this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada s role in the world taking on sweeping themes and vividly recounting the story of Canada s development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today The Good Fight Brendan Kelly,2019-11-01 Before official bilingualism was established in 1969 francophones were scarce in the Canadian public service Marcel Cadieux was one of the few becoming arguably the most important francophone diplomat and civil servant in Canadian history Brendan Kelly s insightful entertaining biography draws on extensive archival research and interviews to reveal a complex figure Cadieux held the nationalist views of many young French Canadians in the 1930s yet he made the distinctly unconventional decision to join the Department of External Affairs in 1941 Public service became the

vocation of this blunt funny strong minded and sometimes undiplomatic diplomat Against the backdrop of rising Quebec separatism and the Cold War he headed the department from 1964 to 1970 and served as Canada's first francophone ambassador to the United States from 1970 to 1975 Cadieux's profound belief in the dignity of service speaks eloquently to readers today when professionalism and expertise are often undervalued *Canada from the Outside in / Le Canada Vu D'ailleurs* Pierre Anctil, Zilá Bernd, 2006 Selected papers presented at the International Council for Canadian Studies biennial conference held May 25-27 2005 *People, Politics, and Purpose* Greg Donaghy, P. Whitney Lackenbauer, 2023-02-15 Biography is not on the periphery of history but in the middle of it historian Peter Waite astutely remarked *People Politics and Purpose* brings the historian's myriad tools to bear on Canadians from prime ministers to lumberjacks to Indigenous leaders Drawing on the rich details of biography the what the contributors also address the larger questions of motivation the so what that drive history In the process they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors As such the biographies in *People Politics and Purpose* are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally **Rise to Greatness** Conrad Black, 2014 Controversial newspaper publisher and historian Conrad Black has written a definitive history of Canada This is a revealing account of the people and events that shaped a nation Spanning from 874 to 2014 and beginning with Canada's first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada's role in the world From Champlain to Carleton Baldwin and Lafontaine to MacDonald Laurier and King from Canada's role in peace and war to Quebec's quest for autonomy Black takes on sweeping themes *Being Prime Minister* J.D.M. Stewart, 2018-06-16 *Being Prime Minister* sheds light on the lives of prime ministers as ordinary people examining them through a variety of experiences most Canadians share Canada's Department of External Affairs, Volume 2 John Hilliker, Donald Barry, 1990 The second volume of the official history of the Department of External Affairs *Coming of Age* covers a period of remarkable expansion and achievement in the history of Canadian external relations
