related past phenomena will enable current practices of financial management and accounting practices to be understood and appreciated more History can explain the origins of current phenomena especially to the new generation who need to understand their identity and appreciate the contributions of past society This book offers an explanation of the past regarding financial management practices and accounting practices in North Borneo now known as the state of Sabah As a branch of knowledge and practice of society which is more inclined to analyze the current situation and explore the future through economic models mathematical formulas and statistical forecasts historical perspectives on financial management practices and accounting practices represent an outlook that is very rarely explored by researchers of accounting practices nor is it a popular choice among historical writers This book which chose North Borneo during the colonial era 1881 1963 as the study background is very useful as reference material by researchers and students as well as reading material to the public especially those interested in understanding the development of past financial management practices and accounting practices and their association to current practices The coverage of this book is very comprehensive covering 83 years period and presents reviews of the socioeconomic and political development of North Borneo related to the development of financial management practices and accounting practices *Practical Financial Management* William Lasher, Peggy L. Hedges, Terry J. Fegarty, 2006 The first Canadian edition of *Practical Financial Management* is the latest milestone in a journey in education shared by the authors They believe that most finance texts are harder for students to understand than they should be The issue is relatively unique to this field *Practical Financial Management* is unique because of its approach to teaching finance that approach is the result of a combination of classroom and practical experience The book is easy to read enjoyable and non intimidating In other words the text is accessible and the reviewers have been unanimous in their praise of the work's conversational style and readability

Risk Premium & Management - an Asian Direct Real Estate (Dre) Perspective

Ho Kim Hin/David, 2020-09-24 This book is concerned with the unique findings contributions and recommendations made on several crucial issues relating to the concomitant subjects of direct real estate DRE risk premiums and DRE risk management Chapter 1 examines the institutional nature of legal origin and the total returns TRs from investing in a country's DRE and via the adoption of a multi factor arbitrage pricing theory APT model Chapter 2 affirms the true historical volatility to be a reasonable estimation of international DRE risk premiums when the autoregressive lag orders of the de smoothed returns and the multi factor model are taken into account Chapter 3's real world of international DRE investing counts on sustainable international DRE investing imperative for the investing organization's willingness and preparedness to effectively manage risk or uncertainty early enough as part of the risk management cycle in pursuing high risk adjusted TRs for DRE assets Chapter 4 recommends a model of the intuitive build up approach of forming the DRE investment hurdle rates for new DRE investing The resultant DRE risk premiums serve a rough guide to ensure that the DRE hurdle rate is stringent and high enough to achieve the risk adjusted and Sharpe optimal portfolio TR Chapter 5 examines the integrated DRE investment

strategy for a 13 city Pan Asia DRE portfolio of office industrial real estate and public listed DRE companies adopting the analytic hierarchy process AHP and the Markowitz quadratic programming models Such models enable the versatile strategic asset SAA and the tactical asset TAA allocations Chapter 6 enables the DRE institutional investor to achieve a comprehensive and in depth return and risk assessment at the DRE level for the 4 prime Asia residential sectors of Shanghai SH Beijing BJ Bangkok BK and Kuala Lumpur KL under the DRE VaR incremental DRE VaR and the risk adjusted return on capital RAROC Chapter 7 reiterates that public policies on macroeconomic management have to be consistent and non conflicting in a widely accepted policy compact It is because the policies reinforce the fundamental investment value of large and complex developments affecting the sustainable viability like the integrated resort IR at Marina Bay Singapore Chapter 8 draws attention to the aftermath of the Asian economic crisis terrorism and viral epidemics that compel more DRE investors to risk diversify their operations beyond their primary market into other parts of Asia However limited studies examine risk reduction diversification strategies via split returns i e decomposing TRs into rental yield returns and capital value CV returns Chapter 9 proposes and recommends the intelligent building IB framework via the fuzzy logic FL engine leading to a robust measure of building intelligence and a standard guideline for a consistent performance based structure for the promotion of the correct IB classification
