Smith, 2005-01-05 Encourage students to take an in depth view of the people and events of specific eras of American history Nonfiction reading comprehension is emphasized along with research writing critical thinking working with maps and more Most titles include a Readers Theater **The Serpent Never Sleeps** , Colonial America Mary Ellen Sterling, 1995 Reproducible and challenging literature based activities **Apollonius of Rhodes and the Spaces of Hellenism** William G. Thalmann, 2011-05-20 Although Apollonius of Rhodes extraordinary epic poem on the Argonauts quest for the Golden Fleece has begun to get the attention it deserves it still is not well known to many readers and scholars This book explores the poem's relation to the conditions of its writing in third century BCE Alexandria where a multicultural environment transformed the Greeks understanding of themselves and the world Apollonius uses the resources of the imagination the myth of the Argonauts voyage and their encounters with other peoples to probe the expanded possibilities and the anxieties opened up when definitions of Hellenism and boundaries between Greeks and others were exposed to question Central to this concern with definitions is the poem's representation of space Thalmann uses spatial theories from cultural geography and anthropology to argue that the Argo's itinerary defines space from a Greek perspective that is at the same time qualified Its limits are exposed and the signs with which the Argonauts mark space by their passage preserve the stories of their complex interactions with non Greeks The book closely considers many episodes in the narrative with regard to the Argonauts redefinition of space and the implications of their actions for the Greeks situation in Egypt and it ends by considering Alexandria itself as a space that accommodated both Greek and Egyptian cultures *Kit in the Serpent's Lair* Christopher Cummings, 2024-11-18 Fourteen year old Kit Walker thought being the smallest cadet in the Royal Australian Navy Cadet unit was tough enough until he stumbled upon something in Far North Queensland that would test more than just his size At his Cairns secondary school Kit battles daily with bullies grapples with his brothers constant teasing and faces rejection from the one girl whose friendship means everything Even his part time job at his father's haulage business meant to teach him practical skills becomes another arena for torment But Kit harbours a secret Sharing his surname with the legendary hero of his favourite graphic novels the Phantom Kit decides it's time for his own transformation Over eight gruelling weeks he begins to change one small victory at a time Though his journey brings friction and more than a few moments of humiliation it also leads to an unexpected romance Then Kit uncovers a dangerous truth that plunges him into a real life adventure more perilous than any comic book tale In the unforgiving Australian outback he'll need every scrap of
