Sexuality And Human Rights A Global Overview:

Sexuality and Human Rights Phillip Tahmindjis, 2014-05-22 Finally a comparative overview of sexuality and human rights issues and law Human rights issues exist globally particularly when they have to do with sexuality Sexuality and Human Rights A Global Overview focuses on the controversial issues of human sexuality and the legal challenges that LGBT individuals face Internationally recognized legal experts thoroughly discuss the status of important human rights laws pertaining to sexuality from around the world Reviewing the progression from historical foundations and shifting public opinions through the most recent landmark legal cases this is an essential resource on the present state of human rights laws and sexuality This unique up to date examination of the legal issues involving LGBT individuals rights around the world reviews the latest rulings such as the adoption of minors by homosexual or bisexual parents the legal acceptance of marriage between same sex couples whether the gender reassigned can be legally considered their true gender identity and much much more Sexuality and Human Rights A Global Overview illustrates the journey our worldwide legal systems have traveled and the path stretching before them until the destination of equality and acceptance in sexuality may finally be reached Well referenced comprehensive and yet accessible to the general reader this book provides a crucial provocative look at just what basic sexual human rights means in today s laws Some of the topics of Sexuality and Human Rights A Global Overview include perspectives and objectives to challenge discrimination sexuality and international human rights law sexuality and human rights in Australian law transsexuals issues in European human rights law sexual orientation and gender identity legal issues in North America the present state of sexuality and human rights in European law the Asian legal perspective on sexuality and human rights laws pertaining to sexual identity issues Sexuality and Human Rights A Global Overview is a vital reference source for law educators law students gay rights activists and law reformers

Sexuality, Human Rights, and Public Policy Chima J. Korie, Elizabeth O. Onogwu, 2019-11-12 Sexuality Human Rights and Public Policy explores the intersection of public policy human rights and sexuality as they relate to inclusion and exclusion across diverse cultural settings It examines how knowledge is formed and experienced at the intersections of culture sexuality race and other axes of identity This volume engages an array of questions including how public policy shapes the conceptualization of sexuality and rights and by extension the phenomena of inclusion and exclusion in contemporary society across the world By evaluating how public discourse is employed to reinscribe differences of gender sexuality and rights of citizens this book provides a comparative analysis of how these processes and dynamics resemble each other or differ cross culturally This book demonstrates that in the realm of sexualities approached from the ideal of human rights as a predominantly Western notion is increasingly challenged by diverse views and new interpretations of human rights in non Western societies such as Africa and the Middle East

Routledge Handbook of Queer Development Studies Corinne L. Mason, 2018-01-29 Around the world lesbian gay bisexual trans intersex and queer individuals are subjected to violence and intimidation based

on their real or perceived sexuality gender identity or expression With those most at risk of human rights violations often living in areas of low economic development questions of sexuality gender identity and expression have become a significant area of research within the field of development studies The Routledge Handbook of Queer Development Studies is the first full length study of queer development studies collecting the very best in research from around the world Topics for discussion include Queering policy and planning in development Queer development critique and queer critiques of development Global LGBTIQ rights Queer social movements and mobilizations At a time when development and human rights organizations such as the World Bank Office of the UN Secretary General and Human Rights Watch are placing increasing importance on global LGBT rights the Routledge Handbook of Queer Development Studies is an essential guide for scholars upper level students practitioners and anyone with an interest in global sexualities gender identities and expressions **The**

Wiley Blackwell Companion to Political Geography John A. Agnew, Virginie Mamadouh, Anna Secor, Joanne Sharp, 2017-07-24 The Wiley Blackwell Companion to Political Geography aims to account for the intellectual and worldly developments that have taken place in and around political geography in the last 10 years Bringing together established names in the field as well as new scholars it highlights provocative theoretical and conceptual debates on political geography from a range of global perspectives Discusses the latest developments and places increased emphasis on modes of thinking contested key concepts and on geopolitics climate change and terrorism Explores the influence of the practice based methods in geography and concepts including postcolonialism feminist geographies the notion of the Anthropocene and new understandings of the role of non human actors in networks of power Offers an accessible introduction to political geography for those in allied fields including political science international relations and sociology The Greenwood Encyclopedia of LGBT Issues Worldwide Chuck Stewart, 2009-12-18 This set has an ambitious scope with the goal of offering the most up to date international overview of key issues in the lives of lesbian gay bisexual and transgender individuals HIV AIDS has been a major media focus but this set fosters a broader understanding of the status of LGBT individuals in their society More than 70 countries are represented The clear accessible prose is appropriate for high school student research on up The material is especially needed in a cultural climate that increasingly supports and requires information about LGBT populations The content is useful for a paper on a hot topic health classes discussion groups and gay straight alliance groups
