Shackleton's Captain A Biography Of Frank Worsley:

Shackleton's Captain John Thomson, 1999 Frank Worsley shared with Sir Ernest Shackleton one of the greatest adventures of the Heroic Age of Antarctic exploration After their ship Endurance was crushed in the ice in 1915 they made what is perhaps the most famous small boat journey in history across 800 miles of the world's roughest seas to get help Worsley's diaries and notes still provide the main records of that journey yet the fame of Shackleton rather overshadowed the modest New Zealander This first ever biography of Worsley sets out to restore the balance It tells the full story of his extraordinary life from childhood as a larrikin in Akaroa New Zealand to his apprenticeship at sea and the development of his remarkable skills as navigator and sailing master It also backgrounds the particular friendship that flourished between Worsley and Shackleton In an age of mass communications Frank Worsley would have been a public figure as famous as Sir Edmund Hillary This biography gives an unhallowed yet eminent New Zealander his proper place in history *Frank Worsley* John Thomson, Judith Watson, 2014-08-01 This book is a biography of Frank Worsley without doubt one of New Zealand's greatest but largely unsung adventuring heroes Born in Akaroa he went to sea as a teenager in 1888 on the sailing ships plying their trade between New Zealand and England But the greatest adventure of his life began when he became the captain of Sir Ernest Shackleton's ship Endurance which was trapped in pack ice on the 1914-1916 Antarctic expedition and slowly crushed The crew of 28 spent over a year camped on the Antarctic ice before Shackleton Worsley and four others sailed a tiny lifeboat across the wild Southern Ocean to South Georgia to summon help for the rest of the men who were all eventually rescued This 17 day journey remains one of the greatest ever feats of seamanship and relied totally on Worsley's brilliant navigation Worsley was more than just Shackleton's captain however For the rest of his life he continued to seek adventures in a manner contemporaries described as fearless being decorated for bravery in both world wars and continuing to captain ships all around the world This is a revision of John Thomson's 1998 book Shackleton's Captain and features new information and illustrations to refresh a story that deserves to be retold for future generations The story of this proud New Zealander's remarkable approach to life far from home will inspire young men and women who dare to lift their gaze above the ordinary

Shackleton's Boat Journey F. A. Worsley, 2007 This is the classic account of Sir Ernest Shackleton's 1914-1916 Antarctic expedition Written by the captain of the Endurance the ship used by Shackleton on this ill-fated journey it is a remarkable tale of courage and bravery in the face of extreme odds and a vivid portrait of one of the world's greatest explorers A breathtaking story of courage under the most appalling conditions Edmund Hillary

Ice Captain: The Life of J.R. Stenhouse Stephen Haddelsey, 2011-11-08 Much has been written on Antarctic explorer Ernest Shackleton This is the story of the Endurance expedition's other hero Joseph Russell Stenhouse 1887-1941 who as Captain of the SS Aurora freed the ship from pack ice and rescued the survivors of the Ross Sea shore party deeds for which he was awarded the Polar Medal and the OBE He was also recruited for special operations in the Arctic during the First World War became involved in

Seal Fisheries of the Falkland Islands and Dependencies Anthony B. Dickinson, 2017-10-18 This study offers a chronological history of seal fishing in the Falkland Islands and Dependencies from the eighteenth century to the early twenty first. It concerns the fluctuating seal population due to sealing the Atlantic and global demand for seal fur and oil, the competition between American, British and Canadian sealers over the territory's seal stocks and the attempts by various ruling governments to prioritise domestic sealing, maintain sufficient seal stocks and continue to make profit. It is comprised of nine chapters, the first and last chapters of which serve as introduction and conclusion. The study also includes eight appendices presenting tabled statistics and a select bibliography. The appendices concern seal skin imports into London, vessel details at Puerto Soledad, the value and amount of seal products exported from the Falklands, Canadian sealing vessels entering Port Stanley, seal catch and oil yield in South Georgia, South Georgian seal catch summaries, South Georgian commercial catches by sealing division and marine mammal products landed in the Newfoundland fisheries region.

Shackleton's Photographer Shane Murphy, 2002 A richly illustrated biography of the life and times and personality of Frank Hurley and the Endurance expedition.

The Lost Men Kelly Tyler-Lewis, 2007-03-27 The untold story of the last odyssey of the heroic age of Antarctic exploration. Sir Ernest Shackleton's 1914 Antarctic endeavor is legend, but for sheer heroism and tragic nobility, nothing compares to the saga of the Ross Sea party. This crew of explorers landed on the opposite side of Antarctica from the Endurance with a mission to build supply depots for Shackleton's planned crossing of the continent. But their ship disappeared in a gale, leaving ten inexperienced, ill-equipped men to trek 1,356 miles in the harshest environment on earth. Drawing on the men's own journals and photographs, *The Lost Men* is a masterpiece of historical adventure, a book destined to be a classic in the vein of *Into Thin Air*.

Frank Hurley: A Photographer's Life Alasdair McGregor, 2019-02-01 Photographer, filmmaker, writer, adventurer. Controversial, passionate, audacious, Frank Hurley was an extraordinary Australian, possibly most famous for his Antarctic photographs captured alongside expeditioners Sir Douglas Mawson and Sir Ernest Shackleton. From the early twentieth century until his death in 1962, Hurley created a stunning visual archive that chronicled the major events of the twentieth century and Australia's achievements both home and overseas. This book and the Hurley Collection in the National Library of Australia make clear this outstanding contribution and the lengths to which the man would go in order to convey the gravity of events. For Hurley, image making and exploration went hand in hand, and he sought out experiences as a pioneer, documentary film maker, official photographer in two world wars, early aviator and adventure and story seeker in both the natural environment and in rapidly disappearing non-western worlds. In this readable, definitive and wonderfully illustrated re-issued biography, Alasdair McGregor describes Hurley's life and character in all its richness.

Shackleton's Boat Journey Frank Arthur Worsley, 1999 Frank A Worsley was the Captain of the H M S Endurance the ship used by the legendary explorer Sir Ernest Shackleton in his 1914-16 expedition to the Antarctic On its way to the Antarctic continent the Endurance became trapped and then crushed by ice and the ship's party of twenty eight drifted in an ice floe for five months Finally reaching an uninhabited island Shackleton Worsley and four others sailed eight hundred miles in a small boat to the island of South Georgia an astounding feat of navigation and courage All hands survived this ill fated expedition as Worsley writes By self sacrifice and throwing his own life into the balance Shackleton saved every one of his men although at times it looked unlikely that one could be saved A remarkable book Worsley writes without heroics but makes us feel to the marrow the conditions that the party endured before all hands were rescued New Yorker
