**Sexuality and Human Values** Sex Information and Education Council of the U.S.,1974     SIECUS Sexuality and Human Values Mary S. Calderone,1974     Exploring the Dimensions of Human Sexuality Jerrold Greenberg,Clint Bruess,Sarah Conklin,2010-03-10 Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially Throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility     *Sexual Ideology and Schooling* Alexander McKay,1999-11-04 Sexuality education in the schools has become a key battleground in the wider social conflict over the sexual norms of Western culture In Sexual Ideology and Schooling Alexander McKay conceptualizes the sexuality debates as a battle between two basic but diametrically opposed belief systems about the nature and purpose of sexuality in human life and society Restrictive and Permissive He outlines the philosophical moral foundations of a democratic approach to teaching young people about sexuality and persuasively argues that public institutions including the schools should base public policy related to sexuality on democratic principles rather than the dictates of sexual ideology

*Exploring the Dimensions of Human Sexuality* Jerrold S. Greenberg,Clint E. Bruess,Sara B. Oswalt,2014     *Heterosexual Histories* Rebecca L. Davis,Michele Mitchell,2021-02-09 The history of heterosexuality in North America across four centuries Heterosexuality is usually regarded as something inherently natural but what is heterosexuality and how has it taken shape across the centuries By challenging ahistorical approaches to the heterosexual subject Heterosexual Histories constructs a new framework for the history of heterosexuality examining unexplored assumptions and insisting that not only sex but race class gender age and geography matter to its past Each of the fourteen essays in this volume examines the history of heterosexuality from a different angle seeking to study this topic in a way that recognizes plurality divergence and inequity Editors Rebecca L Davis and Michele Mitchell have formed a collection that spans four centuries addressing the many different racial groups geographies and subcultures of heterosexuality in North America The essays range across disciplines with experts from various fields examining heterosexuality from unique perspectives a historian shows how defining heterosexuality sex and desire were integral to the formation of British America and the process of colonization a legal scholar examines the connections between race sexual citizenship and nonmarital motherhood a gender studies expert analyzes the Clinton Lewinsky scandal and explores the intersections of heterosexuality with shame and second wave feminism Together these essays explain how differently earlier Americans understood the varieties of gender and different sex sexuality how heterosexuality emerged as a dominant way of describing gender and how openly many people acknowledged and addressed heterosexuality s fragility By contesting presumptions of heterosexuality s stability or

consistency *Heterosexual Histories* opens the historical record to interrogations of the raced classed and gendered varieties of heterosexuality and considers the implications of heterosexuality's multiplicities and changes. Providing both a sweeping historical survey and concentrated case studies, *Heterosexual Histories* is a crucial addition to the field of sexuality studies.

**America's Sexual Transformation** Gary F. Kelly, 2011-11-15 This book explains how the short lived sexual revolution 50 years ago has led to the current evolution of our sexual values and behaviors and social standards among youth culture examining topics such as communication technologies and sex, teen pregnancy and divorce rates in the Bible Belt. Is an increase in sexual activity during adolescence a normal part of the transition to adulthood or evidence of a societal problem? Why would conservative religious youth become sexually active earlier than their peers and be more likely to have an unintended pregnancy or sexually transmitted disease? How are women continuing to lead our society's sexual transformation? Written by an author whose 40 year career in sexology and university administration provides a uniquely qualified perspective upon both sex research and the changing sexual perceptions of American youth, this comprehensive book is a must read for both parents and policy makers. *America's Sexual Transformation* traces the philosophical, cultural and scientific developments responsible for the beginning and end of America's sexual revolution that have now spawned a more substantive sexual transformation. It examines traditional theories and attitudes regarding sex and demonstrates how the findings of sex research provide entirely new paradigms that should replace outmoded and harmful theories. This groundbreaking book also explains who we are as sexual individuals and how we got to be that way. *Exploring the Dimensions of Human Sexuality*, *Human Sexuality* Eric Golanty, Gordon Edlin, 2011-03-02 *Human Sexuality: The Basics* presents the core information underlying the vast subject of human sexuality in a concise, no-frills manner that is easy for students to read and comprehend. Emphasis on the biological basis of sexuality provides students with a structure to understand the important aspects of sexuality presented in other chapters. This approach also provides the basis for encouraging tolerance, acceptance and understanding of different sexual preferences and behaviors. Critical thinking questions at the end of each chapter along with learning objectives, summaries and definitions of terms facilitate learning for students. Book Jacket *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1971 First multi-year cumulation covers six years 1965-70.
