friend Ben a rising science superstar and Amelia's new boyfriend That balance begins to crumble one night when coming home to his upscale Philadelphia loft Matthew finds himself on a desolate bridge face to face with a boy screaming for help Homeless for most of his life ten year old Danny is as streetwise as he is world weary and his desperation to save his three year old sister means he will do whatever it takes to get Matthew's help What follows is an escalating game of one upmanship between Matthew Amelia and Danny as all three players struggle to defend what is most important to them and are ultimately forced to reconsider what they truly want Dazzlingly written with a riveting story that will resonate with listeners everywhere Lisa Tucker's *The Cure for Modern Life* is a smart humorous big hearted novel about what it means in the twenty first century to be responsible to care about other people and to do the right thing [Erotic Attunement](#) Cristina L. H. Traina, 2011-12-01 Heightened awareness of the problem of sexual abuse has led to deep anxiety over adults touching children in nearly any context Though our society has moved toward increasingly strict enforcement of this taboo studies have shown that young children need regular human contact and the benefits of breastfeeding have been widely extolled Exploring the complicated history of love desire gender sexuality parenthood and inequality *Erotic Attunement* probes the disquieting issue of how we can draw a clear line between natural affection toward children and perverse exploitation of them Cristina L H Traina demonstrates that we cannot determine what is wrong about sexual abuse without first understanding what is good about appropriate sensual affection Pondering topics such as the importance of touch in nurturing children the psychology of abuse and victimhood and recent ideologies of motherhood she argues that we must expand our philosophical and theological language of physical love and make a distinction between sexual love and erotic love Taking on theological and ethical arguments over the question of sexuality between unequals she arrives at the provocative conclusion that it can be destructive to completely bar eroticism from these relationships **The Wiley Blackwell Companion to Practical Theology** Bonnie J.
