Serpent And The Staff:

The Serpent and the Staff Frank YERBY,1992 The Serpent on the Staff Howard Wolinsky,Tom Brune,1994 The American Medical Association has played a key role during the past century in defining what health care is and how it is delivered in the United States Now as the nation tackles reform of the inefficient costly and often inaccessible health care system that the AMA helped build this powerful doctors lobby once again is asserting its influence In The Serpent on the Staff award winning Chicago Sun Times reporters Howard Wolinsky and Tom Brune present a critical dissection of the AMA issue by issue showing how the nation s best known physicians organization has time and again acted more as protector of doctors wealth than as guardian of the public s health For the past decade Wolinsky has covered the AMA more aggressively than any other reporter in the country In 1989 he teamed up with investigative reporter Brune to expose a financial scandal that led to the resignation of the AMA s chief executive Based on years of interviews and painstaking research into private and government files and internal AMA documents The Serpent on the Staff reveals an array of disquieting decisions and public positions taken by the AMA how it spends millions of dollars to influence politicians and sway public opinion to stall health care reform how it succeeded in turning Medicare into a financial windfall for doctors and how it fights to keep it that way how it delayed joining the crusade against smoking because of its long close association with tobacco interests how it attempts to block competing health professions such as chiropractic and osteopathy in the past and nursing today and how it fumbled the nation s public policy concerning AIDS As the AMA presses its public and backstage effort to shape health care at a time of historic reform that will affect generations to come we owe it to ourselves to know where this organization really stands and whom it truly represents BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Good And Evil Serpent** James H. Charlesworth,2010-01-01 The serpent of ancient times was more often associated with positive attributes like healing and eternal life than it was with negative meanings This groundbreaking book explores in plentiful detail the symbol of the serpent from 40 000 BCE to the present and from diverse regions in the world In doing so it emphasizes the creativity of the biblical authors use of symbols and argues that we must today reexamine our own archetypal conceptions with comparable creativity From publisher description **Snake** Drake Stutesman,2005-11-15 Richly illustrated and written in an engaging style Snake is an invaluable resource for snake enthusiasts and scholars as well as for all who love admire or fear this fascinating and enduring animal *When the Dragon Wore the Crown* Cerow, Don,2013-05-01 When our ancestors gazed upon the skies thousands of years ago they looked up into the center of Creation and saw a mighty Dragon a great celestial serpent with wings circling ceaselessly above them night after night century after century When the Dragon Wore the Crown is a ground breaking book that covers a period of over six thousand years focusing on what astrologers would call the Ages of Gemini Taurus and Aries and taking us through the period of classical astronomy with the Greeks and Romans approx 7000 BC 200 AD When the Dragon Wore the Crown opens and closes with the Chinese

mythological tradition and touches on Sumerian Babylonian Phoenician Hindu Norse Native American and even Mayan myths weaving together many of their celestial serpentine similarities It focuses primarily on the role of the constellation Draco the astronomical marker of the North Celestial Pole for literally thousands of years The importance of this simple astronomical observation helped facilitate the study of the calendar navigation farming and social organization The circuit of the seasons was marked by this cadence with the moving center guarding the position of the zodiacal circle for literally thousands of years The secret of the circle was hidden in its center The one had to be determined before the other If the true center was not accurately observed and determined the entire circle was off This is a beautiful and informative book of discovery following the mythology of various cultures as it evolved into modern astronomy The Call of Jerusalem Tan Nget Hong, 2023-11-16 Reading The Call of Jerusalem from three different perspectives It's been almost 20 years since I first read Prof Tan Nget Hong's first edition of The Call of Jerusalem At that time I did not know Prof Tan personally nor had I heard about him However after reading this book I wanted to make a phone call to him to express my appreciation of the book Unfortunately the phone call did not get through at that time Over the past decade or so Prof Tan and I have become close friends and partners in the ministry of Caring and Comforting God's chosen people On 27 and 28 October 2015 both of us were workshop speakers at the Caring for God's Chosen People Mandarin speaking seminar held in Kuala Lumpur Unexpectedly the attendees filled the main Worship Hall of Kuala Lumpur Hokkien Methodist Church We believed that this was the first time that a public meeting on the theme of Caring for God's Chosen People was held in Malaysia It is indeed a great honor that we can contribute to promoting the ministry of Caring for God's Chosen People among the Malaysian Chinese churches To this day we still remember vividly the feeling of excitement in our hearts throughout the seminar and we are indeed grateful to the Lord that we could be used by Him in this ministry I am very glad to learn that Prof Tan is publishing an updated e version of this book and believe sincerely that reading this book will bring many benefits to the readers Since his first visit to the Holy Land in 2000 Prof Tan has made many trips to the Holy Land in the past 20 years As a free independent traveler he has opportunity to make meaningful visits to most biblically related places in the Holy Land and this book is the product of his observations research and meditations during his visits to the Holy Land over the past 20 years Although today there are already many Chinese books about the Holy Land this book still has its own unique features and deserves to be carefully read by believers First of all this book can be regarded as a very comprehensive handbook for the travelers to the Holy Land and it serves both as a reference and a travel guide for those who are visiting the Holy Land The destinations described in this book cover almost every Christian must visit site in the Holy Land The author's explanation of each biblical site is very detailed including the historical geographical and cultural aspects as well as current background In addition the author provides many practical guidance and suggestions for the reader based on his own rich personal experiences The tips provided can also save first time visitors to the Holy Land from many unnecessary hassles including the

trap of being deceived by unscrupulous tour guides This book can also be read as a devotional Readers not only read about the author s narratives of the scene and background of the biblical sites but also his pastoral teachings exhortations and relevant prayers For as an elder of the church Prof Tan always shares with readers the relevant biblical facts and teaching God s will and the love of Christ At almost every biblical site the author quotes appropriate Scripture to help the reader connect with the teaching of the Bible Believers who visit the Holy Land with this book in hand will feel that they not only enjoy the benefit of a personal guide to explain the significance and background of the biblical sites but also receiving sound teachings of the Bible by an Elder with spiritual understanding The last portion of the book reveals the author s deep concern for the salvation of God s chosen people as he exhorts believers to share God s desire for the redemption of the Jews May the apostle Paul s prayer become the prayer of every believers Brothers and sisters my heart s desire and prayer to God for the Israelites is that they may be saved Rom 10 1 This is also the burden that I share with the author Our life mission is to make people know Christ and fulfill the Great Commission through our speaking or writing and in this the Jews should have the priority because salvation is from the Jews as Paul says in Romans For I am not ashamed of the gospel for it is the power of God for salvation to everyone who believes to the Jew first and also to the Greek Rom 1 16 Therefore this book can be read from three different perspectives 1 As a Holy Land travel guidebook for Christian travelers 2 As a devotional aid for Christian spiritual discipline 3 As an introduction to Missions to the Jews I pray that the Lord may use this book as a blessing for every reader
