

Introduction to “Religions in Shakespeare’s Writings”

David V. Urban

Department of English, Calvin University, Grand Rapids, MI 49546, USA; dvu2@calvin.edu

Received: 28 November 2019; Accepted: 29 November 2019; Published: 2 December 2019

This special issue of *Religions* on “Religions in Shakespeare’s Writings” invited contributors to explore the gamut of religious issues and characterizations throughout Shakespeare’s writings. The issue’s call for papers welcomed a variety of perspectives while emphasizing that the resultant volume would not try to present a Shakespeare whose particular religious beliefs can definitely be known or are displayed in a unified manner throughout his canon. Because this volume benefits from John Cox’s expert essay on “Shakespeare and Religion” (Cox 2018), and because each essay has its own abstract, I will not here attempt a survey of the field of Shakespeare and religion, nor will I summarize the essays that follow. Rather, this brief Introduction will identify and discuss important themes that emerge within this special issue, recognizing that these themes, which developed organically through the individual authors’ work and not by explicit editorial instruction, display themselves in various essays herein but by no means in all of them.

Perhaps the most remarkable aspect of this collection is its elucidation of not simply the various manifestations of religions that appear in Shakespeare’s writings, but, indeed, the tensions between these religions within Shakespeare’s creative depictions. For example, the tensions between ancient pagan religion and Christianity are explored in a number of essays. Grace Tiffany identifies the turn from devotion to the Roman goddess Diana to a commitment to self-sacrificial marriage in *The Winter’s Tale* as an embrace of Protestant Christianity. Tiffany’s emphasis on tensions between religions is also evident in her argument that, in Shakespeare, devotion to Diana supports a Protestant marriage ideal rather than a Catholic ideal of celibacy. She shows that, in *The Comedy of Errors* and *Pericles*, Diana herself is transformed from patroness of virgins to Christian matron, offering scripture-based advice on how to be a companionate wife (Tiffany 2018). Benedict Whalen observes the conflict in *The Rape of Lucrece* between, on one hand, Tarquin’s embrace of “Love and Fortune” as his “gods” in a way that justifies his sexual assault, and, on the other hand, the poem’s allusion to 1 Corinthians 3:16–17, in which St. Paul warns against the violation of “the temple of God,” which includes the bodies and souls of all Christians (Whalen 2019). Also discussing *The Rape of Lucrece*, Feisal Mohamed notes the tension between the depiction of female virginity in Roman civic religion and the heavenly reward for chaste obedience—in spite of any forced violation—offered through Christianity (Mohamed 2019). David Urban explores the tension between the pagan spiritual control that Prospero exercises throughout *The Tempest* and the Christian Providence that transcends Prospero’s problematic efforts, a Providence whose workings ultimately precipitate Prospero’s renunciation of such dubious control (Urban 2019). And Emily Stelzer details at length the history of *King Lear* criticism, observing throughout the significance of Shakespeare’s often befuddling blending of pagan and Christian elements throughout the play (Stelzer 2019).

Various other kinds of tensions between religions in Shakespeare are also explored in this special issue. For example, contrary to the position offered by Tiffany (2018) regarding *The Winter’s Tale*, John Curran asserts that Shakespeare, as he does in *Hamlet*, displays in *Macbeth* sympathy with “Catholic ways of seeing” (Curran 2018, p. 1), something evident in the spiritual complexities demonstrated in those dramas, offering a rubric superior to that offered by Protestantism. In an innovative reading of *Hamlet*, Benjamin Lockerd argues that the dualism articulated in some of Hamlet’s speeches

Shakespeare And Religions:

Religions in Shakespeare's Writings David V. Urban, 2020-12-10 Offering a wide range of scholarly perspectives Religions in Shakespeare's Writings explores Shakespeare's depictions throughout his canon of various religions and matters related to them This collection's fifteen essays explore matters pertaining to Catholic Anglican and Puritan Christianity the Albigenian heresy of the high middle ages Islam Judaism Roman religion different manifestations of religious paganism and even the religion of Shakespeare practiced by Shakespeare's nineteenth century admirers These essays analyze how Shakespeare depicts both tensions between religions and the syntheses of different religious expressions on topics as diverse as Shakespeare's varied portrayals of the afterlife religious experience in Measure for Measure and Black natural law and The Tempest This collection also explores the political ramifications of religion within Shakespeare's works as well as Shakespeare's multifaceted uses of the Bible Additionally while this collection does not present a Shakespeare whose particular religious beliefs can definitely be known or are displayed uniformly throughout his canon various essays consider to what extent Shakespeare's individual works demonstrate a Christian foundation Contributors include John D Cox Cyndia Susan Clegg Grace Tiffany Matthew J Smith Bethany C Besteman Sarah Skwire Feisal Mohamed Benedict J Whalen Benjamin Lockerd Bryan Adams Hampton Debra Johanyak John E Curran Emily E Stelzer David V Urban and Julia Reinhard Lupton

Shakespeare Survey: Volume 54, Shakespeare and Religions Peter Holland, 2001-10-04 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of the previous year's textual and critical studies and of major British performances The books are illustrated with a variety of Shakespearean images and production photographs The current editor of Survey is Peter Holland The first eighteen volumes were edited by Allardyce Nicoll numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start For the first time numbers 1-50 are being reissued in paperback available separately and as a set

A Will to Believe David Scott Kastan, 2014-01-16 On 19 December 1601 John Croke then Speaker of the House of Commons addressed his colleagues If a question should be asked What is the first and chief thing in a Commonwealth to be regarded I should say religion If What is the second I should say religion If What the third I should still say religion But if religion was recognized as the chief thing in a Commonwealth we have been less certain what it does in Shakespeare's plays Written and performed in a culture in which religion was indeed inescapable the plays have usually been seen either as evidence of Shakespeare's own disinterested secularism or more recently as coded signposts to his own sectarian commitments Based upon the inaugural series of the Oxford Wells Shakespeare Lectures in 2008 A Will to Believe offers a thoughtful surprising and often moving consideration of how religion actually functions in them not as keys to

Shakespeare's own faith but as remarkably sensitive registers of the various ways in which religion charged the world in which he lived The book shows what we know and can't know about Shakespeare's own beliefs and demonstrates in a series of wonderfully alert and agile readings how the often fraught and vertiginous religious environment of Post Reformation England gets refracted by the lens of Shakespeare's imagination *Texts and Traditions* Beatrice Groves, 2006-11-30 *Texts and Traditions* explores Shakespeare's thoroughgoing engagement with the religious culture of his time In the wake of the recent resurgence of interest in Shakespeare's Catholicism Groves eschews a reductively biographical approach and considers instead the ways in which Shakespeare's borrowing from both the visual culture of Catholicism and the linguistic wealth of the Protestant English Bible enriched his drama Through close readings of a number of plays *Romeo and Juliet* *King John* *1 Henry IV* *Henry V* and *Measure for Measure* Groves unearths and explains previously unrecognised allusions to the Bible the Church's liturgy and to the mystery plays performed in England in Shakespeare's boyhood *Texts and Traditions* provides new evidence of the way in which Shakespeare exploited his audience's cultural memory and biblical knowledge in order to enrich his ostensibly secular drama and argues that we need to unravel the interpretative possibilities of these religious nuances in order fully to grasp the implications of his plays *Religions in Shakespeare's Writings* David V. Urban, 2020 Offering a wide range of scholarly perspectives *Religions in Shakespeare's Writings* explores Shakespeare's depictions throughout his canon of various religions and matters related to them This collection's fifteen essays explore matters pertaining to Catholic Anglican and Puritan Christianity the Albigensian heresy of the high middle ages Islam Judaism Roman religion different manifestations of religious paganism and even the religion of Shakespeare practiced by Shakespeare's nineteenth century admirers These essays analyze how Shakespeare depicts both tensions between religions and the syntheses of different religious expressions on topics as diverse as Shakespeare's varied portrayals of the afterlife religious experience in *Measure for Measure* and *Black natural law* and *The Tempest* This collection also explores the political ramifications of religion within Shakespeare's works as well as Shakespeare's multifaceted uses of the Bible Additionally while this collection does not present a Shakespeare whose particular religious beliefs can definitely be known or are displayed uniformly throughout his canon various essays consider to what extent Shakespeare's individual works demonstrate a Christian foundation Contributors include John D Cox Cyndia Susan Clegg Grace Tiffany Matthew J Smith Bethany C Besteman Sarah Skwire Feisal Mohamed Benedict J Whalen Benjamin Lockerd Bryan Adams Hampton Debra Johanyak John E Curran Emily E Stelzer David V Urban and Julia Reinhard Lupton *Shakespeare and Religious Change* K. Graham, P. Collington, 2009-07-16 This balanced and innovative collection explores the relationship of Shakespeare's plays to the changing face of early modern religion considering the connections between Shakespeare's theatre and the religious past the religious identities of the present and the deep cultural changes that would shape the future of religion in the modern world **Religion Around Shakespeare** Peter Iver Kaufman, 2015-06-26 For years scholars and others have been trying to

out Shakespeare as an ardent Calvinist a crypto Catholic a Puritan baiter a secularist or a devotee of some hybrid faith In Religion Around Shakespeare Peter Kaufman sets aside such speculation in favor of considering the historical and religious context surrounding his work Employing extensive archival research he aims to assist literary historians who probe the religious discourses characters and events that seem to have found places in Shakespeare's plays and to aid general readers or playgoers developing an interest in the plays and playwright's religious contexts Catholic conformist and reformist Kaufman argues that sermons preached around Shakespeare and conflicts that left their marks on literature law municipal chronicles and vestry minutes enlivened the world in which and with which he worked and can enrich our understanding of the playwright and his plays

Shakespeare's Religious Background Peter Milward, 1973 For England the sixteenth century was above all an age of religious upheaval Behind the glittering procession of Tudor monarchs were dragged the bruised consciences of their unfortunate subjects Then at the end of the century came the genius of Shakespeare who gave in his plays the very age and body of the time his form and pressure To what extent we may ask does the religious upheaval of his time feature in these plays Apparently not all is the surprising answer But apparently is not the same as really For when we study the plays in relation to the religious movements of the Elizabethan age we find unsuspected depths of meaning and implication In these depths we may discern the various echoes of the continuing force of Catholic tradition the developing establishment of Protestant reform the gathering onslaught of radical Puritanism and the steady growth of religious indifference These currents and cross currents of the age are all reflected to a greater or lesser extent in different plays But it is only when the plays are taken together that there emerges a characteristic moral and theological viewpoint which may be regarded as Shakespeare's own It even seems that so far from ignoring the religious issues of his time it was precisely on this point that Shakespeare felt most deeply so deeply perhaps that it was impossible for him to express his feelings in anything but the most enigmatic modes As he made Hamlet exclaim in a somewhat analogous situation But break my heart For I must hold my tongue Peter Millard

The Cambridge Companion to Shakespeare and Religion Hannibal Hamlin, 2019-03-28 A wide ranging yet accessible investigation into the importance of religion in Shakespeare's works from a team of eminent international scholars

Religion in the Age of Shakespeare Christopher Baker, 2007-09-30 Shakespeare's plays were the product of his culture and reflect the daily life of Elizabethans This book examines the religious background of his works and helps students use his plays to understand religion in Elizabethan England The initial chapters survey the role of religion in Shakespeare's world The volume then looks at religion in his plays and how productions from different periods have addressed the religious issues of his drama A chapter then overviews criticism on Shakespeare and religion while a selection of primary documents illuminates his religious milieu Students often find the Elizabethan world fascinating yet challenging The same can be said of Shakespeare's plays which reflect the daily life and concerns of Elizabethan England and grew out of his milieu Written for students this book illuminates the religious life of Elizabethan England promotes a greater

understanding of Shakespeare's plays and uses Shakespeare's works to examine Early Modern religious culture. The volume begins with a quick overview of the origins of Elizabethan religious traditions followed by a more detailed consideration of the chief religious beliefs and concerns of Shakespeare's world. It then discusses the role of religion in Shakespeare's plays. This is followed by a look at how various productions have interpreted his religious concerns. A review of criticism on Shakespeare and religion follows along with a selection of primary documents related to religion in his world. A glossary defines key terms and concepts and a bibliography cites print and electronic resources for further study. Literature students will welcome this book as a guide to Shakespeare's plays while history students will value it for using his plays to examine religion in the Early Modern era.

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Shakespeare And Religions**

In some sort of inundated with displays and the cacophony of immediate interaction, the profound power and emotional resonance of verbal art usually fade in to obscurity, eclipsed by the continuous onslaught of noise and distractions. Shakespeare And Religions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeare And Religions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeare And Religions has opened up a world of possibilities. Downloading Shakespeare And Religions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeare And Religions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeare And Religions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeare And Religions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeare And Religions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeare And Religions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespeare And Religions Books

What is a Shakespeare And Religions PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shakespeare And Religions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shakespeare And Religions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shakespeare And Religions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shakespeare And Religions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
