Shadow Road Sean Russell, 2005-01 A century of enmity has ravaged the one kingdom as the mighty families of the Renni and the Wills have fought for their right to the crown But now the decades of bloodshed have roused the unquiet river spirits from a timeless sleep reviving a feud more deadly than any conflict of man Alliances shift and loyalties are tested in the harsh civil war between the two great families but a larger threat emerges For the dark knight Hafydd has made a sinister alliance leading him to eons old secrets secrets that should remain hidden lest they destroy all lives they touch Woken by the wars of man and nagar even Death himself is preparing to leave his fell kingdom And if the door to his domain cannot be shut the feud between men and even the ancient wars of the nagar will be less than nothing besides the Armageddon that awaits

The Nightmare Stacks Charles Stross, 2016 Accidental vampire Alex Schwartz is busy assessing the cost of renovating a Cold War bunker to be used as the new HQ for Britain's secret counter occult agency where he attracts the attentions of a local Goth drama student **Miramar Naval Air Station (NAS), Realignment, San Diego**, 1996 **Marginal Voice, Marginal Body** Noriko Miura, 2000 In examining the work of three ethnic writers Nakagami Kenji is Japanese burakumin Leslie Marmon Silko Native American Salman Rushdie an Indian living in England this project studies the literary depictions of the ways in which the body is portrayed and used as a space for cultural and ideological inscription The major issues addressed involve gender race and ethnicity as forces which become visible through the socially constructed body In the works of Nakagami Kenji Salman Rushdie and Leslie Marmon Silko bodies cry out the silence to overwhelm the torturer They all share a concern with the loss of land which induces migration a weakened sense of identity and hybridity Each author uses the body of his/her protagonist as the site to inscribe the consequences of such loss along with the criticisms against the dominant system and ideology of society In each case an emerging discourse of the body forges the power of the margins to resist and subvert any claims of hegemonic control The section on Kenji's novel *Wings of the Sun* includes an investigation of the burakumin its historical and cultural origin and how it is excluded from the structure of Japanese society before moving

to an examination of Kenji's texts create a space for the burakumin within the Body Without Organs of advanced capitalism. The chapter on Rushdie's *Shame* shows how the novel uses the bodies of its protagonists as allegories of the violence and conflict within multi-ethnic post-colonial Pakistan. The analysis of Silko's *Ceremony* involves the conflict between Native American and Euro-American cultures in their varying treatments of the body. Much has been written in the last decade about literary representations of the body. This work has stressed that the body is a conceptual category produced by specific discursive operations that can be analyzed and described. Emphasis on the discursive construction of the body facilitates our understanding of the human condition represented in literature or in other cultural products and in the case of these three authors posits the body as the site of alternative logics for dealing with the realities of post-colonial situations.

Paddling Wisconsin Kevin Revolinski, 2019-06-01 *Paddling Wisconsin* pulls together 40 excellent paddling adventures offering destinations evenly spread throughout the state. The focus is on recreational paddling and so all trips avoid complicated put-ins, portages and dangerous expert sections while offering something unique in terms of setting, geology and wildlife. While most trips involve rivers there are also a few notable lake paddles that offer scenery and exploration opportunities one won't find anywhere else. Rivers range from the mighty Mississippi to the humble trout waters of the White River. Each paddle provides a map of the route. Paddle summaries including the route itself and the character of the waterway at large are clear and detailed so paddlers will know exactly what to expect. Quick information makes the logistics of each paddle clear for accurate trip planning and includes explicit directions to landings with GPS coordinates. Short write-ups about history, geology and other attractions are interspersed throughout the book.

And yet he finds himself feeling things for her despite duty, logic and sense warning him not to. Luna and Caleb are prepared to fight for each other but with a prophecy and
