Sacrifice bloodletting by the king and the sacrifice of captives is of paramount importance Growth and rebirth required constant offerings of blood to the earth and to the sun to ensure its rebirth at dawn after its nocturnal journey through the underworld The monuments give a coherent picture of Maya cosmology *The Serpent's Muse* Shane Coley,2024-11-08 Private investigator Raven Cole navigates the rain slicked streets of Veritas a metropolis teeming with secrets her sharp eyes missing nothing But even Raven a collector of others deceptions isn't prepared for the nightmare that awaits her Her latest case a seemingly mundane infidelity investigation involving art dealer Marcus Knight plunges her into a world of meticulously staged deaths and chilling artistry Marcus a man shrouded in enigma moves through a world of exclusive galleries and clandestine auctions He exudes a dangerous magnetism that both repels and attracts Raven drawing her deeper into the investigation and closer to the truth about the Crimson Society a shadowy organization operating just beneath the city's glittering facade The first death shatters the illusion of normalcy A prominent socialite is found posed as a grotesque sculpture a macabre echo of a piece in Marcus's collection The air hangs heavy with the cloying scent of lilies Marcus's signature fragrance a spectral calling card from a killer who transforms victims into macabre masterpieces Each subsequent murder mimics a different piece from Marcus's collection turning the city into a canvas for the Society's gruesome art Drawn into a dangerous tango with Marcus Raven finds herself entangled in a web of suspicion and desire each step bringing them closer to the truth and closer to the edge of the abyss Dr Erika Chase a brilliant psychologist scarred by a past betrayal emerges as the architect of these deadly performances Her motivation is chillingly personal to recreate and control the very emotions that once destroyed her She views her victims as mere pawns their lives and deaths a perverse symphony of human emotion Haunted by the ghosts of a past case disgraced investigator Joseph Ross offers Raven fragmented clues and cryptic warnings His fractured memories hold the key to dismantling the Society but accessing them means confronting the trauma that shattered his career and his sanity As Raven and Marcus delve deeper they uncover the Society's intricate selection process realizing they are both targets in Dr Chase's twisted game Their investigation takes them from glittering galleries to the city's darkest corners where secrets are currency and survival is an art form In a hidden chamber beneath a museum they discover Dr Chase's journals revealing her chilling obsession with Raven herself The race is on to stop her final masterpiece a terrifying climax in a secluded mansion where the lines between hunter and hunted blur lover and suspect intertwine Raven must confront her own past traumas her obsession with uncovering Marcus's secrets mirroring her deep seated fear of vulnerability The confrontation forces Marcus to choose between the shadows of his past and the promise of a future with Raven The Society's deadly charade is exposed but the cost of truth is steep The city scarred but resilient continues to breathe its secrets buried deep within its concrete veins The serpent's muse silenced but not forgotten remains a haunting testament to the enduring power of obsession and the chilling beauty of destruction Ritual Human Sacrifice in Mesoamerica Rubén G. Mendoza,Linda Hansen,2024-03-01 This edited volume addresses the

environmental and cultural underpinnings of the kind of social conflict that spawned the origins and elaboration of ritualized human and animal sacrifice in Mesoamerica The chapters variously document the place of cultural evolution and social complexity in the origins and elaboration of ritual human sacrifice cannibalism and trophy taking across a broad spectrum of Mesoamerican cultural and social contexts that first saw the light of day before 2600 BCE and rapidly developed and proliferated across the Mesoamerican world in the centuries to follow They study the developments in sacrifice rituals through the centuries into the first millennium CE when the Mexica Aztec and their allies had elevated ritual human sacrifice such that they produced a plethora of sacrificial acts modes and manners of death and associated deities to articulate the necro cultures and blood tribute of the times The chapters further study present day rites of Amerindian communities from throughout Mesoamerica that include paying homage to the deities of earth and sky through sacrifice and consumption of animal surrogates The interdisciplinary effort undertaken by this international cadre of scientists including anthropologists bioarchaeologists art historians ethnohistorians iconographers and religious studies experts provides a particularly rich forum for launching an interrogation into the role of conflict environment and social complexity in the emergence and persistence of ritual violence and human sacrifice in the Mesoamerican world
