Sexual Abuse And Incest:

Rape, Incest, and Sexual Harassment Nancy L. Carlson, Kathryn Quina, 1989-12-11 A working guide to the treatment of survivors of sexual victimization this book treats rape incest and harassment as related forms of sexual abuse It reviews present literature on the long term effects of sexual assault and considers the services and support that survivors require Covering a wide range of issues and treatment approaches focus is placed on the older adolescent and adult The phases of recovery following sexual abuse are described together with the type of assistance most appropriate at each phase The authors provide numerous case studies and emphasize the individuality of both survivor and response This guide should be used by both professional and layperson to help the sexually abused transcend feelings of victimization Rape Incest and Sexual Harassment discusses the issues raised by victimization It then deals with the immediate aftermath of sexual abuse focusing on crisis intervention and advocacy with respect to emotional medical and legal needs One section devoted to counselors working with long term effects on survivors matches interventions to the individual client s needs and offers models for counseling frameworks Special needs are also addressed The book concludes with a look at the larger social problems associated with abuse and violence

Sexual Abuse and Incest Dale Robert Reinert, 1997 Sexual abuse is a crime that robs its victims of innocence trust and self esteem and leaves a legacy of misplaced guilt and shame Dale Reinert explores why abusers commit such crimes how sexual abuse affects the lives of teen survivors how society can combat this abuse and how survivors can move on emotionally

Conspiracy of Silence Sandra Butler, 1996

Repair for Kids, 2008-01-01 McKinnon presents a six stage program to help children ages 6 to 12 recover from incest and childhood sexual abuse

Sexual Abuse Jean Goodwin, 1982 Surveys indicate that 16% of women in the general population have experienced sexual contact with a relative In this book intrafamilial sexual abuse and incest are used interchangeably to mean sexual exploitation of a child by an older person in a parental role Clinical problems described are those that the author has encountered in working with some 300 victims Annotation copyrighted by Book News Inc Portland OR

Characteristics and Dynamics of Incest and Child Sexual Abuse Tony Martens, Brenda Daily, Maggie Hodgson, Nechi Institute on Alcohol and Drug Education, 1988

Incest Jean Renvoize, 2023-08-09 In the early 1980s incest was ceasing to be a taboo subject In Britain there was much conjecture but little knowledge about it although some estimates suggested that as many as one child in ten would experience some form of sexual abuse within the family Originally published in 1982 Jean Renvoize had travelled around the USA where considerable attention had been paid to incest in the previous few years meeting professionals ranging through paediatricians policemen university researchers social workers lawyers and more important victims and abusers themselves This knowledge added to the sparser British research opened up a hitherto closed subject bringing a wide range of controversial information to an audience composed of the general public as well as professionals involved in this field at the time The author s clear and easy

style which characterised her earlier books on related subjects *Children in Danger* and *Web of Violence* makes this a work of general as well as specialist interest *Treating Incest* Terry S Trepper, Mary Jo Barrett, 2014-02-04 This timely book provides for the therapist working with cases of intrafamily child sexual abuse both a theoretical background and practical information for the treatment of incest and gives new insight into the complex problems associated with incest With the enactment of more stringent child abuse reporting laws nationwide and increased public education about the problem there has been a dramatic increase in the need for incest related psychotherapy *Treating Incest* is an important source of information about the assessment and treatment of the family that will enable clinicians to provide appropriate crisis intervention for families and make informed judgments about referrals if necessary The book s central theme is that effective treatment of incest requires a systemic approach because incestuous activity is the product of a problematic family rather than the cause The book is divided into two helpful sections assessment issues and treatment issues and techniques *Child Sexual Abuse* National Center on Child Abuse and Neglect (U.S.), Richard A.
