Shades Of Green The Clash Of Agricultural Science And Environmental Science:

Shades of Green Jerry S. Kidd, Renee A. Kidd, 1998 Looks at advances in agriculture productivity and its related pesticide use and introduces individuals who have aided in these advances and those opposed to chemical use

Agricultural Versus Environmental Science Jerry S. Kidd, Renee A. Kidd, 2006 Looks at issues surrounding agriculture and the environment People of Bread Wolfgang Vondey, 2008 Wolfgang Vondey contends that the story of the church is a story of the people of bread The image of bread is one of the richest and at the same time one of the most neglected biblical images that speak to an ecumenical understanding of the church Drawing from scripture from writers of the early church and from cutting edge debates in contemporary scholarship Vondey unfolds the social moral missiological ecumenical and eschatological dimensions of the church based on the story of bread that far exceeds a eucharistic interpretation People of Bread speaks to a growing interest in an understanding of the church by addressing the widespread revival of the theological imagination BOOK JACKET
