Shadow In The City Confessions Of An Undercover Drug Warrior:

A Shadow in the City Charles Bowden, 2006-07-03 Joey O Shay is not the real name of the narcotics agent in an unnamed city in the center of the country But Joey O Shay exists The nearly 300 drug busts he has orchestrated over more than two decades are real too The author follows O Shay as he sets in motion his latest conquest a 50 million heroin deal that originates in Colombia and has federal agents sitting at attention from Los Angeles to Washington D C to New York City

Eclipse of the Assassins Russell H. Bartley, Sylvia Erickson Bartley, 2015-11-30 Eclipse of the Assassins investigates the sensational 1984 murder of Mexico's most influential newspaper columnist Manuel Buendía and how that crime reveals the lethal hand of the U S government in Mexico and Central America during the final decades of the twentieth century Drug Wars and Covert Netherworlds James H. Creechan, 2021-12-07 The popular history of narco Mexico has long been narrowly framed by the U S War on Drugs Stereotypes overemphasize the criminal agency of celebrity drug lords Common understanding of the narco world is rooted in mythology and misunderstanding and the public narrative has consistently downplayed links to respected individuals and legitimate society In *Drug Wars and Covert Netherworlds* sociologist and criminologist James H Creechan draws on decades of research to paint a much more nuanced picture of the transformation of Mexico's narco cartels Creechan details narco cartel history focusing on the decades since Richard Nixon declared the War on Drugs With sobering detail Creechan unravels a web of government dependence legitimate enterprises covert connections and violent infighting He details how drug smuggling organizations have grown into powerful criminal mafias with the complicit involvement of powerful figures in civil society to create covert netherworlds Mexico is at a moment of change a country on the verge of transition or perdition It can only move forward by examining its history of narco connections spun and re spun over the last fifty years

The iPINIONS Journal Anthony Livingston Hall, 2016-03-23 Anthony L Hall takes aim at the global events of 2015 with a unique and refreshing perspective Here are some topics in this eleventh volume of his writings Migrants dying in Mediterranean Sea Admonishing migrants not to flee conditions so dire is like telling occupants not to flee a house on fire Narcissism of tweeting condolences The expression of such sentiments these days is intended more to draw attention to the person tweeting them than to comfort the person who should be receiving them Only authoritarian regimes can govern Arab countries Show me an Arab country governed by a democratically elected government and I'll show you one that is an ungovernable mess Putin as world's most powerful leader Hailing a despot like Vladimir Putin as the most powerful politician in the world makes about as much sense as hailing a drug lord like Joaquín El Chapo Guzmán as the most powerful businessman The mess in the Middle East It's complicated which explains why cocksure warmongering neo-cons who goaded Bush into invading Iraq are the only ones criticizing Obama for not having simple military strategy for dealing with the mess in the Middle East You'd never know that these are the same folks who stirred up the hornet's nest of sectarian violence the world has been trying in vain to contain ever since Black women dominating swimming championships

Black women can't swim They used to say white men can't jump Ha **Murder City** Charles Bowden, 2010-03-30 Ciudad Juarez lies just across the Rio Grande from El Paso Texas A once thriving border town it now resembles a failed state Infamously known as the place where women disappear its murder rate exceeds that of Baghdad In **Murder City** Charles Bowden one of the few journalists who spent extended periods of time in Juarez has written an extraordinary account of what happens when a city disintegrates Interweaving stories of its inhabitants a beauty queen who was raped a repentant hitman a journalist fleeing for his life with a broader meditation on the town's descent into anarchy Bowden reveals how Juarez's culture of violence will not only worsen but inevitably spread north Heartbreaking disturbing and unforgettable **Murder City** was written at the height of his powers and established Bowden as one of America's leading journalists **America's Most Alarming Writer** Bill Broyles, Bruce J. Dinges, 2019-11-15 The author of more than twenty books and a revered contributor to numerous national publications Charles Bowden 1945-2014 used his keen storyteller's eye to reveal both the dark underbelly and the glorious determination of humanity particularly in the borderlands between the United States and Mexico In **America's Most Alarming Writer** key figures in his life including his editors collaborators and other writers deliver a literary wake for the man who inspired them throughout his forty-year career Part revelation part critical assessment the fifty essays in this collection span the decades from Bowden's rise as an investigative journalist through his years as a singular voice of unflinching honesty about natural history climate change globalization drugs and violence As the Chicago Tribune noted Bowden wrote with the intensity of Joan Didion the voracious hunger of Henry Miller the feral intelligence and irony of Hunter Thompson and the wit and outrage of Edward Abbey An evocative complement to *The Charles Bowden Reader* the essays and photographs in this homage brilliantly capture the spirit of a great writer with a quintessentially American vision Bowden is the best writer you've never read **Dirty Wars** John Beck, 2009-12-01 Since World War II the American West has become the nation's military arsenal proving ground and disposal site Through a wide-ranging discussion of recent literature produced in and about the West **Dirty Wars** explores how the region's iconic landscapes invested with myths of national virtue have obscured the West's crucial role in a post World War II age of permanent war In readings of western particularly southwestern literature John Beck provides a historically informed account of how the military industrial economy established to protect the United States after Pearl Harbor has instead produced western waste lands and waste populations as the enemies and collateral casualties of a permanent state of emergency Beck offers new readings of writers such as Cormac McCarthy Leslie Marmon Silko Don DeLillo Rebecca Solnit Julie Otsuka and Terry Tempest Williams He also draws on a variety of sources in history political theory philosophy environmental studies and other fields Throughout **Dirty Wars** he identifies resonances between different experiences and representations of the West that allow us to think about internment policies the manufacture of atomic weapons the culture of Cold War security border policing and toxic pollution as part of a broader program of a sustained and invasive management of western space *Red Line* Charles

Bowden,2018-04-04 The author is joined by a retired narcotics cop as they investigate the assassination of a drug dealer and hit man outside Tucson Arizona One of Charles Bowden s earliest books *Red Line* powerfully conveys a desert civilization careening over the edge and decaying at its center Bowden s quest for the literal and figurative truth behind the assassination of a murderous border town drug dealer becomes a meditation on the glories of the desert landscape the squalors of the society that threatens it and the contradictions inherent in trying to save it At its best *Red Line* can read like an original synthesis of Peter Matthiessen and William Burroughs A brave and interesting book David Rieff Los Angeles Times Book Review Charles Bowden s *Red Line* is a look at America through the window of the southwest His vision is as nasty peculiar brutal as it is intriguing and perhaps accurate Bowden offers consciousness rather than consolation but in order to do anything about our nightmares we must take a cold look and *Red Line* casts the coldest eye in recent memory Jim Harrison The Southwest as portrayed in this Kerouac esque odyssey betokening the death of the American frontier spirit is a landscape of broken dreams violence uprooted lives and fallen idols Miles distant from tourist poster images of the Sunbelt this vista of narrow greed diminished expectations and despoilation of nature sizzles with the harsh unrelenting glare of a hyperrealist painting Publishers Weekly

Some of the Dead Are Still Breathing Charles Bowden,2018-09-19 The third book in Charles Bowden s accidental trilogy that began with *Blood Orchid* and *Blues for Cannibals* *Some of the Dead Are Still Breathing* attempts to resolve the overarching question How can a person live a moral life in a culture of death As humanity moves further into the twenty first century Bowden continues to interrogate our roles in creating the ravaged landscapes and accumulated death that still surround us as well as his own childhood isolation his lust for alcohol and women and his waning hope for a future We witness post Katrina New Orleans and terrorist bombed Bali we encounter our shared actions with the animal world and the desirous need for consumption we see the clash and erosion of our physical and figurative borders the savagery of our own civilization A man of his time and out of time Bowden seeks acceptance and a will to endure what may lie ahead

The Red Caddy Charles Bowden,2018-04-25 The author of *Blood Orchid* and *Blue Desert* presents a biography on his friend the writer and environmentalist Edward Abbey A passionate advocate for preserving wilderness and fighting the bureaucratic and business forces that would destroy it Edward Abbey 1927 1989 wrote fierce polemical books such as *Desert Solitaire* and *The Monkey Wrench Gang* that continue to inspire environmental activists In this eloquent memoir his friend and fellow desert rat Charles Bowden reflects on Abbey the man and the writer offering up thought provoking contrarian views of the writing life literary reputations and the perverse need of critics to sum up what he really meant and whether any of it was truly up to snuff *The Red Caddy* is the first literary biography of Abbey in a generation Refusing to turn him into a desert guru Bowden instead recalls the wild man in a red Cadillac convertible for whom liberty was life He describes how *Desert Solitaire* paradoxically launched thousands of maniacs into the empty ground that Abbey wanted to protect while sealing his literary reputation and overshadowing the novels that Abbey considered his best books Bowden also skewers the

cottage industry that has grown up around Abbey's writing smoothing off its rougher racist sexist edges while seeking anecdotes little intimacies pieces of the True Beer Can or True Old Pickup Truck Asserting that the real essence of Abbey will always remain unknown and unknowable The Red Caddy still catches gleams of the fire that from time to time causes a life to become a conflagration An unflinchingly honest writer addresses the death of his friend and kindred spirit Edward Abbey This belated publication should not only send readers back to Abbey but also back to Bowden's work A memoir about an American original by an American original a literary journalist who merits more than a regional readership Kirkus Reviews Bowden a journalist and author who died in 2014 knew Abbey better than most perhaps and attempts to paint a picture of the southwestern iconoclast in The Red Caddy Discovered on his computer after his death it's a fascinating artifact that's by turns charming and maddening just like Abbey himself NPR With its elegant prose and uncompromising vision this is vintage Bowden Arizona Daily Star Southwest Books of the Year
