Sexual Detours:

Sexual Detours Holly Hein, 2000-04-01 The Startling Truth Behind Love Lust and Infidelity At long last we have a book about affairs that is not about blame Sexual Detours offers an illuminating and powerful portrait of the human psyche that sheds light on the hidden dark recesses of the world of infidelity Its striking and metaphorical language unravels the secrets behind affairs This book is for anyone who has ever been enchanted and beguiled by the idea of a romance entangled in a clandestine relationship devastated by betrayal recovering from loss or even simply hoping to find love and happiness In short everyone We've all thought about having an affair Who hasn't wondered what it would be like to have a relationship with that special person right next door in the other office or just around the corner We all crave ecstasy obsession excitement and romance And we all find intimacy and elusive chimera slipping from our grasp Sometimes we look for solace in the arms of a lover and seek a romantic exit on the highway of our lives as we struggle with our dreams and wishes fears and realities With insight and sensitivity Dr Holly Hein leads us on a voyage of discovery that explores the true meaning behind our sexual detours She shows us why we do it How we do it And what to do about it Dr Hein clarifies that an affair reveals more about our selves than about our sex lives it is more about the chemistry of escape than about sexual lightning And ultimately an affair is more about the betrayal of the self than it is about breaking marriage vows Every affair has a cover story and carries a secret message written in code it is as unique as a fingerprint Dr Hein explains how to decipher the hidden code and to interpret the true message behind the cover story repairing the cables of communication and translating the language of the inner world Vivid case histories illustrate how unrecognized unexpressed needs often surface in disguise leading us to take flight and reject what our partner symbolizes as we seek escape in the fantasy of a tryst Dr Hein illustrates how an affair conceals the real issues showing us how to recognize this and tells us what steps to take in order to have more rewarding intimate relationships Sexual Detours is a beacon to all who have been touched by the anguish denial resentment guilt and shame of an affair encouraging us to emerge from the pain of infidelity and create a self awareness that will forge the bonds of a lasting intimacy

Sexual Detours Holly Hein, 2001-04-10 With insight and sensitivity Dr Holly Hein leads on a voyage of discovery that explores the true meaning behind our sexual detours She shows us why we do it how we do it and what to do about it Dr Hein clarifies why an affair reveals more about ourselves than about our sex lives why it is more about the chemistry of escape than about sexual lightning And ultimately she explains why an affair is more about the betrayal of the self than it is about breaking marriage vows This book is for anyone who has ever been beguiled by the idea of romance entangled in a clandestine relationship devastated by betrayal forced to recover from loss or even simply hoped to find love and happiness In short everyone

Lusosex Susan Canty Quinlan, Fernando Arenas, Some of the most compelling theoretical debates in the humanities today center on representations of sexuality This volume is the first to focus on the topic in particular the connections between nationhood sex and gender in the Lusophone or Portuguese speaking world

Written by prominent scholars in Brazilian Portuguese and Lusophone African literary and cultural studies the essays range across multiple discourses and cultural expressions historical periods and theoretical approaches to offer a uniquely comprehensive perspective on the issues of sex and sexuality in the literature and culture of the Portuguese speaking world that extends from Portugal to Brazil to Angola Cape Verde and Mozambique Through the critical lenses of gay and lesbian studies queer theory postcolonial studies feminist theory and postmodern theory the authors consider the work of such influential literary figures as Clarice Lispector and Silviano Santiago An important aspect of the volume is the publication of a newly discovered and explicitly homoerotic poem by Fernando Pessoa published here for the first time in the original Portuguese and in English translation Chapters take up questions of queer performativity and activism female subjectivity and erotic desire the sexual customs of indigenous versus European Brazilians and the impact of popular music as represented by Caetano Veloso and others on interpretations of gender and sexuality Challenging static notions of sexualities within the Portuguese speaking world these essays expand our understanding of the multiplicity of differences and marginalized subjectivities that fall under the intersections of sexuality gender and race

Testosterone Inc Christopher M. Byron, 2005-04-08 In Testosterone Inc Tales of CEOs Gone Wild bestselling author and New York Post columnist Chris Byron chronicles the Gatsby like saga of the rise and fall of the celebrity CEO During the height of the 1990s bull market they were America's new heroes the heroes of business They were our bold new leaders cutting the fat pushing for productivity implementing visionary plans and making strategic deals When the bull market turned to bust and the applause turned to cat calls the world was shocked at the truth Drenched in money and public acclaim our CEO heroes mostly white mostly male mostly middle aged turned out to be not much different than a group of twenty something rock stars drunk on power and driven by sex greed and glamour Testosterone Inc goes behind the boardroom doors to show the serial affairs and marriages of these acquisitive corporate titans At the center of this story is Jack Welch the biggest of America's rock star CEOs and the former head of General Electric Co surrounded by mini me CEOs Ron Perelman of Revlon Al Dunlap of Sunbeam and Dennis Kozlowski of Tyco all gone wild in public displays of consumption and predatory appetites writ large Byron gets inside the bars where Welch liked to hang out and pick up women with his early business soul mate buddies Byron hovers unseen at the elbow of Ron Perelman and his mistress aboard the Concorde for a week in Paris in his mistaken belief that his wife knows nothing about his secret affair Byron peeks behind the curtains of a U S Army officers quarters to behold Al Dunlap horrifying his first wife who claimed in her divorce action that Dunlap would point his knife at her and say I often wondered what human flesh tasted like Byron becomes a fly on the wall to chronicle the longing for respect and serial womanizing of Dennis Kozlowski Frequently hilarious sometimes heartbreaking Testosterone Inc follows the intertwined lives of these four corporate heroes from childhood to their ultimate moments of glory and the crash and burn calamities that followed as man's age old hunger for power greed and temptation undid them all From suicide to murder from dysfunctional childhoods to

dysfunctional marriages in adulthood from business chutzpah to financial suicide here is the ultimate untold business story of our time what went on at century s end when testosterone got the best of businessmen everywhere and CEOs went wild

Affaircare: Caring for Your Marriage After an Affair David H. Taylor,Cindy J. Taylor,2010-12-08 An affair is a severe symptom of a marriage that is suffering It is rarely if ever the cause of the problems in the marriage A marriage as a commitment between two people is only as healthy as the work the partners put into it Unless that work is aimed at the health of the marriage unless that work is ongoing the marriage will begin to suffer You can restore your marriage from the devastation of an affair This book offers you a solid step by step plan that will not only work toward recovering your marriage but benefit you as an individual as well Cheating on the Sisterhood Lauren Rosewarne,2009-05-14 Drawing on the author s own experience as the other woman in an affair with am otherwise committed man this contemporary feminist study is the first to label the role of the two timing male as sexual terrorist Cheating on the Sisterhood Infidelity and Feminism is a feminist analysis of the imbroglio of sexual politics brute sociobiology and pop mediated passion that is conjured up when a married man cheats on his wife with a younger single woman Drawing frankly on her own experience as the other woman Lauren Rosewarne scrutinizes the alternate readings of the politics of cheating in terms of feminism s program of gender equality Arguing that contemporary feminism does not automatically endorse or reject any particular choices she shows what happens when all three parties to the classic triangle happen to be feminists each trotting out a different set of feminist arguments to justify vilify and rationalize his or her actions Is the other woman this book asks just a tool of the cheating man s assertion of gender dominance over both his mate and his mistress and a willy nilly a traitor to the sisterhood

Affinographs Davor Jedlicka,2011-06-11 The need for a new method for assessment and imaging of families couples and individuals has emerged in response to changes in family forms during the twentieth century In the twentieth century divorce remarriage out of wedlock child bearing and alternate life styles have replaced monogamy as predominant form of marriage and the family The methods of representation and assessment on the other hand remain based on the nineteenth century eugenics models embedded in the modern day genograms This book is based on the premise that changes in family structure require changes in methods of representation assessment research and teaching This book introduces such a method in the form of a model named the affinograph The affinograph provides a method which allows a greater respect for individuals especially if their relationships contradict the preconceived institutional notions of marriage and the family Improvement in visualizing families of various types and complexities can make affinographs an important new method that can bring together the theory research and application across varied disciplines that comprise family sciences Queer Objects to the Rescue George Paul Meiu,2023-12-13 Examines forms of intimate citizenship that have emerged in relation to growing anti homosexual violence in Kenya Campaigns calling on police and citizens to purge their countries of homosexuality have taken hold across the world But the homosexual threat they claim to be addressing is not always easy to identify To make that

threat visible leaders media and civil society groups have deployed certain objects as signifiers of queerness In Kenya for example bead necklaces plastics and even diapers have come to represent the danger posed by homosexual behavior to an essentially virile construction of national masculinity In *Queer Objects to the Rescue* George Paul Meiu explores objects that have played an important and surprising role in both state led and popular attempts to rid Kenya of various imagined threats to intimate life Meiu shows that their use in the political imaginary has been crucial to representing the homosexual body as a societal threat and as a target of outrage violence and exclusion while also crystallizing anxieties over wider political and economic instability To effectively understand and critique homophobia Meiu suggests we must take these objects seriously and recognize them as potential sources for new forms of citizenship intimacy resistance and belonging **Tell Me No Lies** Peter T. Pearson, Ellyn Bader, Judith D. Schwartz, 2001-12-14 Lying For Better or Worse Everybody lies Friends lie to friends Children lie to their parents Politicians lie to constituents And inevitably husbands and wives lie to each other Lies between lovers have tremendous potential to both nurture and destroy a relationship It is easy to underestimate the power that lies even seemingly harmless lies can wield in your marriage *Tell Me No Lies* explores the complexity of honesty versus deception in marriage and reveals the many reasons behind the lies we tell our partners and ourselves Learn the four marital stages The Honeymoon Emerging Differences Freedom Together as Two Discover how to recognize how lying can lead to serious trouble at each stage The signs include The Dark Side of the Honeymoon when couples refuse to acknowledge any problems The Stalemate when couples fight and brutalize each other with exaggerated truths Freedom Unhinged when independence outweighs togetherness and marital anarchy ensues Offering a new way of thinking about truth and deception this book will help you understand the dynamics of your marriage in the context of the marital stages If you can identify your marital stage you can overcome the barriers to honesty and move on to a happier and more fulfilling marriage *Detours* Hokulani K.
