

SERPENT'S CHILDREN

The Serpent's Children are devious infiltrators, serpentine spies who scheme to overthrow humanoid societies. They arose in an ancient era, humans who willingly gave themselves to malign snake gods, and ruled powerful empires in their day. Modern children are the inheritors of those decadent kingdoms, inveterate schemers in thrall to dark powers.

Their physiques vary widely, as the creatures themselves are magical mutations, twisted into snakelike forms by the power of their ophidian gods. Those who have encountered serpent's children in the flesh report that their reptilian features can vary substantially.

The Shaping of a Life Phyllis Tickle,2009-03-25 Lively entertaining and inspiring THE SHAPING OF A LIFE is in the tradition of the beloved bestsellers by

Kathleen Norris and Anne Lamott an intimate lyrical and thought provoking memoir from one of the most respected and admired writers on religion in America today In *THE SHAPING OF A LIFE* Phyllis Tickle recounts her life with honesty and humor richly conveying both the external events and the internal insights and emotions She shares stories of her childhood in eastern Tennessee as the only child of the dean at the local college including her first inkling of the power and comfort of prayer and her realization that prayer required a disciplined routine that it is best practiced by a composed mind and spirit She writes of the sense of freedom and independence she discovered at college where she fell in love with the language and the teachings of The Book of Common Prayer and decided to leave the Presbyterianism of her childhood and join the Episcopal Church As Tickle chronicles her deepening understanding of prayer and the rewards of marriage family and a spiritual life she reaches across the boundaries that separate one denomination from another and presents a portrait of spiritual growth and transformation that will appeal to devout practitioners and their less religious neighbors as well Within a very personal story Tickle reveals the keys that will help readers of all faiths find the path that leads from the everyday world of doing to the special place of simply being

The Secret Code of the King James Bible Abdullahi

Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me

The History of the Buddha's Relic Shrine Parākrama

Paṇḍita,Stephen C. Berkwitz,2007 Buddhist chronicles have long been had a central place in the study of Buddhism Scholars however have relied almost exclusively on Pali works that were composed by elites for learned audiences to the neglect of a large number of Buddhist histories written in local languages for popular consumption The Sinhala Thupavamsa composed by Parakama Pandita in thirteenth century Sri Lanka is an important example of a Buddhist chronicle written in the vernacular Sinhala language Furthermore it is among those works that inform public discussion and debate over the place of Buddhism in the Sri Lankan nation state and the role of Buddhist monks in contemporary politics In this book Stephen Berkwitz offers the first complete English translation of the Sinhala Thupavamsa Composed in a literary dialect of Sinhala it contains a richly descriptive account of how Buddhism spread outside of India replete with poetic embellishments and interpolations not found in other accounts of those events Aside from being an important literary work the Sinhala Thupavamsa is a text of considerable historical and religious significance It comprises several narrative strands that relate the life story of the Buddha and the manner in which Buddhist teachings and institutions were established on the island of Sri Lanka in ancient times The central focus of this work concerns the variety of relics associated with the historical Buddha particularly how the relics were acquired and the presumed benefits of venerating them The text also relates the mythological history of the Buddha s previous lives as a bodhisattva and concludes with a prediction about the future Buddha Maitreya Reflection on Buddhist ethics and instruction on the Dharma or the Buddha s teaching are found throughout the work indicating that this historical narrative was meant both to recall the past and give rise to religious practice among contemporary readers and listeners This new translation makes a significant work more widely accessible in the West and adds to our knowledge of how local Buddhist communities imagined and represented their religious and cultural heritages in written works From

Before the Beginning to Forevermore Judy Knapp,2022-05-13 Do you know some of the stories from the Bible There s the story of how God created the earth Noah and the ark Joseph and his coat of many colors Moses and the burning bush David and the giant Goliath the story of Jesus s birth many stories of Jesus healing people and of course the wonderful story of the first Easter Did you ever wonder how each of these stories and many others were chosen to be in the Bible and how they fit together Each of these small stories is part of a much much larger story Now most stories begin and end They start with once upon a time and end with they lived happily ever after The Bible is different because it is God s story and He is a forever God His story goes from before the beginning and continues to forevermore and it is all about His big plan for you and me Are you interested in learning more I should warn you that since God is so big His story takes a bit of brain stretching to understand But don t worry brain stretching is not painful **The Children's Great Texts of the Bible** James Hastings,1921
