Sexual Revolution

Gottfried Heuer

Sexual Revolution:

Make Love, Not War David Smith Allyn, 2001 First published in 2001 Routledge is an imprint of Taylor Francis an information company

Sexual Revolutions G. Hekma, A. Giami, 2014-05-13 Sexual Revolutions explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change

The Sexual Revolution Peter J. Elliott, 2023-02-20 Bishop Elliott's book is a great tool for defending Catholic sexual ethics as humane and reasonable His experience representing the Holy See at the United Nations has given him a ring side seat in the battles showing just how radical the sexual revolutionaries really are He offers a rare combination of sound theology and practical experience Provided by publisher

The Sexual Revolution in Russia Игорь Семенович Кон, 1995

Social and Sexual Revolution Bertell Ollman, 1979 The author of Alienation extends his original approach to social theory in this discussion of Marx's view of socialism class analysis and the problem of socialist consciousness and Wilhelm Reich's contributions to the psychology of social change

The Sexual Revolution Wilhelm Reich, 1986-03 In this book Wilhelm Reich summarizes the criticism of the prevailing sexual conditions and conflicts as it resulted from his sex economic medical experiences over a period of years

Sexual Revolutions Gottfried Heuer, 2010-11-17 The ideas of psychoanalyst Otto Gross 1877-1920 have had a seminal influence on the development of the psychoanalytic discipline and yet his work has been largely overlooked Sexual Revolutions introduces the work of Otto Gross to the academic and clinical fields of psychoanalysis and Jungian Analysis

Immigrants in the Sexual Revolution Andrew DJ Shield, 2017-08-29 This book focuses on the latter half of the twentieth century when much of northwest Europe grew increasingly multicultural with the arrival of foreign workers and post colonial migrants whilst simultaneously experiencing a boom in feminist and sexual liberation activism Using multilingual newspapers foreign worker organizations archives and interviews this book shows that immigrants in the Netherlands and Denmark held a variety of viewpoints about European gender and sexual cultures Some immigrants felt solidarity with and even participated in European social movements that changed norms and laws in favor of women's equality gay and lesbian rights and sexual liberation These histories challenge today's politicians and journalists who strategically link immigration to sexual conservatism misogyny and homophobia

Polish Sexual Revolutions Anna Dobrowolska, 2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain

studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region [Sexual Revolutions in Cuba](#) Carrie

Hamilton, 2012-03-12 In [Sexual Revolutions in Cuba](#) Carrie Hamilton delves into the relationship between passion and politics in revolutionary Cuba to present a comprehensive history of sexuality on the island from the triumph of the Revolution in 1959 into the twenty first century Drawing on an unused body of oral history interviews as well as press accounts literary works and other published sources Hamilton pushes beyond official government rhetoric and explores how the wider changes initiated by the Revolution have affected the sexual lives of Cuban citizens She foregrounds the memories and emotions of ordinary Cubans and compares these experiences with changing policies and wider social political and economic developments to reveal the complex dynamic between sexual desire and repression in revolutionary Cuba Showing how revolutionary and prerevolutionary values coexist in a potent and sometimes contradictory mix Hamilton addresses changing patterns in heterosexual relations competing views of masculinity and femininity same sex relationships and homophobia AIDS sexual violence interracial relationships and sexual tourism Hamilton s examination of sexual experiences across generations and social groups demonstrates that sexual politics have been integral to the construction of a new revolutionary Cuban society

Yeah, reviewing a book **Sexual Revolution** could grow your close associates listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have wonderful points.

Comprehending as capably as concurrence even more than extra will meet the expense of each success. adjacent to, the notice as well as acuteness of this Sexual Revolution can be taken as capably as picked to act.
