

SHAIKHDOMS OF EASTERN ARABIA

Peter Lienerhardt

Edited by Ahmed Al-Shahrani

Shaikhdoms Of Eastern Arabia

Naosuke Mukoyama

Shaikhdoms Of Eastern Arabia:

Shaikhdoms of Eastern Arabia P. Lienhardt, 2001-03-20 This pioneering study captures the traditional social economic and political systems of the Arab sheikhdoms of the Gulf It represents a unique and in depth insight into the complex and varied cultural patterns of the Arabs Persians and the people of the East African Coast in the 1950s before the advent of oil wealth radically altered the style of life and expectations of the people living in these sheikdoms In a compelling narrative Lienhardt discusses the tribal structure relations between men and women the economics of pearl fishing the growth of towns and the complex relationship between the ruling sheikhs and their subjects His findings offer a key to the understanding of the political system and the transition from the tribal to the class system Specialists on the Gulf and Middle East social historians and anthropologists will find a wealth of new evidence and analysis in this invaluable and accessible combination of history and anthropology Shaikhdoms of Eastern Arabia Peter Lienhardt, 1957 **Religion, Education and Governance in the Middle East** Sai Felicia Krishna-Hensel, 2016-04-08 The Middle East is a key geopolitical strategic region in the international system but its distinctive cultural and political divisions present a mosaic of states that do not lend themselves to simplistic interpretations A thoughtful analysis of the Middle East requires an understanding of the synergism between tradition and modernity in the region as it adapts to a globalizing world Religious education and activism continue to remain a significant factor in the modernization process and the development of modern governance in the states of the Middle East This interdisciplinary book explores the historical and contemporary role of religious tradition and education on political elites and governing agencies in several major states as well as generally in the region The relationship between democracy and authority is examined to provide a better understanding of the complexity underlying the emergence of new power configurations As the region continues to respond to the forces of change in the international system it remains an important and intriguing area for analysts **The Arabian Peninsula** Derek Hopwood, 2015-07-24 Although the Arabian Peninsula is the heartland of Islam and of the Arab world for decades it did not receive the attention it deserves from scholars and writers The School of Oriental and African Studies University of London and the Middle East Centre of St Antony s College Oxford jointly organized a series of seminars culminating in a conference at which the papers in this volume first published in 1972 were discussed Together they constitute an authoritative statement of our present knowledge of several areas of the Peninsula with particular emphasis on the Gulf States Three chapters trace the history of Oman from pre Islamic times to the recent past and in so doing emphasize the theme of continuing conflict between sultan and imam Other chapters examine the Gulf and the Peninsula from the standpoint of inter Arab and of international relations The third section of the book is devoted to a discussion of the increasing rate of social change in the area and the final section deals with problems of oil and state and of economic development *Britain and the Arab Gulf after Empire* Simon C. Smith, 2019-03-08 Although Britain s formal imperial role in the smaller oil rich sheikdoms of the Arab Gulf Kuwait Bahrain

Qatar and the United Arab Emirates ended in 1971 Britain continued to have a strong interest and continuing presence in the region This book explores the nature of Britain s role after the formal end of empire It traces the historical events of the post imperial years including the 1973 oil shock the fall of the Shah in Iran and the beginnings of the Iran Iraq War considers the changing positions towards the region of other major world powers including the United States and engages with debates on the nature of empire and the end of empire The book is a sequel to the authors highly acclaimed previous books Britain s Revival and Fall in the Gulf Kuwait Bahrain Qatar and the Trucial States 1950 71 Routledge 2004 and Ending Empire in the Middle East Britain the United States and Post war Decolonization 1945 1973 Routledge 2012 **Fueling Sovereignty**

Naosuke Mukoyama,2024-03-21 European colonialism was often driven by the pursuit of natural resources and the resulting colonization and decolonization processes have had a profound impact on the formation of the majority of sovereign states that exist today But how exactly have natural resources influenced the creation of formerly colonized states And would the world map of sovereign states look significantly different if not for these resources These questions are at the heart of Fueling Sovereignty which focuses primarily on oil as the most significant natural resource of the modern era Naosuke Mukoyama provides a compelling analysis of how colonial oil politics contributed to the creation of some of the world s most unlikely states Drawing on extensive archival sources on Brunei Qatar and Bahrain he sheds light on how some small colonial entities achieved independence despite their inclusion in a merger project promoted by the metropole and regional powers

The End of Empire in the Gulf Tancred Bradshaw,2019-10-31 With the end of the British Raj in 1947 the Foreign Office replaced the Government of India as the department responsible for the Persian Gulf and would proceed to manage relations with the Trucial States now the United Arab Emirates UAE until British withdrawal in 1971 This work is a comprehensive history of British policy in the region during that period situated for the first time in its broad historical and political context Tancred Bradshaw an academic historian with extensive experience in the region sheds light onto the discovery of oil in Abu Dhabi in the 1950s Foreign Office attempts to instigate a long term development policy in the region the slow end of the British Empire the origins of the UAE and most importantly the British legacy in this geopolitically crucial region today The book relies on 40 000 pages of archival material much of it previously unused and will be of interest to Imperial historians as well as anyone working on the history and politics of the Middle East and the Persian Gulf *Reinventing the Sheikhdome*

Matthew Hedges,2022-04-01 Though the Arab Spring has reverberated through the Middle East largely leaving a path of destruction the relative calm in the United Arab Emirates has offered a regional roadmap for stability Domestic changes since 2000 have significantly altered the country s dynamics firmly cementing power within Abu Dhabi While Khalifa bin Zayed succeeded his father as emir of Abu Dhabi and UAE president in 2004 the Emirates evolution has largely been accredited to Abu Dhabi s crown prince Mohammed bin Zayed His reign has been characterized by the rise of the security apparatus and a micromanaged approach to governance Mohammed bin Zayed s strategy of fortification has focused on pre

emptying threats from the UAE's native population rather than from expatriates or foreign actors. As a result, he has consolidated power by distributing its administration among his tribal and kinship allies. In essence, Mohammed bin Zayed has driven modernization in order to strengthen his grasp on power. This book explores Mohammed bin Zayed's regime security strategy, illustrating the network of alliances that seek to support his reign and that of his family. In an ever-turbulent region, the UAE remains critical to understanding the evolution of Middle Eastern authoritarian control.

Genealogical History in the Persianate World Jo-Ann Gross, Daniel Beben, 2025-06-26 Scholarship on the Muslim world has recently begun to pay increased attention to non-literary genres of documentation as sources for historical research. Genealogical writings are one form of such documentation that has demonstrated significant potential for addressing a wide range of research concerns, particularly for topics that receive little attention in historical chronicles and other state-centered narrative sources. However, while genealogical documentation has received some attention in scholarship on the Arab world, it remains mostly unstudied in scholarship on Persianate societies. The chapters in this book offer reflections on theoretical and methodological issues concerning the study of genealogical documentation, combined with case studies based primarily on previously unpublished, unstudied source materials. The topics explored span the full breadth of the Persianate world, from Anatolia to the Ferghana Valley in Central Asia to the Gujarat region of India, utilizing sources dating from the fourteenth to the twentieth century. The book will be of significant interest to scholars and students of Islamic history and the Persianate ecumene, as well as readers in other fields interested in comparative research demonstrating the use of genealogical documentation as historical sources.

The Arabian Frontier of the British Raj James Onley, 2007-11-22 The Arabian Frontier of the British Raj is a study of one of the most forbidding frontier zones of Britain's Indian Empire. The Gulf Residency, responsible for Britain's relationship with Eastern Arabia and Southern Persia, was part of an extensive network of political residencies that surrounded and protected British India. Based on extensive archival research in both the Gulf and Britain, this book examines how Britain's Political Resident in the Gulf and his very small cadre of British officers maintained the Pax Britannica on the waters of the Gulf, protected British interests throughout the region, and managed political relations with the dozens of Arab rulers and governors on both shores of the Gulf. James Onley looks at the secret to the Gulf Residency's effectiveness: the extent to which the British worked within the indigenous political systems of the Gulf. He examines the way in which Arab rulers, in need of protection, collaborated with the Resident to maintain the Pax Britannica, while influential men from affluent Arab, Persian, and Indian merchant families served as the Resident's native agents, compradors in over half of the political posts within the Gulf Residency.

Thank you certainly much for downloading **Shaikhdoms Of Eastern Arabia**. Most likely you have knowledge that, people have seen numerous periods for their favorite books when this Shaikhdoms Of Eastern Arabia, but end going on in harmful downloads.

Rather than enjoying a good PDF past a cup of coffee in the afternoon, instead they juggled following some harmful virus inside their computer. **Shaikhdoms Of Eastern Arabia** is nearby in our digital library an online right of entry to it is set as public fittingly you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency epoch to download any of our books past this one. Merely said, the Shaikhdoms Of Eastern Arabia is universally compatible following any devices to read.
