encourage you to continue the fight you are engaged in and to never give up because you are making the difference in the midst of your surroundings There is no victory without a battle Some abandon their dreams for different reasons This book will inspire you to be an overcomer to be the conqueror you were created and equipped to be even before you realized that you are in a battlefield You are not alone There are others like you who are warriors and understand that it doesn't matter the many pieces they have to pick up from the floor and start all over again they keep fighting for the prize It doesn't matter how you feel or how many barriers you have to run over you are not alone Your descendants are your fans and witnesses One day they will reap the fruit of your efforts While the breath of life is still in us there is hope and the sky is the limit Every hurt and every disappointment is a stepping stone to your final destination You are not alone Don't give up **Dreams** Marilyn C. Barrick, 2020-12-04 We spend one third of our lives asleep and most of that time we are dreaming But we don't always remember our dreams or understand the messages they are conveying Dr Marilyn Barrick's fascinating work shows that our dreams are not only meaningful and connected with events in our lives but they also hold important keys to our spiritual and emotional development In fact our souls are great dramatists and teachers and the scripts of our dreams often contain profound and valuable guidance Through the powerful insights in this book and the author's visionary analysis of actual dreams you'll learn how to interpret your own dreams and discover how to decode the metaphorical messages of your own soul You'll also explore Tibetan sleep and dream yoga lucid dreaming and techniques to help you more clearly remember and understand your dreams *Dream Reader* Anthony Shafton, 1995-01-01 A comprehensive survey of contemporary approaches to understanding dreams If you can have only one book on dreams this is the one to have **The Shadow's Gift** Robin Robertson, 2011-04-01 There is no change that doesn't begin in the darkness of the human soul The necessity for the confrontation with the Shadow has been known by all cultures in all times and recorded in their myths and legends When the obligation to become whole is laid upon an individual the first task he must undertake is to confront his Shadow The Shadow's Gift Find Who You really Are is about the Shadow contained in each of us and why we must each join with our shadow the archetype of darkness and evil in order to become whole This heroic process is crucial as the projection or denial of the Shadow twists its true meaning into a destructive counter evolutionary force Owning and integrating our shadow allows its transformation in both the world and us The Shadow is a paradox While it initially appears to us as loathsome and despicable it actually contains all our future potentialities for development Perhaps more than any other Robin Robertson discusses it from a perspective of a belief in the inherent potential good of the Shadow and its ability to assist us in our quest for self actualization Robin Robertson draws from stories of real people's lives the Bible fairy tales and legends modern fiction and the work of famed depth psychologist C G Jung as well as his own experiences His writing is intimate and accessible and his insights and wisdom are conveyed in anecdotal and easy to understand language with clarity and depth Dream Weaving: Unraveling the Mysteries of the Subconscious Pasquale De Marco, 2025-03-08 Journey into the enigmatic realm of dreams
