Shakespeare Life And Work:

A Life of William Shakespeare. Biography Sidney Lee, 2013-03 No estimate of Shakespeare's genius can be adequate in knowledge of human character in wealth of humour in depth of passion in fertility of fancy and in soundness of judgement he has no rival William Shakespeare was one of the most influential dramatists and poets whose plays are performed more often than those of any other playwright till today In this work Sidney Lee presents the major facts of Shakespeare's life and illustrates them with numerous quotes of the sonnets and plays Sidney Lee was an editor of the Dictionary of National Biography and several English classics One of his special subjects was the life and work of William Shakespeare

Shakespeare; Life and Work Frederick James Furnivall, John James Munro, 1908 *The Life of the Author: William Shakespeare* Anna Beer, 2021-07-06 Discover an invigorating new perspective on the life and work of William Shakespeare The Life of the Author William Shakespeare delivers a fresh and exciting new take on the life of William Shakespeare offering readers a biography that brings to the foreground his working life as a poet playwright and actor It also explores the nature of his relationships with his friends colleagues and family and asks important questions about the stories we tell about Shakespeare based on the evidence we actually have about the man himself The book is written using scholarly citations and references but with an approachable style suitable for readers with little or no background knowledge of Shakespeare or the era in which he lived The Life of the Author William Shakespeare asks provocative questions about the playwright poet's preoccupation with gender roles and sexuality and explores why it is so challenging to ascertain his political and religious allegiances Conservative or radical Misogynist or proto feminist A lover of men or women or both Patriot or xenophobe This introduction to Shakespeare's life and works offers no simple answers but recognizes a man intensely responsive to the world around him a playwright willing and able to collaborate with others and able to collaborate with others and of course his exceptional perhaps unique contribution to literature in English The book covers the entirety of William Shakespeare's life 1564-1616 taking him from his childhood in Stratford upon Avon to his success in the theatre world of London and then back to his home town and comfortable retirement The Life of the Author William Shakespeare sets his achievement as a writer within the dangerous vibrant cultural world that was Elizabethan and Jacobean England revealing a writer's life of frequent collaboration occasional crisis but always of profound creativity Perfect for undergraduate students in Literature Drama Theatre Studies History and Cultural Studies courses The Life of the Author William Shakespeare will also earn a place in the libraries of students interested in Gender Studies and Creative Writing **A Life of William Shakespeare** Sir Sidney Lee, 2025-06-27 A Life of William Shakespeare by Sidney Lee is a comprehensive biography that meticulously examines the life and works of the renowned playwright and poet William Shakespeare First published in 1898 this seminal work delves into Shakespeare's upbringing in Stratford upon Avon his education and the early influences that shaped his literary career Lee provides an in depth analysis of Shakespeare's extensive body of work including his celebrated plays and sonnets

offering insights into the themes historical context and creative processes behind these masterpieces The biography also explores Shakespeare s professional relationships his involvement with the London theater scene and his enduring impact on English literature and drama Lee s scholarly approach supported by thorough research and historical documentation makes this biography an invaluable resource for scholars students and enthusiasts seeking to understand the Bard s life and legacy

Shakespeare's life and work, an abridgment of A life of William Shakespeare Sir Sidney Lee,1900 **William Shakespeare** Anthony Holden,2016-04-07 Who was William Shakespeare How did the rude groom from Stratford grow up to be the greatest poet the world has known Not for a generation since the late Anthony Burgess s SHAKESPEARE 1970 has there been anything approaching a popular mainstream biography of the greatest and most celebrated writer Yet Shakespeare s life was as colourful varied and dramatic as his works the Warwickshire country boy who disappeared for seven years before fetching up in London as an apprentice actor whose fellow players could scarcely keep up with the plays he turned out for them who rapidly became a favourite at the court of Elizabeth I and returned to Stratford a prosperous gentleman proud to realise his father s dream of a family coat of arms before his death at 52 Anthony Holden brilliantly interleaves the poets own words with the known facts to breathe new life into a story never before told in such absorbing detail The perfect blend of erudition and accessibility the Daily Telegraph s verdict on Holden s life of Tchaikovsky applies equally to his revealing very human portrait of Shakespeare *Shakespeare's Life and Work* Sir Sidney Lee,1900 *A Chronicle History of the Life and Work of William Shakespeare, Player, Poet, and Playmaker* Frederick Gard Fleay,1886
