Sexuality And Catholicism

Thomas C Fox

Sexuality And Catholicism:

Sexuality and Catholicism Thomas Charles Fox,1995-08-22 A balanced broad summary of Catholicism s response to sexuality Kirkus Sexuality and Catholicism offers a concise and well rounded analysis of all the most important and most widely discussed issues concerning sexuality and Roman Catholicism The theme of this volume the sin of sexuality is as old as the creation story and as new as the Vatican s reassertion that divorced and remarried Catholics must choose between the sacraments and having sex in marriage A daily presence in the news this highly controversial subject affects millions within the church and millions more who look to the church for moral guidance **Sexuality and Catholicism** Thomas C

Fox,2000-08-29 A balanced broad summary of Catholicism s response to sexuality Kirkus Sexuality and Catholicism offers a concise and well rounded analysis of all the most important and most widely discussed issues concerning sexuality and Roman Catholicism The theme of this volume the sin of sexuality is as old as the creation story and as new as the Vatican s reassertion that divorced and remarried Catholics must choose between the sacraments and having sex in marriage A daily presence in the news this highly controversial subject affects millions within the church and millions more who look to the church for moral guidance **The Sexual Person** Todd A. Salzman,Michael G. Lawler,2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A Salzman and Michael G Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like Gaudium et spes the marital act promotes self giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity s historically and culturally conditioned understanding of human sexuality The Sexual Person draws historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians and between theologians and the Magisterium **The Catholic Church on Marital Intercourse** Robert Obach,2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church s theology of marital sexuality from New Testament times to the present day The early ecclesial leaders promoted a theology of sexuality based on Stoicism s biological perception that sexual activity was solely for the purpose of reproduction Only in the early twentieth century did a few theologians begin to move beyond

discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves With the Second Vatican Council 1962 1965 a new and positive view of marital sexuality emerged recognizing the Pauline view that the couple s marital acts express their love for each other along the lines of Christ s love for his church Ephesians 5 In sum The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other Inclusion and Sexuality in Catholic Higher Education Mark A. Levand, 2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States making it the largest study of its kind this volume explores effective practice in improving institutional policy relating to issues of sexuality The text calls attention to campus cultures of fear shame or denial around sexuality and highlights possible points of institutional resistance to changes in policy Discussing topics such as sexual identity sexuality education in the curriculum Title IX employee termination and morality clauses the book shows how staff and faculty are crucial in effecting change across Catholic campuses providing valuable insight into the unspoken rules around sexuality within the shadow culture at Catholic institutions Moreover the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity solidarity and the common good to achieve sexual inclusivity A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and gender in higher education it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions It will thus appeal to researchers and academics working in the fields of Higher Education Management Gender and Sexuality in Education Religion Gender and Sexuality and the Sociology of Religion The Catholic Church and Modern Sexual Knowledge, 1850-1950 Lucia Pozzi, 2021 This book offers an engaging and well researched study of the relationship between Catholicism and sexual science it will make a useful contribution to the histories of sexuality and religion helping these two often disparate fields speak to each other in new ways David Geiringer Associate Lecturer and Post doctoral Research Fellow Queen Mary University of London UK Too often historians of sexuality especially in the English speaking world work with stylised views of the Catholic Church s regulation of women s sexuality By reading Lucia Pozzi s book they can gain a more nuanced view based on fine grained archival research Peter Cryle Emeritus Professor University of Queensland This book is the first to present a comprehensive historical picture of the modern Catholic concern with the body and sexuality The Catholic church is commonly believed to have always opposed birth control and abortion throughout the centuries Yet the Catholic encounter with modern sexuality has a more complex and interesting history What was the meaning of sexual purity Why did eugenics matter to Catholicism How did the Society of Jesus interpret the idea of overpopulation Why did Pius XI decide to issue the notorious encyclical *Casti connubii* on Christian marriage the first modern

papal pronouncement on birth control abortion and eugenics In answering these questions Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge showing the Catholic church at times resisting but also often welcoming scientific modernity Lucia Pozzi is an intellectual historian in the Institute for Advanced Studies in the Humanities at the University of Queensland Australia She is the author of journal articles and book chapters on the history of modern Catholic discourses on sexuality and eugenics *Embracing Sexuality* Joseph Selling, 2020-07-24 This title was first published in 2001 This text examines sexuality and interpersonal relationships in relation to the Catholic Church Topics discussed include spirituality sexuality bodiliness and sacramentality the female experience of sexuality authority and the development of Catholic tradition and sexual morality **Human Sexuality in the Catholic Tradition** Kieran Scott, Harold Daly Horell, 2007 Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality and often sex education that is offered often does not promote a mature integrated understanding of sexuality Human Sexuality in the Catholic Tradition meets the great need for pastoral guidance in addressing moral issues of sexuality in both the Church and broader culture today Kieran Scott and Harold Horell explore with other leading scholars how to draw from the best Christian faith traditions to renew our understanding of sexuality explore the integration of our sexuality and our spirituality and develop life affirming and life sustaining ways of approaching contemporary sexual issues This book explores sexuality from spiritual psychological moral and ministerial perspectives and addresses specific issues such as sex and marriage celibacy homosexuality and cohabitation **Sexuality and the U.S. Catholic Church** Lisa Sowle Cahill, John Garvey, Thomas Frank Kennedy, 2006 No issue in the contemporary Church evokes more controversy than sexuality In the wake of the clerical abuse scandals the Catholic Church has come under intense scrutiny criticized for being either too repressive or too lenient in its approach to human sexuality In Sexuality and the U S Catholic Church Lisa Sowle Cahill John Garvey and T Frank Kennedy S J introduce the work of leading Catholic theologians writers and scholars to help ground the conversation in the tradition identify modern day challenges and point to resources for the future Topics include homosexuality and marriage theology of the body possibilities and limitations views of celibacy past and present rebuilding community childbearing sexual discipleship and future challenges **The Unhealed Wound** Eugene C. Kennedy, 2002-03-11 Kennedy a psychologist former priest and a leading Catholic author and scholar addresses one of the most compelling yet undiscussed issues in the Church human sexuality The Unhealed Wound is a penetrating and insightful study of the unresolved conflicts Catholics face regarding both their sexuality and spirituality deep conflicts which grow more and more serious as they remain unaddressed within the Church The Unhealed Wound also examines the Church's formidable hierarchy challenging those clerics who uphold papal edicts unthinkingly Articulating our need not only to understand but celebrate our own sexuality this book will engender both controversy and heated dialogue among today's scholars students and believers of Catholicism
