Shadow Over My Brain:

Shadow Over My Brain Cecil Todes,1990 Written by a psychiatrist and analyst who has a personal 20 year history with Parkinson s disease Dr Todes documents his attempts to understand the disease and control the effects through a variety of conventional and more heroic treatments including L dopa and even foetal brain implant surgery The Emancipator Tracy Winegar,2016-10-04 After experiencing the perils of fighting as a soldier in the Civil War Serena Barlow now faces something far more frightening She must return to the beginning a home she did her best to leave behind Without Sam she is left to confront the past the painful memories of Caleb s loss a mother she hardly knows a father whom she has deceived sorely and worse yet a father in law who knows her secret Impending motherhood overwhelms her even more and without Sam at her side she hardly knows who she is anymore When word comes that Sam has been captured and is wasting away in the squalid conditions of Libby Prison Serena can wait no more She decides she must take action to save him and leaving everything dear to her behind she makes her way to the capital of the Confederacy Richmond Virginia Deep within enemy territory Serena begins to wonder how far she will go to save the man she loves Time is running out for Sam Can she find a way to rescue him before it s too late *Short Stories* A.M. Klein,M.W. Steinberg,1983-12-15 A M Klein s reputation as a writer on his poetry and to a lesser extent on his remarkable poetic novel *The Second Scroll* But he also wrote many short stories over a period of more than a quarter of a century Until now few people have been aware of their existence many exist only in manuscript form and most of those that were published appeared in magazines that were not readily accessible to the general reading public This volume bring them together Klein s range of themes and styles in his short fiction as in his poetry and in his journalistic writing is broad He draws on his Jewish experience focusing on legends festivals and ceremonies well known character types and familiar aspects of Jewish life in the synagogue in the home and on the streets Klein was not limited however by his Jewish concerns for he also wrote social and political satire and parodies of the detective story and of literary debates His pervasive sense of humour is often closely associated with his feeling for the macabre producing a quality of black comedy that is distinctly Kleinian The stories in this volume are an invaluable addition to the canon of Klein s works and their publication will extend and reinforce his already considerable reputation **The Inconvenience of Wings** Lara Foot,2017-09-28 Set in a landscape of memory and dreams *The Inconvenience of Wings* tackles the issues of friendship dysfunction addiction and angels This dynamic new drama was inspired by author Abraham J Twerski s book *Addictive Thinking* that examines the notion of compulsion addiction denial and abuse of self as well as conversations on bipolar disorder that Foot had with celebrated psychiatrist Dr Sean Baumann It was further stirred by her own father who has suffered from dementia for more than a decade With Shaking Hands Samantha Solimeo,2009-04-15 Far from celebrity media spotlight ordinary individuals many older and less advantaged suffer the disabling pain of Parkinson s disease PD an illness whose progressive symptoms often mimic old age and cause mobility impairment communication barriers and social
