Shakespeare Factory David Moon River:

The Shakespeare Factory Dic Edwards,1998 A collection of three new dramas for young people all commissioned and performed by Spectacle Theatre in 1993 and 1996 the first is an introduction to Shakespeare the second highlights children's rights to steer their own lives while the third deals with the issue of bullying *Shakespeare Quarterly*, 2003 **Mary Morgan** Greg Cullen,1998 This lively and topical collection illustrates Cullen's trademark ability to re-fashion theatrical conventions for contemporary and seemingly bizarre use Conflict between generations classes anti-sexes marks Mary Morgan the story of a young maidservant seduced and made pregnant by the son of her master Based on a true and well-documented incident in nineteenth-century Wales this domestic drama is played out against a wide background of harsh poverty and civil unrest Tarzanne imaginatively reworks the famous Greystoke story by making the central character a girl raised by chimpanzees but rescued and brought home to the family's mansion in Wales The struggle to humanize Tarzanne and the attempts of her family and friends to manipulate her future provide for a provocative analysis of human nature in Victorian Britain In *Diego and Frida A Love Story* a chorus of characters from Mexican myth and folk art comment on the personal and professional relationships of artists Diego Rivera and Frida Kahlo Images from their paintings provide keys to their involvement with both Trotsky and Rockefeller as well as their own tempestuous partnership in a play which pits ideology and aestheticism against realpolitik and the power of money **State of Play** Hazel Davies,1998 A study of the work of Greg Callen Dic Edwards Edward Thomas and Charles Way **American Book Publishing Record** ,1999

Communication Breakdowns Ruth Shade,2004 Using an examination of theatrical and musical performance in a small Valleys town as a focus this work puts forward an argued discussion of contemporary Welsh theatre in its cultural context The text uses the south Wales valleys as a means of locating and exploring certain key issues those connected to coercive ideas about what ideal theatre is the relationship between politics and performance the conundrum of community theatre the role of theatre practice in marginalized regions and the significance of class to theatre and the problem of a system of arts subsidy which foists inappropriate external theatre product on indigenous audiences **British and Irish Dramatists Since World War II**. John Stanley Bull,2001 Embraces the work of writers working in theatrical traditions ranging from the classic well-made play to the most radical avant-garde pieces This variety is indicative of the fact that this period is one of the most important in British drama comparable to the late Elizabethan Jacobean and post-Restoration eras in terms of the quantity and quality of new work and surpassing both of them in the sheer variety of theatrical offerings **The British National Bibliography** Arthur James Wells,2007 Children's Books in Print R R Bowker Publishing,Bowker,1999-12
