers a critical comparison of Calvin's approach with the teaching of Luther Zwingli Bullinger Arminius and Barth Using Calvin's system as a starting point this book helps readers perceive the essentials and trade offs of any doctrine of predestination that takes seriously both the Bible and the loving God revealed in Jesus Christ *Calvin's Christology* Stephen Edmondson, 2004-07 Stephen Edmondson articulates a coherent Christology from Calvin's commentaries and his Institutes He argues that through the medium of Scripture's history Calvin the biblical humanist renders a Christology that seeks to capture both the breadth of God's multifaceted grace enacted in history and the hearts of God's people formed by history What emerges is a picture of Christ as the Mediator of God's covenant through his threefold office of priest king and prophet This is the first significant volume to explore Calvin's Christology in several

decades **This Is My Body** Thomas J. Davis, 2008-08-01 There are many general surveys of the Reformation available and they all typically devote some space to how theologians such as Martin Luther and John Calvin understood the Lord's Supper and Christ's presence in the bread and wine. However, they usually do not provide a great deal of detail about the development of the Reformers' thoughts or the finer elements of their respective opinions. This volume by Thomas Davis fills these gaps with a more narrowly focused study. He devotes several chapters to Luther and to Calvin, examining their use of language and their understanding of the presence of Christ both in the Lord's Supper and in the broader sense of his presence in the church.

The Saving Mysteries of Jesus Christ Edgardo Colón-Emeric, Mark Gorman, 2019-09-04 Jesus is Lord. This scandalous confession is an act of worship, a pledge of allegiance, a call to service, and a saving act. Yet who is Jesus Christ? How should we understand his life, his death, his resurrection, and his work of salvation? This book offers a perspective from the Wesleyan tradition on these vital questions. It introduces readers to christology, the study of Christ. The authors encourage readers to ponder the mystery of salvation at work in Christ's entire life and to make the confession, Jesus is Lord, their own.

The Sermons and Other Practical Works of R. E., ... Besides His Poetical Pieces. To which is Prefixed, a Short Account of the Author's Life and Writings by J. Fisher. Edited by J. Newlands Ralph Erskine, 1863

Your Old Testament Sermon Needs to Get Saved David M. King, 2021-05-04 Every good sermon proclaims the gospel, even those from the Old Testament. From the miracles of the Gospels to the teachings of the Epistles, the New Testament is saturated with the saving work of Jesus Christ. But where is He in the poetry, prophets, and history of the Old Testament? *Your Old Testament Sermon Needs to Get Saved* is a practical handbook for preaching Christ from the Old Testament. The book provides a comprehensive but simple hermeneutic for discerning how Jesus is present on every page of the Hebrew Scriptures. You'll learn why and how to preach Christ from the Old Testament while experiencing the beauty of discovering and teaching how the saving work of Christ permeates the first two-thirds of the Bible.

The Soteriology of Leo the Great Bernard Green, 2008-04-10 Green offers a historical study of the development of the thought of Leo the Great, showing the influence of Augustine and his own role in the promotion of the papacy in Rome and in the wider world. Includes a fresh reading of Leo's Tome and discussion of his participation in the great theological controversies of the age.

Christocentric Preaching Meets the Historical Jesus Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and

homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric The Extent of the Atonement G. M. Thomas, 2007-09-01 Reformed theologians of the sixteenth and seventeenth centuries were led by their doctrine of predestination to consider whether Christ had died only for the elect This work traces the way they tackled the extent of the atonement Giving close attention to the Reformers the debates of the Synod of Dort 1618 1619 and the Amyraldian controversy it demonstrates that up to and including the Swiss Consensus of 1675 the Reformed Churches were never able to achieve solid and lasting agreement on this point and aims to explain why As it follows these debates this work provides insights into the process of the construction of Reformed theology It ends by suggesting that the long lasting difficulties experienced by the Reformed over predestination and the extent of the atonement point to a need for a new departure by those who stand in the Reformed tradition today **Spurgeon's Sermons Volume 19: 1873** Charles Haddon Spurgeon, **John Calvin and Evangelical Theology** Sung Wook Chung, 2009-01-01 This latest offering by noted theologian Sung Wook Chung examines the ways in which John Calvin continues to impact the global evangelical movement in the twenty first century This useful collection is perhaps most distinguished by the diversity of its contributors Literally spanning the globe the group of scholars whose work is included represents a wealth of viewpoints from various traditions including Dutch neo Calvinism the French Reformed tradition Scottish American Presbyterianism Anglicanism Congregationalism the Baptist tradition Calvinist Dispensationalism Asian Reformed tradition African American Reformed tradition and Latin American Evangelicalism Together they offer an enlightening glimpse into the historical Calvin and project that understanding on the evangelical movement of the future Stumbling over the Cross Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by

formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world

Zwingli the Pastor Stephen Brett Eccher, 2024-03-20 The Reformer at war In Zwingli the Pastor Stephen Brett Eccher tells the story of Huldrych Zwingli 1484 1531 embattled pastor and reformer Zwingli's ministry in Zurich was characterized by conflict conflict that fueled him It influenced his theological development inspired his commitment to bring reform and compelled his devotion to the congregation he led through the tumult of the Reformation Eccher reveals a complex Zwingli whose life and legacy continue to influence Protestantism today

The Message of the Sermon on the Mount John Stott, 2020-04-23 The followers of Jesus are to be different writes John Stott different from both the nominal church and the secular world different from both the religious and the irreligious The Sermon on the Mount is the most complete delineation anywhere in the New Testament of the Christian counter culture Here is a Christian value system ethical standard religious devotion attitude to money ambition lifestyle and network of relationships all of which are totally at variance with those in the non Christian world And this Christian counter culture is the life of the Kingdom of God a fully human life indeed but lived out under the divine rule In his careful exposition of the Sermon on the Mount John Stott accurately expounds the biblical text and relates it to life today Above all the author says he wants to let Christ speak this sermon again this time to the modern world

Expositions of Holy Scripture - Collected Sermons Alexander Maclaren, 2020-12-17 Expositions of Holy Scripture contains sermons by Alexander Maclaren Alexander Maclaren was an English non conformist minister of Scottish origin His love towards religion started from an early age and he was always sure about becoming a minister entirely devoted to his calling There is no wonder some say his preaching was the perfect mixture of the science of exegeting biblical texts and preaching them In this book readers will find the collection of his famous sermons

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 4 Hughes Oliphant Old, 2002-05-02 Covering the story of preaching from the Protestant Reformation to the end of the 17th century the latest volume in this series covers not only what the Reformers preached but also the reform of preaching itself
