

The background of the entire image is a dark, smoky, and misty grey. In the upper portion, there are two pairs of glowing red eyes, one on the left and one on the right, appearing to be part of a face or a creature emerging from the shadows. The eyes are bright red and have a slightly blurred, ethereal quality.

Shadows In The Night:

Shadows in the Night Jane Finnis, 2011-12-01 Roman Britain in 91 AD is a troublesome part of the mighty Empire ruled by Domitian Caesar. Tension is especially high in the north where Aurelia Marcella, a young innkeeper from Italy, runs the Oak Tree Mansion on the road to York. A string of savage murders disrupts her peaceful life and she and her Roman friends find themselves under attack from a secret native war band, the Shadow men, whose aim is to expel all Romans out. A traveler, Quintus, is nearly killed close to the inn. Soon he and Aurelia team up to track down the rebel warriors and identify their mysterious masked leader, the Shadow of Death. Reread the beginning of the Aurelia Marcella Mystery series starting with this, the first book previously *Get Out or Die*. **Shadows in the Twilight** Kotra Siva Rama Krishna, When Sathapathi entered into his one hundredth year, hale and healthy without any problems that the age-old people do have and can do all his works actively, he felt worried rather than feeling happy why his nature was not like all the other old people. The other worry he has was he might remain alive like that and never will die. He started writing his life as a book from the birthday of his one hundredth year till the day of his death on one hundred one birthday and he titled the book as *Shadows in the Twilight*.

Shadows in the Mirror Christopher Nunn, 2011-02 In the corridors of Hamilton college lies a secret. Behind the facade of wealth and power is a world of brutality where rugby controls lives and boys must learn to be men even if it kills them. When one student takes a stand, another must decide what really matters. Events of the past avalanche into the present and bring students face to face with the shadows in the mirror. *Shadows in My Life* Robert Gene Buckenmeyer, 2013 This book of poetry is best described by the author's own words: I have couched my poetry as I see shadows and light, essential to human perception and communication. My admiration of one to the other led me to my poems of self-reflection. *Shadows in the Forest* Jennifer J. Morgan, 2022-07-02 Libby Madsen, professional massage therapist and co-owner of the luxurious Dharma Inspired Day Spa, has probably heard it all. During what she thinks of as tabletop confessions, her clients often talk about way more of their personal lives than she really wants to hear. So when a regular, Maggie Crenshaw, talks about how her daughter went away on a camping trip with friends, it's just so much chatter. But when Maggie says Isobel didn't return home on time, is not answering her phone, and that the young woman is diabetic and really needs her meds, Libby offers to pick up the medications at Maggie's house and deliver them. She and her Labrador puppy, Shadow, are going camping in the same area and it's no trouble at all. Except when Libby and Shadow arrive at the campground, Isobel is nowhere to be found and no one there has seen her or the group of friends she claimed to be traveling with. Libby enlists the help of handsome Forest Ranger Greg Lawson, but even he can't find anyone who has seen the girl. The fact that she's now been without her insulin for several days is worrisome and Greg initiates a Search and Rescue operation. Libby and Shadow join Greg and the volunteers to search the adjoining camping areas. Some shady characters and a few clues do turn up. But no Isobel. Libby becomes convinced that something more sinister is going on and she's determined to find out what has happened, little knowing that
