Shakespeare And The English Romantic Imagination

Peter Holland, Adrian Poole

Shakespeare And The English Romantic Imagination:

Shakespeare and the English Romantic Imagination Jonathan Bate, 1986 Although it is well known that the Romantics were obsessed with Shakespeare little attention has been paid to the ways in which he influenced their creative practices and their theories of the imagination This new work finally presents the fascinating picture of how the Romantics read Shakespeare and responded to the implications of his work for their own poetry The book provides the first full critical discussion of Shakespeare and Wordsworth explores the influence of the plays on the poetry of Blake and Coleridge and offers a fresh account of Shakespeare s powerful presence in the letters and poems of Keats and Byron and in Shelley s dramas Taking issue with prevalent deconstructionist theories and Harold Bloom s ideas on the anxiety of influence Bate instead carefully illustrates the ways in which initial attempts at blind imitation were transformed into graceful poetic echo and allusion *Studies in Shakespeare and the English Romantic Imagination* A. J. Bate, University of Cambridge, 1983

Shakespeare and the Culture of Romanticism Joseph M. Ortiz, 2016-12-05 The idea of Shakespearean genius and sublimity is usually understood to be a product of the Romantic period promulgated by poets such as Coleridge and Byron who promoted Shakespeare as the supreme example of literary genius and creative imagination However the picture looks very different when viewed from the perspective of the myriad theater directors actors poets political philosophers gallery owners and other professionals in the nineteenth century who turned to Shakespeare to advance their own political artistic or commercial interests Often as in John Kemble s staging of *The Winter s Tale* at Drury Lane or John Boydell s marketing of paintings in his Shakespeare Gallery Shakespeare provided a literal platform on which both artists and entrepreneurs could strive to influence cultural tastes and points of view At other times Romantic writers found in Shakespeare s works a set of rhetorical and theatrical tools through which to form their own public personae both poetic and political Women writers in particular often adapted Shakespeare to express their own political and social concerns Taken together all of these critical and aesthetic responses attest to the remarkable malleability of the Shakespearean corpus in the Romantic period As the contributors show Romantic writers of all persuasions Whig and Tory male and female intellectual and commercial found in Shakespeare a powerful medium through which to claim authority for their particular interests *Adapting King Lear for the Stage* Lynne Bradley, 2016-03-16 Questioning whether the impulse to adapt Shakespeare has changed over time Lynne Bradley argues for restoring a sense of historicity to the study of adaptation Bradley compares Nahum Tate s *History of King Lear* 1681 adaptations by David Garrick in the mid eighteenth century and nineteenth century Shakespeare burlesques to twentieth century theatrical rewritings of *King Lear* and suggests latter day adaptations should be viewed as a unique genre that allows playwrights to express modern subject positions with regard to their literary heritage while also participating in broader debates about art and society In identifying and relocating different adaptive gestures within this historical framework Bradley explores the link between the critical and the creative in the history of Shakespearean adaptation

Focusing on works such as Gordon Bottomley's *King Lear's Wife* 1913 Edward Bond's *Lear* 1971 Howard Barker's *Seven Lears* 1989 and the Women's Theatre Group's *Lear's Daughters* 1987 Bradley theorizes that modern rewritings of Shakespeare constitute a new type of textual interaction based on a simultaneous double gesture of collaboration and rejection. She suggests that this new interaction provides constituent groups such as the feminist collective who wrote *Lear's Daughters* a strategy to acknowledge their debt to Shakespeare while writing against the traditional and negative representations of femininity they see reflected in his plays.

Shakespeare's *Tempest* and Capitalism Helen Scott, 2019-09-12 In this forceful study Helen C. Scott situates *The Tempest* within Marxist analyses of the primitive accumulation of capital which she suggests help explain the play's continued and particular resonance. The storm of the title refers both to Shakespeare's *Tempest* hurtling through time and to Walter Benjamin's concept of history as a succession of violent catastrophes. Scott begins with an account of the global processes of dispossession of the peasantry and indigenous populations accompanying the emergence of capitalism which generated new class relationships, new understandings of human subjectivity and new forms of oppression around race, gender and disability. Developing a detailed reading of the play at its moment of production in the business of theatre in 1611, Scott then moves gracefully through the global reception history showing how its central thematic concerns and figurative patterns bespeak the upheavals and dispossessions of successive stages of capitalist development. Paying particular attention to moments of social crisis and unearthing a radical political tradition, Scott follows the play from its hostile takeover in the Restoration through its revival by the Romantics and consolidation and contestation in the nineteenth century. In the twentieth century transatlantic modernism generated an acutely dystopic *Tempest* then during the global transformations of the 1960s postcolonial writers permanently associated it with decolonization. At century's end the play became a vehicle for exploring intersectional oppression and the remarkable Sycorax school featured iconoclastic readings by writers such as Abena Busia, May Joseph and Sylvia Wynter. Turning to both popular culture and high profile stage productions in the twenty-first century, Scott explores the ramifications and figurative potential of Shakespeare's *Tempest* for global social and ecological crises today. Sensitive to the play's original concerns and informed by recent scholarship on performance and reception history as well as disability studies, Scott's moving analysis impels readers towards a fresh understanding of sea change and metamorphosis as potent symbols for the literal and figurative tempests of capitalism's old age now threatening the great globe itself.

Romantic Drama Gerald Ernest Paul Gillespie, 1994 It does not treat Romanticism as a limited period dominated by some construed singular master ethos or dialectic; rather, it follows the literary patterns and dynamics of Romanticism as a flow of interactive currents across geocultural frontiers.

Great Shakespeareans Set I Peter Holland, Adrian Poole, 2014-09-29 *Great Shakespeareans* offers a systematic account of those figures who have had the greatest influence on the interpretation, understanding and cultural reception of Shakespeare both nationally and internationally. This major project offers an unprecedented scholarly analysis of

the contribution made by the most important Shakespearean critics editors actors and directors as well as novelists poets composers and thinkers from the seventeenth to the twentieth century Great Shakespeareans will be an essential resource for students and scholars in Shakespeare studies

Shakespeare and Dickens Valerie L. Gager, 1996-06-06 This 1996 book traces Dickens interest in Shakespeare through his own reading and performance and through theatrical literary and artistic sources

The Death of the Actor Martin Buzacott, 2013-10-31 In *The Death of the Actor* Martin Buzacott launches an all out attack on contemporary theatrical practice and performance theory which identifies the actor rather than the director as the key creative force in the performance of Shakespeare Because actors are absent from the site of Shakespearean meaning he argues the illusion of their centrality is sustained only by a rhetoric of heroism violence and imperialism

The Oxford Handbook of Shakespearean Tragedy Michael Neill, David Schalkwyk, 2016 The Oxford Handbook of Shakespearean Tragedy is a collection of fifty four essays by a range of scholars from all parts of the world bringing together some of the best known writers in the field with a strong selection of younger Shakespeareans Together these essays offer readers a fresh and comprehensive understanding of Shakespeare tragedies as both works of literature and as performance texts written by a playwright who was himself an experienced actor The collection is organised in five sections The opening section places the plays in a variety of illuminating contexts exploring questions of genre and examining ways in which later generations of critics have shaped our idea of Shakespearean tragedy The second section is devoted to current textual issues while the third offers new critical readings of each of the tragedies This is set beside a group of essays that deal with performance history with screen productions and with versions devised for the operatic stage as well as with twentieth and twenty first century re workings of Shakespearean tragedy The book's final section seeks to expand readers awareness of Shakespeare's global reach tracing histories of criticism and performance across the world Offering the richest and most diverse collection of approaches to Shakespearean tragedy currently available the Handbook will be an indispensable resource for students both undergraduate and graduate levels while the lively and provocative character of its essays make it required reading for teachers of Shakespeare everywhere

Shakespeare And The English Romantic Imagination Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeare And The English Romantic Imagination has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeare And The English Romantic Imagination has opened up a world of possibilities. Downloading Shakespeare And The English Romantic Imagination provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeare And The English Romantic Imagination has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeare And The English Romantic Imagination. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeare And The English Romantic Imagination. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeare And The English Romantic Imagination, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeare And The English Romantic Imagination has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespeare And The English Romantic Imagination Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare And The English Romantic Imagination is one of the best book in our library for free trial. We provide copy of Shakespeare And The English Romantic Imagination in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare And The English Romantic Imagination. Where to download Shakespeare And The English Romantic Imagination online for free? Are you looking for Shakespeare And The English Romantic Imagination PDF? This is definitely going to save you time and cash in something you should think about.
